With respect to the FCC Form 498, USAC shall publish each participant's name, SPIN, and contact information via USAC's website. All other information, including financial institution account numbers or routing information, shall remain confidential.

Needs and Uses: One of the functions of the Universal Service Administrative Company (USAC) is to provide a means for the billing, collection and disbursement of funds for the universal service support mechanisms. On October 1998, the OMB approved FCC Form 498, the "Service Provider Information Form" to enable USAC to collect service provider name and address, telephone number, Federal Employer Identification Number (EIN), contact names, contact telephone numbers, and remittance information. FCC Form 498 enables participants to request a Service Provider Identification Number (SPIN) and provides the official record for participation in the universal service support mechanisms. The remittance information provided by participants on FCC Form 498 enables USAC to make payments to participants in the universal service support mechanisms.

Pursuant to 47 CFR 54.202, 54.301, 54.303, 54.307, 54.309, 54.311, 54.504, 54.407, 54.422, 54.514, 54.515, 54.679, 54.702, 54.802, and 54.902, USAC collects service provider name, phone numbers, other contact information, and remittance information for all four of the universal service support mechanisms—Schools and Libraries, Rural Health Care, High-Cost and Low-Income (commonly referred to as Lifeline). On July 23, 2014, the Commission released an Order and FNPRM (WC Docket No. 13–184, FCC 14–99; 79 FR 49160, August 19, 2014) (*E-rate Modernization Order*) modernizing the E-rate program. Specifically, the *E-rate Modernization Order* revised the Commission rules to allow an applicant that pays the full cost of the Schools and Libraries (E-rate) supported services to a service provider to receive direct reimbursement from USAC.

The Digital Accountability and Transparency Act (DATA Act) directs Federal agencies to report financial obligations and standardize the information that recipients of federal funds report to government agencies. To comply with the DATA Act, the DATA Act Business Type is reported on FCC Form 498. When completing or updating this form, service providers and billed entities are required to select up to three business types that best describes the organization.
