

the national security of the United States. This need cannot be addressed by NIST's current activities because NIST does not possess the facilities to perform underwater acoustic measurements. The need for a DI was reviewed and approved by the NMSC and NIST's Associate Director for Laboratory Programs. Based on the foregoing, NIST designated the NUWC Division Newport as the U.S. Designated Institute for Underwater Acoustics Measurements to effectively and efficiently fulfill the need in the United States for underwater acoustic measurements to meet the needs of the national security of the United States.

Authority: 15 U.S.C. 272(b) & (c).

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance
