#### SUPPLEMENTARY INFORMATION:

##### Background

On April 19, 2021, the Department of Commerce (Commerce) initiated a countervailing duty (CVD) investigation of imports of certain walk-behind snow throwers and parts thereof (snow throwers) from the People's Republic of China (China).<sup>1</sup> Currently, the

preliminary determination is due no later than June 23, 2021.

#### Postponement of Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a countervailing duty investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if: (A) The petitioner<sup>2</sup> makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On May 28, 2021, the petitioner submitted a timely request that Commerce postpone the preliminary CVD determination.<sup>3</sup> The petitioner stated that it requests postponement “{t}o permit a thorough investigation and the calculation of the most accurate countervailing rates.”<sup>4</sup>

#### Circular Welded Carbon Steel Pipes and Tubes From Thailand: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2019–2020

**AGENCY:** Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) preliminarily finds that Saha Thai Steel Pipe Public Co., Ltd. (Saha Thai), and 26 non-examined companies, made sales of subject merchandise at less than normal value during the period of review (POR) March 1, 2019, through February 29, 2020. We further preliminarily determine that Blue Pipe Steel Center (Blue Pipe) and K Line Logistics (Thailand) Ltd. (K-Line) had no shipments during the POR. We invite interested parties to comment on these preliminary results.

**DATES:** Applicable June 8, 2021.

**FOR FURTHER INFORMATION CONTACT:** William Langley or Thomas Schauer, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3861 or (202) 482-0410, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

In accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act), Commerce is conducting an administrative review of the antidumping duty order on circular welded carbon steel pipes and tubes (pipes and tubes) from Thailand. On May 6, 2020, in accordance with 19 CFR 251.221(c)(1)(i), we initiated the administrative review of the order<sup>1</sup> on

<sup>1</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 88 FR 26931 (May 6, 2020).

29 companies, including Blue Pipe, K-Line, and Saha Thai, which were selected for individual examination.<sup>2</sup>

On April 24, 2020, Commerce exercised its discretion to toll all deadlines in administrative reviews by 50 days.<sup>3</sup> On July 21, 2020, Commerce tolled all deadlines in preliminary and final results of administrative reviews by an additional 60 days.<sup>4</sup> On October 3, 2020, Commerce further extended the deadline for the preliminary results of this administrative review by 120 days, until June 1, 2021.<sup>5</sup> For a complete description of the events between the initiation of this review and these preliminary results, see the Preliminary Decision Memorandum.<sup>6</sup>

**Scope of the Order**

The products covered by the antidumping order are pipes and tubes from Thailand. For a full description of the scope of this order, see the Preliminary Decision Memorandum.<sup>7</sup>

**Methodology**

Commerce conducted this review in accordance with section 751(a)(2) of the Act. Export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum. A list of topics discussed in the Preliminary Decision Memorandum is attached in the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). **Preliminary Determination of No Shipments**

Commerce selected Blue Pipe as a mandatory respondent because it and Saha Thai accounted for the largest volume of subject merchandise during the POR. Blue Pipe reported that its supplier, Saha Thai, had knowledge of the final destination of the subject merchandise that they produced and sold to Blue Pipe, and which Blue Pipe resold to U.S. customers during the POR, which Saha Thai confirmed in its responses.<sup>8</sup> Blue Pipe and Saha Thai provided sales documentation as evidence in support of their claim.<sup>9</sup> Because the evidence on the record demonstrates that Saha Thai had knowledge that the final destination of the subject merchandise was to customers in the United States, we preliminarily determine that Blue Pipe had no shipments of subject merchandise during the POR. We intend to instruct CBP at the final results to liquidate any existing entries of merchandise produced by Saha Thai and entered into the United States as having been exported by Blue Pipe at the rate applicable to Saha Thai.<sup>10</sup>

Based on an analysis of U.S. Customs and Border Protection (CBP) information, and comments provided by interested parties regarding the CBP data, Commerce preliminarily determines that K-Line had no shipments during the POR. For additional information regarding this determination, see the Preliminary Decision Memorandum.

**Preliminary Results of Review**

**Rate for Non-Examined Companies**

The statute and Commerce's regulations do not address the establishment of a weighted-average dumping margin to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a less-than-fair-value investigation, for guidance when calculating the weighted-average dumping margin for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding rates that are zero, *de minimis* (i.e., less than 0.5 percent) or determined entirely on the basis of facts available.

Consistent with section 735(c)(5)(A) of the Act, we determined the weighted-average dumping margin for each of the non-selected companies by using the weighted-average dumping margin calculated for Saha Thai in this administrative review.

#### Assessment Rates

Upon completion of this administrative review, Commerce shall determine and CBP shall assess antidumping duties on all appropriate entries. If an examined respondent's weighted-average dumping margin is not zero or *de minimis* in the final results of this review, we will calculate importer-specific *ad valorem* assessment rates on the basis of the ratio of the total amount of dumping calculated for an importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1). For non-examined respondents, Commerce shall direct CBP to assess antidumping duties at an *ad valorem* rate equal to the company-specific weighted-average dumping margin determined in the final results of this review. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c), or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce clarified its "automatic assessment" regulation on May 6, 2003.<sup>11</sup> This clarification applies to entries of subject merchandise during the POR produced by Saha Thai for which it did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Requirements

The following cash deposit requirements will be effective for all

shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies under review will be equal to the weighted-average dumping margin established in the final results of this review (except, if that rate is *de minimis*, then the cash deposit rate will be zero); (2) for previously reviewed or investigated companies not listed in the final results of this review, including those for which Commerce may determine had no shipments during the POR, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review or another completed segment of this proceeding, but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) if neither the exporter nor the producer is a firm covered in this or any previously completed segment of this proceeding, then the cash deposit rate will be the all-others rate of 15.67 percent that was established in the less-than-fair-value investigation.<sup>12</sup> These deposit requirements, when imposed, shall remain in effect until further notice.

#### Disclosure and Public Comment

We intend to disclose the calculations performed to parties in this proceeding within five days after public announcement of the preliminary results in accordance with 19 CFR 351.224(b). Interested parties may submit case briefs not later than the date which Commerce will announce subsequent to this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than seven days after the date for filing case briefs.<sup>13</sup> Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>14</sup> Case and rebuttal briefs should be filed using

ACCESS<sup>15</sup> and must be served on interested parties.<sup>16</sup> Executive summaries should be limited to five pages total, including footnotes.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via Commerce's electronic records system, ACCESS. Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised by each party in their respective case brief.

Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.<sup>17</sup> An electronically filed document must be received successfully in its entirety in ACCESS by 5 p.m. Eastern Time within 30 days after the date of publication of this notice.

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless extended, pursuant to section 751(a)(3)(A) of the Act.

#### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h) and 351.221(b)(4).

##### I. Abstract

Title III of the Export Trading Company Act (hereinafter "the Act") of 1982 (Pub. L. 97-290, 15 U.S.C. 4001 *et seq.*), authorizes the Secretary of Commerce to issue, with the concurrence of the Attorney General, an Export Trade Certificate of Review to any person that establishes that its proposed export trade, export trade activities, and methods of operation meet the four standards found in Section 303(a) of the Act, 15 U.S.C. 4001 *et seq.* An Export Trade Certificate of Review provides the certificate holder and its members with limited antitrust immunity for specified export-related activities. Application for an Export Trade Certificate of Review is voluntary. The information to be collected is found at 15 CFR part 325.3—Export Trade Certificates of Review. The collection of information is necessary for both the Departments of Commerce and Justice to conduct an analysis, in order to determine whether the applicant and its members are eligible to receive the protection of an Export Trade Certificate of Review and whether the applicant's proposed export-related conduct meets the standards in Section 303(a) of the Act. The collection of information constitutes the essential basis of the statutory determinations to be made by the Secretary of Commerce and the Attorney General.

The Department of Commerce conducts its economic and legal analysis of the information supplied by applicants through the Office of Trade and Economic Analysis and the Office of the General Counsel. In the Department of Justice, analysis is conducted by the Antitrust Division.

Title III was enacted to reduce uncertainty regarding the application of U.S. antitrust laws to export activities. An Export Trade Certificate of Review provides its holder and members named in the Certificate with (a) protection from government actions under state and federal antitrust laws for the export conduct specified in the Certificate, and (b) certain protection from private suits, by limiting liability in private actions to actual damages when the challenged activities are covered by an Export Trade Certificate of Review.
