

to communicate meaningfully with recognized Federal Tribes on a government-to-government basis. In accordance with Secretarial Order 3206 of June 5, 1997 (American Indian Tribal Rights, Federal-Tribal Trust Responsibilities, and the Endangered Species Act), we readily acknowledge our responsibilities to work directly with tribes in developing programs for healthy ecosystems, to acknowledge that tribal lands are not subject to the same controls as Federal public lands, to remain sensitive to Indian culture, and to make information available to tribes. There are no tribes or tribal lands affected by this proposed rule.

Reclassifying the Virgin Islands Tree Boa From Endangered to Threatened With a Section 4(d) Rule; Reclassification of *Eugenia woodburyana* as Threatened and Section 4(d) Rule

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Reopening of comment periods; announcement of public hearing.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), are reopening the public comment periods on two proposed rules to allow all interested parties additional time to comment, and to conduct a public hearing. The two relevant proposed rules are our September 30, 2020, proposed rule to reclassify the endangered Virgin Islands tree boa (*Chilabothrus granti*) as a threatened species with a rule issued under section 4(d) of the Endangered Species Act of 1973 (Act), as amended; and our October 21, 2020, proposed rule to reclassify the endangered plant *Eugenia woodburyana* (no common name) as a threatened species with a rule issued under section 4(d) of the Act. Comments previously submitted need not be resubmitted and will be fully considered in preparation of the final rules.

DATES: *Written comments:* The comment periods for the proposed rules published on September 30, 2020, at 85 FR 61700, and October 21, 2020, at 85 FR 66906, are reopened. We will accept comments received or postmarked on or before May 26, 2021.

Public hearing: On May 12, 2021, we will hold a public hearing from 6 to 8 p.m., Atlantic Time, using the Zoom platform (for more information, see Public Hearing, below).

ADDRESSES: *Availability of documents:* You may obtain copies of the proposed rules and their associated documents on the internet at <http://www.regulations.gov> under the following docket numbers:

SUPPLEMENTARY INFORMATION:

Background

Virgin Islands Tree Boa

On September 30, 2020, we published in the **Federal Register** (85 FR 61700) a proposed rule to reclassify the Virgin Islands tree boa from endangered to threatened (*i.e.*, to “downlist” the species) under the Act (16 U.S.C. 1531 *et seq.*). The proposed rule opened a 60-day public comment period, ending November 30, 2020. During the comment period, we received a request for a public hearing. Therefore, we are announcing a public hearing to allow the public an additional opportunity to provide comments on the proposed rule.

For a description of previous Federal actions concerning the Virgin Islands tree boa and information on the types of comments that would be helpful to us in promulgating this rulemaking action, please refer to the September 30, 2020, proposed rule (85 FR 61700).

Eugenia woodburyana

On October 21, 2020, we published in the **Federal Register** (85 FR 66906) a proposed rule to downlist *Eugenia woodburyana* from endangered to threatened under the Act. The proposed rule opened a 60-day public comment period, ending December 21, 2020. During the comment period, we received a request for a public hearing. Therefore, we are announcing a public hearing to allow the public an additional opportunity to provide comments on this proposed rule.

For a description of previous Federal actions concerning *Eugenia woodburyana* and information on the types of comments that would be helpful to us in promulgating this rulemaking action, please refer to the October 21, 2020, proposed rule (85 FR 66906).

Public Hearing

We will hold one public hearing to accept comments on the two proposed rules on the date and at the time listed above under *Public hearing* in **DATES**. We are holding the public hearing via the Zoom online video platform and via teleconference so that participants can attend remotely. The use of a virtual public hearing is consistent with our regulations at 50 CFR 424.16(c)(3).

For security purposes, anyone intending to listen to and view the hearing via Zoom, listen to the hearing by telephone, or provide oral public comments at the hearing by Zoom or telephone must register in advance. For

information on how to register, or if you encounter problems joining Zoom on the day of the hearing, visit <https://www.fws.gov/southeast/caribbean>. Registrants will receive the Zoom link and the telephone number for the public hearing. Interested members of the public who are not familiar with the Zoom platform should view the Zoom video tutorials (<https://support.zoom.us/hc/en-us/articles/206618765-Zoom-video-tutorials>) prior to the public hearing.

The public hearing will provide interested parties an opportunity to present verbal testimony (formal, oral comments) regarding either, or both, of the proposed rules. The public hearing will not be an opportunity for dialogue with the Service, but rather a forum for accepting formal verbal testimony. In the event there is a large attendance, the time allotted for oral statements may be limited. Therefore, anyone wishing to make an oral statement at the public hearing for the record is encouraged to provide a prepared written copy of that statement to us through the Federal eRulemaking Portal, or U.S. mail (see **ADDRESSES**, above). There are no limits on the length of written comments submitted to us.

Reasonable Accommodation

The Service is committed to providing access to the public hearing for all participants. Closed captioning will be available during the public hearing. Participants will also have access to live audio during the public hearing via their telephone or computer speakers. Persons with disabilities requiring reasonable accommodations to participate in the hearing should contact the person listed under **FOR FURTHER INFORMATION CONTACT** at least 5 business days prior to the date of the hearing to help ensure availability. An accessible version of the Service’s presentation will also be posted online at <https://www.fws.gov/southeast/caribbean> prior to the hearing (see **DATES**, above). See <https://www.fws.gov/southeast/caribbean> for more information about reasonable accommodation. Finally, a full audio and video recording and transcript of the public hearing will be posted online at <https://www.fws.gov/southeast/caribbean> after the hearing.

Public Comments

If you submit information via <http://www.regulations.gov>, your entire submission—including any personal identifying information—will be posted on the website. If your submission is made via hard copy that includes personal identifying information, you may request at the top of your document

that we withhold this information from public review. However, we cannot guarantee that we will be able to do so. We will post all hardcopy submissions on <http://www.regulations.gov>. Comments and materials we receive, as well as supporting documentation we used in preparing each proposed rule, will be available for public inspection on <http://www.regulations.gov>.

Atlantic Highly Migratory Species; Federal Atlantic Tunas Regulations in Maine State Waters

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Proposed rule; request for comments.

SUMMARY: NMFS proposes adding Maine to the list of states for which NMFS has determined that Federal Atlantic tunas regulations are applicable within state waters. NMFS is proposing the addition after considering a request from the Maine Department of Marine Resources (MEDMR) and reviewing the state’s relevant laws and regulations. Most states and territories bordering the Atlantic and Gulf of Mexico are currently included in the list, with the exception of Maine, Connecticut, and Mississippi. This proposed addition of Maine to the list would make Federal Atlantic tunas regulations—including but not limited to open and closed seasons, retention limits, size limits,
