

Session 9—2:30 p.m. to 5:00 p.m. MT

- *Advisory Board Discussion and Finalize Recommendations (Board Vote)*

Adjournment

Advisory Board meetings are open to the public in their entirety and will be live streamed at www.blm.gov/live and through the Zoom Webinar Platform.

The BLM will post the final agenda 2 weeks prior to the meeting online at www.blm.gov/programs/wild-horse-and-burro/get-involved/advisory-board. The public will have an opportunity to provide verbal comments to the Board during the designated times.

Beyond live captioning, any person(s) with special needs, such as an auxiliary aid, interpreting service, assistive listening device, or materials in an alternate format, must notify Ms. Boothe two weeks before the scheduled meeting date. It is important to adhere to the two-week notice to allow enough time to arrange for the auxiliary aid or special service. Live captioning will be available throughout the event on both the Zoom Webinar Platform and the livestream page at www.blm.gov/live.

Public Comment Procedures

The BLM welcomes comments from all interested parties. Members of the public will have three opportunities to make statements (audio only) to the Board regarding the Wild Horse and Burro Program on both Wednesday, June 30, from 12:45 p.m. to 2:45 p.m. MT; and on Thursday, July 1, from 10:30 a.m. to 11:30 a.m. MT, and from 1:30 p.m. to 2:30 p.m. MT. To accommodate all individuals interested in providing comments, please register with BLM three days in advance of the meeting. Individuals that have not registered in advance but would like to offer comments will be permitted if time allows. Information on how to register, login, and participate in the virtual meeting will be announced at least 15 days in advance of the meeting on the BLM website at www.blm.gov. Participants using desktops, laptops, smartphones, and other personal digital devices will be able to participate via audio only. Those with phone only access will also be able to participate via a provided phone number and meeting ID. The Advisory Board may limit the length of comments, depending on the number of participants who register in advance. Written comments emailed three days prior to the meeting will be provided to the Advisory Board for consideration during the meeting. Please see the **ADDRESSES** section for the BLM email address and include "Advisory Board Comment" in the

subject line of your email. The BLM will record the entire meeting, including the allotted comment time. Comments should be specific and explain the reason for the recommendation(s). Comments supported by quantitative information or studies, or those that include citations and analysis of applicable laws and regulations, are most beneficial and more useful, and likely to assist the decision-making process for the management and protection of wild horses and burros.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, the BLM cannot guarantee that it will be able to do so.
