(7) To allow time for respondents to revise their reporting systems, the revised form and instructions are scheduled to become effective for reports as of November 2022. (8) Until the revised form becomes effective in 2022, the currently-approved Form SLT and instructions will continue to be in effect. (9) The name of the revised Form SLT on the cover page and elsewhere is expanded to “Aggregate Holdings, Purchases and Sales, and Fair Value Changes of Long-Term Securities by U.S. and Foreign Residents.” Added on the cover page under the name, is the phrase “Effective for reports beginning as of November 2022”. (10) After the revised Form SLT becomes effective in November 2022, there will be a duplication of the Purchase and Sales data with the Form S for roughly three months. This period of overlap for comparison of the two sources of data will allow the agencies to make any necessary adjustments to the revised Form SLT and/or instructions. After the overlap period ends, and if the purchases and sales data from the revised Form SLT are acceptable, then the Form S will be discontinued. (11) Some other clarifications and format changes may be made to improve the instructions.
