### Appendix—Scope of the Orders

The products covered by these orders are prestressed concrete steel wire strand (PC strand), produced from wire of non-stainless, non-galvanized steel, which is suitable for use in prestressed concrete (both pretensioned and post-tensioned) applications. The product definition encompasses covered and uncovered strand and all types, grades, and diameters of PC strand. PC strand is normally sold in the United States in sizes ranging from 0.25 inches to 0.70 inches in diameter. PC strand

made from galvanized wire is only excluded from the scope if the zinc and/or zinc oxide coating meets or exceeds the 0.40 oz./ft<sup>2</sup> standard set forth in ASTM-A-475.

The PC strand subject to these orders are currently classifiable under subheadings 7312.10.3010 and 7312.10.3012 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of these orders is dispositive.

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) preliminarily finds that

sales of certain uncoated paper (uncoated paper) from Brazil were made at less than normal value during the period of review (POR) March 1, 2019, through February 29, 2020. We invite interested parties to comment on these preliminary results.

**DATES:** Applicable June 4, 2021.

#### SUPPLEMENTARY INFORMATION:

##### Background

On May 6, 2020, Commerce initiated an administrative review of the antidumping duty order on uncoated paper from Brazil, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).<sup>1</sup> This review covers one producer/exporter of subject

<sup>1</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 85 FR 26931 (May 6, 2020) (*Initiation Notice*).

merchandise: Suzano S.A. (Suzano).<sup>2</sup> For details regarding of the events that occurred subsequent to the initiation of this review, see the Preliminary Decision Memorandum.<sup>3</sup>

On July 21, 2020, Commerce exercised its discretion to toll administrative review deadlines by 60 days.<sup>4</sup> In addition, pursuant to section 751(a)(3)(A) of the Act, Commerce determined it was not practicable to complete the preliminary results of this review within the 245 days and extended the deadline for these preliminary results until May 28, 2021.<sup>5</sup>

#### Scope of the Order<sup>6</sup>

The products covered by the *Order* are certain uncoated paper products from Brazil. For a full description of the scope, see the Preliminary Decision Memorandum.<sup>7</sup>

#### Preliminary Results of Successor-in-Interest Analysis

Suzano reported that, during the POR, it changed its name from Suzano Papel e Celulose S.A. to Suzano S.A. Based on our analysis of the information on the record regarding any changes with respect to corporate structure, manufacturing facilities, customers, and suppliers, we preliminarily determine that Suzano S.A. is the successor-in-interest to Suzano Papel e Celulose S.A., and, as a result, should be accorded the same treatment previously accorded to Suzano Papel e Celulose S.A. See the Preliminary Decision Memorandum.

<sup>2</sup> On August 17, 2020, we rescinded this review with respect to: International Paper do Brasil Ltda. and International Paper Exportadora Ltda. See *Certain Uncoated Paper from Brazil: Partial Rescission of Antidumping Duty Administrative Review; 2019–2020*, 85 FR 50008 (August 17, 2020).

<sup>3</sup> See Memorandum, “Decision Memorandum for the Preliminary Results of the Antidumping Duty Administrative Review of Certain Uncoated Paper from Brazil; 2018–2019,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

<sup>4</sup> See Memorandum, “Tolling of Deadlines for Antidumping and Countervailing Duty Administrative Reviews,” dated July 21, 2020.

<sup>5</sup> See Memorandum, “Certain Uncoated Paper from Brazil: Extension of Deadline for Preliminary Results of 2019–2020 Antidumping Duty Administrative Review,” dated January 8, 2021.

<sup>6</sup> See *Certain Uncoated Paper from Australia, Brazil, Indonesia, the People’s Republic of China, and Portugal: Amended Final Affirmative Antidumping Determinations for Brazil and Indonesia and Antidumping Duty Orders*, 81 FR 11174 (March 3, 2016) (*Order*).

<sup>7</sup> On January 27, 2021, Commerce preliminarily found that rolls of certain uncoated paper from Brazil were being further processed in the United States into individual sheets of uncoated paper that would be subject to the *Order*. Commerce intends to make a final finding as to whether these uncoated paper rolls are within the scope of this proceeding prior to the issuance of the final results of this administrative review. For further details, see the Preliminary Decision Memorandum.

#### Methodology

Commerce is conducting this review in accordance with sections 751(a) of the Act. We calculated export price and constructed export price in accordance with section 772 of the Act. We calculated NV in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum is available at <http://enforcement.trade.gov/frn>.

#### Preliminary Results of the Review

We preliminarily determine the following weighted-average dumping margin exists for the period March 1, 2019, through February 29, 2020:

Exporter/producer	Weighted-average dumping margin (percent)
Suzano S.A .....	19.40

#### Assessment Rates

Upon completion of the final results of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. If Suzano’s weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer’s examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If Suzano’s weighted-average dumping margin is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be

the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.<sup>8</sup>

In accordance with Commerce’s “automatic assessment” practice, for entries of subject merchandise during the POR produced by Suzano for which the company did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate established in the original less-than-fair value (LTFV) investigation (*i.e.*, 27.11 percent)<sup>9</sup> if there is no rate for the intermediate company(ies) involved in the transaction.<sup>10</sup>

Consistent with its recent notice,<sup>11</sup> Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Suzano in the final results of review will be equal to the weighted-average dumping margin established in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for merchandise exported by producers or exporters not covered in this review, but covered in a prior segment of the proceeding, then the cash deposit rate will be the company-specific rate published for the most recently-completed segment in which they were reviewed; (3) if the exporter is not a firm covered in this review or the original

<sup>8</sup> See section 751(a)(2)(C) of the Act.

<sup>9</sup> See *Order*.

<sup>10</sup> For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

<sup>11</sup> See *Notice of Discontinuation of Policy to Issue Liquidation Instructions After 15 Days in Applicable Antidumping and Countervailing Duty Administrative Proceedings*, 86 FR 884 (January 15, 2021).

LTFV investigation but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 27.11 percent,<sup>12</sup> the all-others rate established in the LTFV investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Disclosure and Public Comment

We intend to disclose the calculations performed to parties within five days after public announcement of the preliminary results.<sup>13</sup> Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than seven days after the date for filing case briefs.<sup>14</sup> Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>15</sup> Case and rebuttal briefs should be filed using ACCESS<sup>16</sup> and must be served on interested parties.<sup>17</sup> Executive summaries should be limited to five pages total, including footnotes. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.<sup>18</sup>

Interested parties who wish to request a hearing must do so within 30 days of publication of these preliminary results by submitting a written request to the Assistant Secretary for Enforcement and Compliance using Enforcement and Compliance's ACCESS system.<sup>19</sup> Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs.<sup>20</sup> If a request for a hearing is made, Commerce intends to

hold the hearing at a time and date to be determined. Parties should confirm the date and time of the hearing two days before the scheduled date. Parties are reminded that all briefs and hearing requests must be filed electronically using ACCESS and received successfully in their entirety by 5:00 p.m. Eastern Time on the due date.

### Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

### Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

Dated: May 28, 2021.
