DEPARTMENT OF COMMERCE

U.S. Census Bureau

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Manufacturers' Unfilled Orders Survey

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on February 17, 2021 during a 60-day comment period.

This notice allows for an additional 30 days for public comments.

Agency: U.S. Census Bureau.

Title: Manufacturers' Unfilled Orders Survey.

OMB Control Number: 0607-0561.

Form Number(s): MA-3000.

Type of Request: Regular submission, Request for an Extension, without Change, of a Currently Approved Collection.

Number of Respondents: 6,000.

Average Hours per Response: 30 minutes.

Burden Hours: 3,000.

Needs and Uses: The data collected in the Manufacturers' Unfilled Orders (M3UFO) Survey will be used to benchmark the new and unfilled orders information published in the monthly Manufacturers' Shipments, Inventories, and Orders (M3) Survey. The M3 Survey collects monthly data on the value of shipments, inventories, and new and unfilled orders from manufacturing companies. The orders, as well as the shipments and inventory data, are valuable tools for analysts of business cycle conditions. The data are used by the Bureau of Economic Analysis, the Council of Economic Advisers, the Federal Reserve Board, the Conference Board, as well as businesses, trade associations, and the media.

The monthly M3 Survey estimates are based on a panel of approximately 5,000 reporting units that represent approximately 3,100 companies and provide an indication of month-to-month change for the Manufacturing Sector. These reporting units may be divisions of diversified large companies, large homogenous companies, or single-unit manufacturers. The M3 estimates are periodically benchmarked to comprehensive data on the manufacturing sector from the Annual Survey of Manufactures (ASM), the Economic Census (shipments and inventories) and the M3UFO Survey, which is the subject of this notice. To obtain more accurate M3 estimates of unfilled orders, which are also used in deriving M3 estimates of new orders, we conduct the M3UFO Survey annually to be used as the source for benchmarking M3 unfilled orders data.

Additionally, the M3UFO data are used to determine which North American Industry Classification System (NAICS) industries continue to maintain unfilled orders; this is done in order to minimize burden on businesses by only requesting unfilled orders as part of the monthly M3 Survey for industries that still maintain unfilled orders.

Unfilled orders data are not currently collected in the ASM or the Economic

Census. Research is currently being conducted on the feasibility of adding M3UFO questions to the ASM for Survey Year 2021 at the establishment levels.

There are no changes to the MA-3000 form, which is used to conduct the M3UFO survey.

Affected Public: Business or other for-profit organizations.

Frequency: Annually.

Respondent's Obligation: Mandatory.

Legal Authority: Title 13 U.S.C., Sections 131 and 182.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Organic Soybean Meal From India: Initiation of Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable April 20, 2021.

FOR FURTHER INFORMATION CONTACT: Lauren Caserta at (202) 482-4737, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

The Petition

On March 31, 2021, the U.S. Department of Commerce (Commerce) received a countervailing duty (CVD) petition concerning imports of organic soybean meal from India, filed in proper

form on behalf of the Organic Soybean Processors of America and eight domestic processors of organic soybean meal.¹ On April 6, 2021, these companies filed an amendment to Volume I of the Petition and "a change of petitioner" status on behalf of the Organic Soybean Processors of America, stating that the petitioners now consisted of the Organic Soybean Processors of America and seven domestic processors (collectively, the petitioners).² The Petition was accompanied by the antidumping duty (AD) petition concerning organic soybean meal from India.³

On April 5 and 15, 2021, Commerce requested supplemental information pertaining to certain aspects of the Petition.⁴ The petitioners filed responses to these requests on April 7, 9, and 16, 2021.⁵

In accordance with section 702(b)(1) of the Tariff Act of 1930, as amended (the Act), the petitioners allege that the Government of India (GOI) is providing countervailable subsidies, within the meaning of sections 701 and 771(5) of the Act, to producers of organic soybean meal in India, and that imports of such products are materially injuring, or threatening material injury to, the domestic industry producing organic soybean meal in the United States. Consistent with section 702(b)(1) of the Act and 19 CFR 351.202(b), for those alleged programs on which we are initiating a CVD investigation, the Petition was accompanied by information reasonably available to the petitioners supporting their allegations.

Commerce finds that the petitioners filed the Petition on behalf of the

domestic industry, because the petitioners are interested parties, as defined in sections 771(9)(C) and (E)-(G) of the Act.⁶ Commerce also finds that the petitioners demonstrated sufficient industry support for the initiation of the requested CVD investigation.⁷

Period of Investigation

Because the Petition was filed on March 31, 2021, the period of investigation (POI) for this CVD investigation is January 1, 2020, through December 31, 2020, pursuant to 19 CFR 351.204(b)(2).

Scope of the Investigation

The product covered by this investigation is organic soybean meal from India. For a full description of the scope of this investigation, see the appendix to this notice.

Comments on Scope of the Investigation

On April 5 and 9, 2021, Commerce requested further information and clarification from the petitioners regarding the proposed scope to ensure that the scope language in the Petition is an accurate reflection of the products for which the domestic industry is seeking relief.⁸ On April 7, 2021, the petitioners revised the scope.⁹ The description of merchandise covered by this investigation, as described in the appendix to this notice, reflects these clarifications.

As discussed in the *Preamble* to Commerce's regulations, we are setting aside a period for interested parties to raise issues regarding product coverage (*i.e.*, scope).¹⁰ Commerce will consider all comments received from interested parties and, if necessary, will consult with interested parties prior to the issuance of the preliminary determination. If scope comments include factual information,¹¹ all such factual information should be limited to public information. To facilitate preparation of its questionnaires, Commerce requests that all interested parties submit scope comments by 5:00 p.m. Eastern Time (ET) on May 10, 2021, which is 20 calendar days from the signature date of this notice.
