The IHA authorizes the incidental take of marine mammals while prescribing the permissible methods of incidental take as well as mitigation and monitoring requirements, including those mandated by the biological opinion issued to complete the formal Endangered Species Act section 7 consultation process. A notice of issuance of the final IHA will be published in the **Federal Register**.

The USACE has decided to adopt BOEM's FEIS and issue a Department of the Army (DA) permit pursuant to section 404 of the CWA (33 U.S.C. 1344) and section 10 of the RHA (33 U.S.C. 403). The DA permit authorizes Vineyard Wind to discharge fill below the high tide line of waters of the United States and to perform work and place structures below the mean high-water mark of navigable waters of the United States. Activities under the DA permit are being authorized using a combination of alternatives C, D2, and E, as described in the Vineyard Wind FEIS. This alternative incorporates all practicable avoidance and minimization measures.

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 4) of the presiding administrative law judge (“ALJ”) granting an unopposed motion to amend the complaint and notice of investigation to substitute Johnson

Controls Inc. for respondent Johnson Controls International, PLC.

FOR FURTHER INFORMATION CONTACT: Houda Morad, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 708–4716. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: On April 2, 2021, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by EcoFactor, Inc. of Palo Alto, California (“Complainant”). See 86 FR 17402–03 (Apr. 2, 2021). The complaint, as amended and supplemented, alleges a violation of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain smart thermostat systems, smart HVAC systems, smart HVAC control systems, and components thereof by reason of infringement of certain claims of U.S. Patent Nos. 8,423,322; 8,019,567; 10,612,983; 8,596,550; and 8,886,488. See *id.* The notice of investigation names the following respondents: Ecobee Ltd. and Ecobee, Inc. of Toronto, Canada; Google LLC of Mountain View, California; Carrier Global Corporation of Palm Beach Gardens, Florida; Emerson Electric Co. of St. Louis, Missouri; Honeywell International Inc. of Charlotte, North Carolina; Resideo Technologies, Inc. of Austin, Texas; Johnson Controls International, PLC of Cork, Ireland; Siemens Industry, Inc. of Buffalo Grove, Illinois; and Siemens AG of Munich, Germany. See *id.* The Office of Unfair Import Investigations is not a party to the investigation. See *id.*

On April 12, 2021, the ALJ issued an ID terminating Emerson Electric Co.; Siemens Industry, Inc.; and Siemens AG from the investigation. See Order No. 3 (Apr. 12, 2021), *unreviewed by Comm’n* Notice (Apr. 29, 2021).

On April 19, 2021, Complainant filed an unopposed motion for leave to amend the complaint and notice of investigation to add proposed

respondent Johnson Controls Inc. (“Proposed Respondent”) and to terminate respondent Johnson Controls International, PLC (“Terminated Respondent”). No responses to the motion were filed.

On April 20, 2021, the ALJ issued the subject ID (Order No. 4) granting the motion. The ID finds that the motion complies with Commission Rule 210.14(b) (19 CFR 210.14(b)) and that good cause exists to amend the complaint and notice of investigation. See ID at 3. In particular, Complainant learned that the Terminated Respondent does not import, sell for importation, or sell after importation any of the products at issue in the complaint. See *id.* at 2. In addition, the Proposed Respondent was identified as the appropriate entity. See *id.* The ID also finds that “no prejudice to the public interest or to the rights of the parties to the investigation will result from granting the motion.” See *id.* at 3. No petition for review of the subject ID was filed.

The Commission has determined not to review the subject ID. Respondent Johnson Controls International, PLC is terminated from the investigation. Johnson Controls Inc. is named as a respondent in this investigation.

The Commission’s vote for this determination took place on May 11, 2021.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: May 11, 2021.

Lisa Barton,

Secretary to the Commission.
