Amended Final Determination and Antidumping Duty Order

Because there is now a final court judgment, Commerce is amending its

Amended Final Determination and Order with respect to Habas, Icdas, and all other producers/exporters as follows:

Producer/exporter	Weighted- average dumping margin (percent)	Cash deposit rate (adjusted for export subsidies)
Habas Sinai ve Tibbi Gazlar Istihsal Endustrisi A.S ¹¹ Icdas Celik Enerji Tersane ve Ulasim Sanayi A.S All Others	0.00 4.44 4.44	0.00 0.65 0.65

Notice of Revocation of Antidumping Duty Order, in Part

Pursuant to section 735(a)(4) of the Act, Commerce "shall disregard any weighted average dumping margin that is de minimis as defined in section 733(b)(3) of the Act." 12 As a result of this amended final determination, Commerce is hereby excluding from this Order merchandise produced and exported by Habas, for which Commerce has calculated an estimated weightedaverage dumping margin of 0.00 percent.¹³ This exclusion will not be applicable to merchandise exported to the United States by Habas in any other producer/exporter combination or by third parties that sourced subject merchandise from the excluded producer/exporter combination.¹⁴ As a result of the exclusion. Commerce will not initiate any new administrative reviews of the AD order with respect to merchandise produced and exported by Habas. However, a review may be conducted with regard to merchandise produced by Habas and exported by another company or produced by any other company and exported by Habas, as such merchandise is not subject to exclusion.

Cash Deposit Requirements for Icdas and All Other Producers/Exporters

Because Icdas and all other producers/exporters do not have superseding cash deposit rates, *i.e.*, there have been no final results published in subsequent administrative reviews for Icdas and all other producers/exporters, Commerce will issue revised cash deposit instructions to U.S. Customs and Border Protection (CBP).

Liquidation of Suspended Entries

As a result of this Amended Final Determination and Order, in which Commerce calculated a revised weighted-average dumping margin of 0.00 percent for Habas, Commerce is hereby excluding merchandise produced and exported by Habas from the AD order. Accordingly, for entries of merchandise produced and exported by Habas that were entered, or withdrawn from warehouse for consumption, prior to May 30, 2021, Commerce will direct CBP to liquidate such entries without regard to antidumping duties.

For entries of merchandise produced and exported by Habas that were entered, or withdrawn from warehouse for consumption, on or after May 30, 2021, Commerce will direct CBP to continue the suspension of liquidation at a cash deposit rate of 0.00 percent. Pursuant to *Timken*, 15 as clarified by Diamond Sawblades, 16 under sections 516A(c) and (e) of the Act, Commerce must suspend liquidation of such entries pending a "conclusive" court decision. If the CIT's ruling is not appealed, or if appealed and upheld, Commerce will instruct CBP to terminate the suspension of liquidation and to liquidate entries produced and exported by Habas, and entered on or after May 30, 2021, without regard to antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested.
