SUPPLEMENTARY INFORMATION:

The Convention and the Commission

The objective of the Convention is to ensure, through effective management, the long-term conservation and sustainable use of highly migratory fish stocks in the western and central Pacific Ocean in accordance with the United Nations Convention on the Law of the Sea of 10 December 1982 (UNCLOS) and the Agreement for the Implementation of the Provisions of the UNCLOS Relating to the Conservation and Management of Straddling Fish Stocks and Highly Migratory Fish Stocks. The Convention establishes the Commission, the Secretariat of which is based in Pohnpei, Federated States of Micronesia.

The Convention applies to all highly migratory fish stocks (defined as all fish stocks of the species listed in Annex I of the UNCLOS occurring in the Convention Area, and such other species of fish as the Commission may determine), except sauries.

The United States actively supported the negotiations and the development of the Convention and signed the Convention when it was opened for signature in 2000. It participated as a cooperating non-member of the Commission since it became operational in 2005. The United States became a Contracting Party to the Convention and a full member of the Commission when it ratified the Convention in January 2007. Under the Act, the United States is to be represented on the Commission by five U.S. Commissioners, appointed by the President.

Permanent Advisory Committee

The Act (16 U.S.C. 6902) provides (in section 6902(d)) that the Secretary of Commerce, in consultation with the U.S. Commissioners to the Commission, will appoint individuals as members of the advisory committee established under the Act, referred to here as the "Permanent Advisory Committee".

On January 4, 2021, NMFS published a notice in the **Federal Register** (86 FR 73) seeking nominations for the advisory committee established under the Act. Nominations had to be received by February 18, 2021. Although NMFS has received a number of nominations, NMFS on behalf of the Secretary of Commerce is reopening the nomination process in order to ensure an equitable balance among representatives of the

fisheries covered by the Convention, as specified in the Act.

The appointed members of the Permanent Advisory Committee are to include not less than 15 nor more than 20 individuals selected from the various groups concerned with the fisheries covered by the Convention, providing, to the extent practicable, an equitable balance among such groups. In addition to the 15-20 appointed members, the Permanent Advisory Committee includes the chair of the Western Pacific Fishery Management Council's Advisory Committee (or designee), and officials of the fisheries management authorities of American Samoa, Guam, and the Commonwealth of the Northern Mariana Islands (or their designees).

Members of the Permanent Advisory Committee will be invited to attend all non-executive meetings of the U.S. Commissioners to the Commission and at such meetings will be given opportunity to examine and be heard on all proposed programs of investigation, reports, recommendations, and regulations of the Commission.

Each appointed member of the Permanent Advisory Committee will serve for a term of 2 years and is eligible for reappointment. This request for nominations is for the term to begin on August 3, 2021, and is for a term of 2 consecutive years.

The Secretaries of Commerce and State will furnish the Permanent Advisory Committee with relevant information concerning fisheries and international fishery agreements.

NMFS, on behalf of the Secretary of Commerce, will provide to the Permanent Advisory Committee administrative and technical support services as are necessary for its effective functioning.

Appointed members of the Permanent Advisory Committee will serve without pay, but while away from their homes or regular places of business in the performance of services for the advisory committee will be allowed travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in the Government service are allowed expenses under 5 U.S.C. 5703. They will not be considered Federal employees while performing service as members of the advisory committee except for the purposes of injury compensation or tort claims liability as provided in 5 U.S.C. 18 and 28 U.S.C. 171.

Procedure for Submitting Nominations

Nominations for the Permanent Advisory Committee should be submitted to NMFS (see **ADDRESSES**). This request for nominations is for first-

time nominees as well as previous and current Permanent Advisory Committee members. Self nominations are acceptable. Nominations previously submitted in response to the notice published on January 4, 2021, should not be resubmitted. Nominations should include the following information: (1) Full name, address, telephone, and email address of nominee; (2) nominee's organization(s) or professional affiliation(s) serving as the basis for the nomination, if any; and (3) a background statement, not to exceed one page in length, describing the nominee's qualifications, experience and interests, specifically as related to the fisheries covered by the Convention.

DATES: The public hearings will be held via webinar on May 12 and 13, 2021.

ADDRESSES: *Council address:* South Atlantic Fishery Management Council, 4055 Faber Place Drive, Suite 201, N Charleston, SC 29405.

FOR FURTHER INFORMATION CONTACT: Kim Iverson, Public Information Officer, SAFMC; phone: (843) 571-4366 or toll free: (866) SAFMC-10; fax: (843) 769-4520; email: kim.iverson@safmc.net.

SUPPLEMENTARY INFORMATION: The scoping meetings will be conducted via

Registration information, a copy of the Public hearing summary and presentation, and an online public comment form will be posted on the Council's website at <https://safmc.net/safmc-meetings/public-hearings-scoping-meetings/> on April 28, 2021. The Council will accept public comment on Coral Amendment 10 from April 28, 2021 through 5 p.m. on May 14, 2021.

Amendment 10 to the Coral, Coral Reef and Live Hard Bottom Habitat FMP

The draft amendment currently addresses a request from the rock shrimp industry to create a Shrimp Fishery Access Area (SFAA) along the eastern boundary of the northern extension of the Oculina Bank Coral HAPC to allow rock shrimp trawling and access to historic rock shrimp fishing grounds. Vessels fishing for rock shrimp in the South Atlantic region are required to carry approved Vessel Monitoring Systems (VMS) to harvest or possess rock shrimp. Establishing a SFAA would allow access to the area at times where the species is found slightly west of the existing boundary while retaining the integrity of the eastern boundary of the Oculina Bank Coral HAPC, maintaining the prohibition on all other bottom tending gear.

During the public hearings, Council staff will present an overview of the amendment and will be available to answer questions. Members of the public will have an opportunity to go on record to record their comments for consideration by the Council.

Special Accommodations

These hearings are physically accessible to people with disabilities. Requests for auxiliary aids should be directed to the Council office (see **ADDRESSES**) 5 days prior to the meeting.
