

Suspension of Liquidation and Cash Deposits

In accordance with section 706 of the Act, Commerce will instruct CBP to reinstitute the suspension of liquidation of silicon metal from Kazakhstan, as described in the appendix to this notice, effective on the date of publication of the ITC’s notice of final determination in the **Federal Register**, and to assess, upon further instruction by Commerce, pursuant to section 706(a)(1) of the Act, countervailing duties for each entry of the subject merchandise in an amount based on the net countervailable subsidy rates below. On or after the date of publication of the ITC’s final injury determinations in the **Federal Register**, CBP must require, at the same time as importers would deposit estimated normal customs duties on this merchandise, a cash deposit equal to the rates noted below. The all-others rate applies to all producers or exporters not specifically listed below.

Company	Subsidy rate (percent)
Tau-Ken Temir LLP and JSC NMC Tau-Ken Samruk ⁵	160.00
All Others	160.00

Provisional Measures

Section 703(d) of the Act states that suspension of liquidation pursuant to an affirmative preliminary determination may not remain in effect for more than four months. In the underlying investigation, Commerce published the *Preliminary Determination* on December 3, 2020. Therefore, the four-month period beginning on the date of the publication of the *Preliminary Determination* ended on April 1, 2021. Furthermore, section 707(b) of the Act states that definitive duties are to begin on the date of publication of the ITC’s final injury determination.

Therefore, in accordance with section 703(d) of the Act, we instructed CBP to terminate the suspension of liquidation and to liquidate, without regard to countervailing duties, unliquidated entries of silicon metal from Kazakhstan entered, or withdrawn from warehouse, for consumption, on or after April 2, 2021, the date the provisional measures expired, until and through the day preceding the date of publication of the ITC’s final injury determination in the

⁵ As discussed in the Issues and Decision Memorandum, Commerce has found the following companies to be cross-owned with Tau-Ken Temir LLP and JSC NMC Tau-Ken Samruk: Silicon Metal LLP, Metallurgical Combine KazSilicon LLP, National Welfare Fund “Samruk-Kazyna” JSC, “Ekibastuz GRES-2 station” JSC, and JSC KEGOC.

Federal Register. Suspension of liquidation will resume on the date of publication of the ITC’s final determination in the **Federal Register**.

Notification to Interested Parties

This notice constitutes the countervailing duty order with respect to silicon metal from Kazakhstan pursuant to section 706(a) of the Act. Interested parties can find a list of countervailing duty orders currently in effect at <http://enforcement.trade.gov/stats/iastats1.html>. This order is issued and published in accordance with section 706(a) of the Act and 19 CFR 351.211(b).

Dated: April 14, 2021.

Christian Marsh,

Acting Assistant Secretary for Enforcement and Compliance.

Appendix

Scope of the Order

The scope of this order covers all forms and sizes of silicon metal, including silicon metal powder. Silicon metal contains at least 85.00 percent but less than 99.99 percent silicon, and less than 4.00 percent iron, by actual weight. Semiconductor grade silicon (merchandise containing at least 99.99 percent silicon by actual weight and classifiable under Harmonized Tariff Schedule of the United States (HTSUS) subheading 2804.61.0000) is excluded from the scope of this order.

Silicon metal is currently classifiable under subheadings 2804.69.1000 and 2804.69.5000 of the HTSUS. While the HTSUS numbers are provided for convenience and customs purposes, the written description of the scope remains dispositive.

SUPPLEMENTARY INFORMATION:

I. Abstract

The National Institute of Standards and Technology (NIST) is a unique federal campus which hosts daily a range of non-federal individuals. Non-federal individuals may include NIST Associates, volunteers, students, and visitors. In order to provide these individuals with proper health care and health documentation, NIST is pursuing approval of three health unit forms. The information is collected for the following purposes:

1. For medical treatment, testing, or recording of medical or safety equipment or incidents.

2. To refer information required by applicable law to be disclosed to a Federal, State, or local public health service agency, concerning individuals who have contracted certain communicable diseases or conditions. Such information is used to prevent further outbreak of the disease or condition.

3. To disclose information to the appropriate Federal, State, or local agencies responsible for investigation of an accident, disease, medical condition, or injury as required by pertinent legal authority.

4. To disclose to the Office of Workers’ Compensation Programs about a claim for benefits filed.

II. Method of Collection

Information will be collected in paper format, electronically via internal web applications, and through interviews.

III. Data

OMB Control Number: 0693–0080.

Form Number(s): None.

Type of Review: Extension of a current information collection.

Affected Public: Some associates, volunteers, and visitors to NIST.

Estimated Number of Respondents: 1,000.

Estimated Time per Response: 10 minutes.

Estimated Total Annual Burden Hours: 166.

Estimated Total Annual Cost to Public: \$0.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Office of National Marine Sanctuaries (ONMS) is requesting revision and extension of a currently approved information collection. This information collection is revised to include the collection instruments approved under OMB Control Number 0648–0777, after which that control number will be discontinued. The title of this collection is being changed to encompass both collections.

The evaluation of visitor demographics, experiences, and opinions about visitor centers and exhibits is needed to support the conservation, education, and management goals of ONMS to strengthen and improve the stewardship, sustainable use, and protection of natural, cultural, and historical resources. Under the jurisdiction of ONMS and to satisfy legal mandates, the National Oceanic and Atmospheric Administration (NOAA) is authorized to conduct evaluations, such as this information collection, under the American Innovation and Competitiveness Act (section 314(c)) to ensure education programs have measurable objectives and milestones as well as clear, documented metrics for evaluating its programs.

For example, the Mokupāpapa Discovery Center (Center) is an outreach arm of Papahānaumokuākea Marine National Monument that reaches more than 75,000 people each year in Hilo, Hawai'i. The Center was created almost two decades ago to help raise support for the creation of a national marine sanctuary in the Northwestern Hawaiian Islands. Since that time, the area has been proclaimed a marine national monument and the main messages we are trying to share with the public have changed to better reflect the new monument status, UNESCO World Heritage status, and the joint management by the three co-trustees of the monument.

ONMS recently updated its Strategic Plan and has identified a lack of information on the effectiveness of its education, outreach, and communications initiatives as they relate to sanctuary/monument visitor centers, exhibits (permanent or traveling/temporary), kiosks, and educational programming conducted by its visitor centers and partner facilities.

We therefore are seeking to determine if people visiting ONMS' visitor centers and exhibits are receiving our new messages by conducting an optional exit survey. ONMS is requesting to conduct a survey to evaluate patron acuity to determine successful concept attainment. Conducting thorough evaluations will aid in vital decisions regarding exhibit renovation, new exhibits, interpretation programs, and educational content.

II. Method of Collection

Information collection is voluntary via completion of an ONMS Visitor Center and Exhibit Survey provided at the ONMS and Partner Outreach Facilities.
