SUPPLEMENTARY INFORMATION:

I. Background

The DTRA is a combat support agency and a defense agency with a mission to counter the threats posed by weapons of mass destruction, including chemical, biological, radiological, nuclear, and high-yield explosives; counter the threats posed by the growing and evolving categories of improvised threats, including improvised explosive devices, car bombs and weaponized

consumer drones, as well as the tactics, technologies and networks that put them on the battlefield; and to ensure that the U.S. military maintains a safe, secure, effective and credible nuclear weapons deterrent.

II. Discussion

Pursuant to Section 2.106 of title 10 of the *Code of Federal Regulations* (10 CFR), the NRC is providing notice of the issuance of new license SNM-7005 to DTRA, which authorizes DTRA to possess and use SNM for education, research, and training programs at its location in Ft. Belvoir, Virginia. The original application for a license was submitted on August 21, 2020 (ADAMS Accession No. ML20254A189). DTRA subsequently supplemented and revised its application in response to a request for additional information (ADAMS Accession No. ML21057A037) on February 26, 2021. Because the licensed material will be used for research and development purposes, issuance of License SNM-7005 is an action that is categorically excluded from a requirement to prepare an environmental assessment or environmental impact statement, pursuant to 10 CFR 51.22(c)(14)(v).

The NRC previously published notice of DTRA’s request for a materials license with a notice of opportunity to request a hearing in the **Federal Register** on October 28, 2020 (85 FR 68374). The

NRC did not receive a request for a hearing or for a petition for leave to intervene. This license complies with the standards and requirements of the Atomic Energy Act of 1954, as amended, and the NRC’s rules and regulations as set forth in 10 CFR Chapter 1.

Accordingly, this license was issued on May 20, 2021, and was effective immediately.

The NRC prepared a safety evaluation report for the issuance of License SNM-7005 and concluded that the licensee can operate the facility without endangering the health and safety of the public.

III. Availability of Documents

In accordance with 10 CFR 2.390 of the NRC’s “Rules of Practice,” the details with respect to this action, including the safety evaluation report and accompanying documentation and license, are available electronically at the NRC’s Electronic Reading Room at <https://www.nrc.gov/reading-rm/adams.html>. From this site, you can access ADAMS, which provides text and image files of the NRC’s public documents. [Release No. 34-92098; File No. SR-FINRA-2021-013]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Supplemental Inventory Schedule Pursuant to FINRA Rule 4524 (Supplemental FOCUS Information)

June 3, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 26,

2021, the Financial Industry Regulatory Authority, Inc. (“FINRA”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a “non-controversial” rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to amend the Supplemental Inventory Schedule ("SIS") pursuant to FINRA Rule 4524 (Supplemental FOCUS Information) so that members that are filers of FOCUS Report Part II will not be required to file the SIS. The proposed rule change does not make any other change to the SIS or the instructions thereto.

The text of the proposed rule change is available on FINRA's website at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

FINRA Rule 4524 provides in part that, as a supplement to filing FOCUS Reports required pursuant to SEA Rule 17a-5⁴ and FINRA Rule 2010, each member, as FINRA shall designate, shall file such additional financial or operational schedules or reports as FINRA may deem necessary or appropriate for the protection of investors or in the public interest. In general, members with a FOCUS filing requirement must either file a FOCUS Report Part II if they clear transactions or carry customer accounts⁵ or file a

⁴ 17 CFR 240.17a-5 (hereinafter cited as SEA "Rule 17a-5"). SEA Rule 17a-5 governs financial and operational reporting by brokers and dealers. Members are required to file with FINRA, through the eFOCUS System, reports concerning their financial and operational status using SEC Form X-17A-5 (the "FOCUS Report"). See, e.g., Information Notice, November 23, 2020 (2021 and First Quarter of 2022 Report Filing Due Dates); Regulatory Notice 18-38 (November 2018) (Amendments to the SEC's Financial Reporting Requirements—eFOCUS System Updates and Annual Audit Requirements). "FOCUS" stands for Financial and Operational Combined Uniform Single.

⁵ Currently, members that calculate net capital using Appendix E to SEA Rule 15c3-1 file FOCUS Report Part II CSE, rather than FOCUS Report Part

FOCUS Report Part IIA if they do not.⁶ Members that are government securities broker-dealers registered under SEA Section 15C⁷ do not file a FOCUS Report and instead are required to file reports concerning their financial and operational status using the Report on Finances and Operations of Government Securities Brokers and Dealers ("FOGS Report").⁸ FINRA established the SIS requirement pursuant to Rule 4524 in 2014.⁹ Pursuant to this requirement, the SIS must be filed by a member that is required to file FOCUS Report Part II, FOCUS Report Part IIA or the FOGS Report Part I, with inventory positions as of the end of the FOCUS or FOGS reporting period, unless the member has (1) a minimum dollar net capital or liquid capital requirement of less than \$100,000; or (2) inventory positions consisting only of money market mutual funds. A member with inventory positions consisting only of money market mutual funds must affirmatively indicate through the eFOCUS system that no SIS filing is required for the reporting period. As FINRA noted in establishing the SIS, the purpose of the SIS requirement is to provide more detailed information of inventory positions held by members.¹⁰

The Commission, as part of its rulemakings pursuant to Title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act ("Dodd-Frank Act")¹¹ to establish a regulatory framework for security-based swaps ("SBS"), has adopted among other things amendments to the FOCUS reporting requirements, including amendments to FOCUS Report Part II¹² designed to elicit additional information about the SBS activities of broker-dealers that file FOCUS Report Part II, including broker-dealers that will also be registered as SBS dealers and major SBS participants.¹³

II. Such members are referred to as "alternative net capital" or "ANC" broker-dealers.

¹² See Securities Exchange Act Release No. 87005 (September 19, 2019), 84 FR 68550 (December 16, 2019) (Final Rule: Recordkeeping and Reporting Requirements for Security-Based Swap Dealers, Major Security-Based Swap Participants, and Broker-Dealers) ("Reporting Requirements Release").

¹³ See Reporting Requirements Release, 84 FR at 68573. Pursuant to the SEC's rule change, ANC broker-dealers that currently file FOCUS Report Part II CSE will file new FOCUS Report Part II.

FINRA believes that Schedule 1—Aggregate Securities, Commodities, and Swaps Positions ("Schedule 1") to FOCUS Report Part II, as amended, includes substantially all the information that is required by the SIS, including, among other things, information on the following types of positions:

- U.S. Treasury securities;
 - U.S. government agency and U.S. government-sponsored enterprise securities;
 - securities issued by states and political subdivisions in the U.S.;
 - foreign securities;
 - money market instruments;
 - private label mortgage backed securities;
 - other asset-backed securities;
 - corporate obligations;
 - stocks and warrants (other than arbitrage positions);
 - arbitrage positions;
 - spot commodities;
 - other securities and commodities;
- and
- securities with no ready market.

Further, line 11 of the SIS requires specified information on "derivatives including options," based on whether the positions are centrally cleared or not. On Schedule 1 this information will be reported based on whether the position is a cleared or non-cleared SBS, mixed swap or swap, or will be reported under the category "other derivatives and options."¹⁴ Schedule 1 will also require information on counterparty netting and cash collateral netting.

Given that substantially all the information required by the SIS is covered by Schedule 1 of FOCUS Report Part II, as amended, FINRA believes that it would be an unnecessary duplication of reporting to require members that file FOCUS Report Part II to continue to submit the SIS after the compliance date¹⁵ for certain of the SEC's SBS

¹⁴ Schedule 1 requires the information for cleared and non-cleared SBS, mixed swaps and swaps in separate categories on Lines, 15, 16 and 17 of Schedule 1, while the SIS requires that SBS and swaps be reported in aggregate under "centrally cleared" and "all other" under Line 11 of the SIS. Further, Schedule 1 requires that other derivatives or options be reported in aggregate on Line 18 of Schedule 1, while the SIS specifies separate categories for "centrally cleared" and "all other" options, "forward settling and delayed delivery transactions," "futures" and "other" products under Line 11 of the SIS. Also, under Line 13 of the SIS ("securities with no ready market"), the category for "other (include limited partnership interests)" is reflected as "other" under Line 13 of Schedule 1.

¹⁵ The Commission has broadly coordinated the compliance date for certain SBS rulemakings by setting October 6, 2021, as the compliance date (the "compliance date" or "SBS compliance date") for the registration requirements that the Commission

rulemakings, including the new FOCUS reporting requirements pursuant to the Reporting Requirements Release. As such, in the interest of avoiding unnecessary duplication, FINRA believes it is appropriate to remove FOCUS Report Part II filers from the scope of members required to file the SIS.¹⁶ Accordingly, the proposed rule change would revise the first paragraph under the General Instructions to the SIS so as to provide, in relevant part, that: “The Supplemental Inventory Schedule (SIS) is to be filed within 20 business days after the end of each firm’s FOCUS reporting period by all FOCUS Part IIA and FOGS Part I filers . . .”¹⁷ FINRA believes it is appropriate to implement this revision in alignment with the reporting cycle that coincides with the SEC’s SBS compliance date. FINRA is not proposing any other change to the SIS.

FINRA has filed the proposed rule change for immediate effectiveness. FINRA is proposing that the implementation date of the proposed rule change will be October 31, 2021, for SIS filings that report on the month ending October 31, 2021, and are due by November 30, 2021. Thus, SISs filed on or after October 31, 2021, would reflect the proposed rule change.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,¹⁸ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. Consistent with the provisions of the Act, FINRA believes that eliminating the SIS filing requirement for members that file

adopted for SBS dealers and major SBS participants. See Reporting Requirements Release, 84 FR at 68600; see also Key Dates for Registration of Security-Based Swap Dealers and Major Security-Based Swap Participants, available on the Commission website at: <<https://www.sec.gov/page/key-dates-registration-security-based-swap-dealers-and-major-security-based-swap-participants>>.

¹⁶ FINRA notes that members that have elected to be treated as capital acquisition brokers (“CABs”) would be subject to the proposed rule change to the extent that FINRA Rule 4524, pursuant to CAB Rule 452(b), applies to CABs. To the extent any CABs are FOCUS Report Part II filers, then, pursuant to the rule change, such firms would no longer need to file the SIS.

The proposed rule change would not impact funding portal members because such members are not subject to Rule 4524 and are not subject to the FOCUS reporting requirements.

¹⁷ The SIS, as proposed to be revised pursuant to the rule change, is included as Exhibit 3 to this rule filing.

¹⁸ 15 U.S.C. 78o-3(b)(6).

FOCUS Report Part II, as amended by the Reporting Requirements Release, will avoid unnecessary duplication of reporting for such members while ensuring that regulators continue to receive the needed information reflected on these forms, given that Schedule 1 of FOCUS Report Part II, as amended, includes substantially all the information required by the SIS. The proposed rule change will thereby reduce unnecessary burdens while also helping to protect investors and serve the public interest.

B. Self-Regulatory Organization’s Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Schedule 1 of FOCUS Report Part II, as amended, requires substantially all the information required by the SIS. Eliminating the SIS filing requirement for members that file FOCUS Report Part II, as amended, would avoid unnecessary duplication of reporting, thereby reducing burdens for such members, while ensuring that regulators continue to receive the needed information reflected on these forms.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁹ and Rule 19b-4(f)(6) thereunder.²⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings

to determine whether the proposed rule should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-92104; File No. SR-NYSEArca-2021-46]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To List and Trade Shares of the Nuveen Santa Barbara Dividend Growth ETF, Nuveen Small Cap Select ETF, and Nuveen Winslow Large-Cap Growth ESG ETF Under NYSE Arca Rule 8.601-E (Active Proxy Portfolio Shares)

June 3, 2021.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (“Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on May 26, 2021, NYSE Arca, Inc. (“NYSE Arca” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to to [sic] list and trade shares of the following under NYSE Arca Rule 8.601-E: Nuveen Santa Barbara Dividend Growth ETF, Nuveen Small Cap Select ETF, and Nuveen Winslow Large-Cap Growth ESG ETF. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change

and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange has adopted NYSE Arca Rule 8.601-E for the purpose of permitting the listing and trading, or trading pursuant to unlisted trading privileges (“UTP”), of Active Proxy Portfolio Shares, which are securities issued by an actively managed open-end investment management company.⁴ Commentary .01 to Rule 8.601-E requires the Exchange to file separate proposals under Section 19(b) of the Act before listing and trading any series of Active Proxy Portfolio Shares on the Exchange. Therefore, the Exchange is submitting this proposal in order to list and trade shares (“Shares”) of Active Proxy Portfolio Shares of the Nuveen Santa Barbara Dividend Growth ETF, Nuveen Small Cap Select ETF, and Nuveen Winslow Large-Cap Growth ESG ETF (each a “Fund” and, collectively, the “Funds”) under Rule 8.601-E.

⁴ See Securities Exchange Act Release No. 89185 (June 29, 2020), 85 FR 40328 (July 6, 2020) (SR-NYSEArca-2019-95). Rule 8.601-E(c)(1) provides that “[t]he term ‘Active Proxy Portfolio Share’ means a security that (a) is issued by an investment company registered under the Investment Company Act of 1940 (“Investment Company”) organized as an open-end management investment company that invests in a portfolio of securities selected by the Investment Company’s investment adviser consistent with the Investment Company’s investment objectives and policies; (b) is issued in a specified minimum number of shares, or multiples thereof, in return for a deposit by the purchaser of the Proxy Portfolio and/or cash with a value equal to the next determined net asset value (“NAV”); (c) when aggregated in the same specified minimum number of Active Proxy Portfolio Shares, or multiples thereof, may be redeemed at a holder’s request in return for the Proxy Portfolio and/or cash to the holder by the issuer with a value equal to the next determined NAV; and (d) the portfolio holdings for which are disclosed within at least 60 days following the end of every fiscal quarter.” Rule 8.601-E(c)(2) provides that “[t]he term ‘Actual Portfolio’ means the identities and quantities of the securities and other assets held by the Investment Company that shall form the basis for the Investment Company’s calculation of NAV at the end of the business day.” Rule 8.601-E(c)(3) provides that “[t]he term ‘Proxy Portfolio’ means a specified portfolio of securities, other financial instruments and/or cash designed to track closely the daily performance of the Actual Portfolio of a series of Active Proxy Portfolio Shares as provided in the exemptive relief pursuant to the Investment Company Act of 1940 applicable to such series.”

Key Features of Active Proxy Portfolio Shares

While funds issuing Active Proxy Portfolio Shares will be actively-managed and, to that extent, will be similar to Managed Fund Shares, Active Proxy Portfolio Shares differ from Managed Fund Shares in the following important respects. First, in contrast to Managed Fund Shares, which are actively-managed funds listed and traded under NYSE Arca Rule 8.600-E⁵ and for which a “Disclosed Portfolio” is required to be disseminated at least once daily,⁶ the portfolio for an issue of Active Proxy Portfolio Shares will be publicly disclosed within at least 60 days following the end of every fiscal quarter in accordance with normal disclosure requirements otherwise applicable to open-end management investment companies registered under the Investment Company Act of 1940 (the “1940 Act”).⁷ The composition of

⁵ The Commission has previously approved listing and trading on the Exchange of a number of issues of Managed Fund Shares under NYSE Arca Rule 8.600-E. See, e.g., Securities Exchange Act Release Nos. 57801 (May 8, 2008), 73 FR 27878 (May 14, 2008) (SR-NYSEArca-2008-31) (order approving Exchange listing and trading of twelve actively-managed funds of the WisdomTree Trust); 60460 (August 7, 2009), 74 FR 41468 (August 17, 2009) (SR-NYSEArca-2009-55) (order approving listing of Dent Tactical ETF); 63076 (October 12, 2010), 75 FR 63874 (October 18, 2010) (SR-NYSEArca-2010-79) (order approving Exchange listing and trading of Cambria Global Tactical ETF); 63802 (January 31, 2011), 76 FR 6503 (February 4, 2011) (SR-NYSEArca-2010-118) (order approving Exchange listing and trading of the SiM Dynamic Allocation Diversified Income ETF and SiM Dynamic Allocation Growth Income ETF). The Commission also has approved a proposed rule change relating to generic listing standards for Managed Fund Shares. Securities Exchange Act Release No. 78397 (July 22, 2016), 81 FR 49320 (July 27, 2016) (SR-NYSEArca-2015-110) (amending NYSE Arca Equities Rule 8.600 to adopt generic listing standards for Managed Fund Shares).

⁶ NYSE Arca Rule 8.600-E(c)(2) defines the term “Disclosed Portfolio” as the identities and quantities of the securities and other assets held by the Investment Company that will form the basis for the Investment Company’s calculation of net asset value at the end of the business day. NYSE Arca Rule 8.600-E(d)(2)(B)(i) requires that the Disclosed Portfolio will be disseminated at least once daily and will be made available to all market participants at the same time.

⁷ A mutual fund is required to file with the Commission its complete portfolio schedules for the second and fourth fiscal quarters on Form N-CSR under the 1940 Act. Information reported on Form N-PORT for the third month of a fund’s fiscal quarter will be made publicly available 60 days after the end of a fund’s fiscal quarter. Form N-PORT requires reporting of a fund’s complete portfolio holdings on a position-by-position basis on a quarterly basis within 60 days after fiscal quarter end. Investors can obtain a series of Active Proxy Portfolio Shares’ Statement of Additional Information (“SAI”), its Shareholder Reports, its Form N-CSR, filed twice a year, and its Form N-CEN, filed annually. A series of Active Proxy Portfolio Shares’ SAI and Shareholder Reports will
