## OFFICE OF MANAGEMENT AND BUDGET

### Methods and Leading Practices for Advancing Equity and Support for Underserved Communities Through Government

**AGENCY:** Office of Management and Budget, Executive Office of the President.

**ACTION:** Request for Information (RFI).

**SUMMARY:** Recent Executive Orders have charged the Office of Management and Budget (OMB), in partnership with the heads of agencies, to identify, by July 2021, effective methods for assessing whether agency policies and actions (e.g., programs, services, processes, and operations) equitably serve all eligible individuals and communities, particularly those that are currently and historically underserved. As part of this

effort, agencies are directed to consult with members of communities that have been historically underrepresented in the Federal Government and underserved by, or subject to discrimination in, Federal policies and programs, and to evaluate opportunities, as allowable, to increase coordination, communication, and engagement with community-based and civil rights organizations. Through this request for information (RFI), OMB seeks input, information, and recommendations from a broad array of stakeholders in the public, private, advocacy, not-for-profit, and philanthropic sectors, including State, local, Tribal, and territorial areas, on available methods, approaches, and tools that could assist in this effort. OMB will consider the usability, applicability, and rigor of submissions in response to this RFI as OMB gathers resources to support agencies as they conduct internal assessments on the state of equity in their policies, programs, services, processes, and operations. OMB will also use what it learns from responses to this RFI as OMB works to expand use of equity-assessment methods and approaches across the Federal Government, as agencies develop agency Equity Action Plans (due to the Domestic Policy Council by January 19, 2022) outlining steps they will take to address identified gaps in equity.

**DATES:** Responses to this RFI should be received by July 6, 2021.

**ADDRESSES:** You should submit comments via the Federal eRulemaking Portal at <https://www.regulations.gov/>. Follow the instructions for submitting comments. All public comments received are subject to the Freedom of Information Act and will be posted in their entirety at <https://www.regulations.gov/>, including any personal and/or business confidential information provided. Do not include any information you would not like to be made publicly available.

Written responses should not exceed 20 pages, inclusive of a 1-page cover page as described below. Attachments or linked resources or documents are not included in the 20-page limit. Please respond concisely, in plain language, and in narrative format. You may respond to some or all of the questions listed in the RFI. Please ensure it is clear which question you are responding to. You may also include links to online material or interactive presentations but please ensure all links are publicly available. Each response should include:

- The name of the individual(s) and/or organization responding.

- The Area section(s) (1, 2, 3, 4 and/or 5) that your submission and materials support.

- A brief description of the responding individual(s) or organization's mission and/or areas of expertise, including any public-private partnerships with Federal, State, tribal, territorial, or local governments within the past three years that are relevant to this RFI.

- A contact for questions or other follow-up on your response.

By responding to the RFI, each participant (individual, team, or legal entity) warrants that they are the sole author or owner of, or has the right to use, any copyrightable works that the Submission comprises, that the works are wholly original (or is an improved version of an existing work that the participant has sufficient rights to use and improve), and that the Submission does not infringe any copyright or any other rights of any third party of which participant is aware.

By responding to the RFI, each participant (individual, team, or legal entity) consents to the contents of their submission being made available to all Federal agencies and their employees on an internal-to-government website accessible only to agency staffpersons.

Participants will not be required to transfer their intellectual property rights to OMB, but Participants must grant to the Federal government a nonexclusive license to apply, share, and use the materials that are included in the Submission. To participate in the RFI, each participant must warrant that there are no legal obstacles to providing the above-referenced nonexclusive licenses of participant rights to the Federal government.

Interested parties who respond to this RFI may be contacted for a follow-on strategic agency assessment dialogue, discussion, event, crowdsourcing campaign, or competition.

**FOR FURTHER INFORMATION CONTACT:**

Issues regarding submission or questions on this RFI can be sent to Amira Boland at 202–395–5222 or to [equityRFI@omb.eop.gov](mailto:equityRFI@omb.eop.gov).
