#### Agenda

The COAC will hear from the current subcommittees on the topics listed below and then will review, deliberate, provide observations, and formulate recommendations on how to proceed:

1. The Secure Trade Lanes Subcommittee will present the following updates: The Trusted Trader Working Group will provide an update on the progress of the White Paper on the Implementation of CTPAT Trade Compliance Requirements for Forced Labor; the In-Bond Working Group will provide an update on the progress with the technical enhancements being addressed through the Trade Support Network and the review of regulatory recommendations incorporated within the COAC In-Bond Modernization White Paper to create future efficiency and process development; the Export Modernization Working Group will present their White Paper on Export Operations for the 21st Century along with proposed recommendations; and, the Remote and Autonomous Cargo Processing Working Group will provide an update on the development of a draft White Paper identifying the potential impact of Remote and Autonomous Vehicles to CBP Cargo Processing Operations.

2. The Next Generation Facilitation Subcommittee will provide an update on the following working groups and task force activities: First, the Re-

Imagined Entry Processes (RIEP) Working Group has begun a series of deep-dive sessions to review the entire entry process and examine when entry data becomes available. The intent of these sessions is to determine the points along the supply-chain where the data is first available in order to enhance the facilitation and security of the entry process and may provide some strategic recommendations in this area. Next, the One U.S. Government Working Group will provide an update on the following key project: The automation of electronic documents that are currently required at time of entry and the Partner Government Agency Disclaim Handbook. Finally, CBP will provide an update on the progress of the E-Commerce and 21st Century Customs Framework Task Forces.

3. The Intelligent Enforcement Subcommittee will provide a status update on the following: The Bond Working Group will report on the continued work with CBP on the Monetary Guidelines of Setting Bond Amounts, the status of the risk-based bonding initiative, and recommendations on the eBond Pilot; the Antidumping/Countervailing Duty (AD/CVD) Working Group will discuss the ongoing challenges associated with the growing number of AD/CVD cases; the Intellectual Property Rights (IPR) Process Modernization Working Group will provide updates on past recommendations to further the modernization of IPR processes; and, the Forced Labor Working Group will provide an update related to the progress of the three subgroups outlined in the Statement of Work: Informed Compliance Fact Sheet Subgroup, Emerging Traceability Subgroup, and Forced Labor Report and Metrics Subgroup.

4. The Rapid Response Subcommittee will provide an update on the progress of its two working groups. First, the USMCA Working Group has identified specific topics for review with the USMCA Center as the anticipated publication of the new regulations approaches. The topics for discussion include export guidance, e-signatures, and the marking rules in part 102 of title 19 of the Code of Federal Regulations (19 CFR part 102). Second, the Broker Exam Modernization Working Group will provide an update on recent exam modernization activities.

Meeting materials will be available by June 21, 2021, at: <http://www.cbp.gov/trade/stakeholder-engagement/coac/coac-public-meetings>.

Dated: June 3, 2021.

## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR 5928–N–03]

### Notice of Continuation of Demonstration To Test Proposed New Method of Assessing the Physical Conditions of Voucher-Assisted Housing

**AGENCY:** Office of the Assistant Secretary for Public and Indian Housing, Department of Housing and Urban Development (HUD).

**ACTION:** Demonstration continuation.

**SUMMARY:** Through this notice, HUD announces the continuation of HUD’s demonstration to test the new method of assessing the physical condition of housing assisted by HUD vouchers (voucher-assisted housing) through October 1, 2022 and renews its call for additional Public Housing Authority (PHA) volunteers (eligible PHAs administering the Housing Choice Voucher (HCV) program). This continuation supports HUD’s ability to align the HCV program with the National Standards for the Physical Inspection of Real Estate (NSPIRE) physical inspection model and to assess the HCV program’s inspection protocol against this model. In addition, this notice updates the relevant participation provisions and selection criteria.

**DATES:** *Applicable date* July 4, 2021.

**SUPPLEMENTARY INFORMATION:** In accordance with the Paperwork Reduction Act of 1995, (PRA, 44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), all information collections require approval under the PRA. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.

As part of our continuing effort to reduce paperwork and respondent burdens, we invite the public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are especially interested in public comment addressing the following:

(1) Is Whether or not the collection of information is necessary for the proper performance of the functions of the NPS, including whether or not the information will have practical utility.

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used.

(3) Ways to enhance the quality, utility, and clarity of the information to be collected.

(4) How might the NPS minimize the burden of this collection on the respondents, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
