SUPPLEMENTARY INFORMATION:

Background

The TFAC was originally chartered on August 11, 2016, pursuant to discretionary authority and in accordance with the Federal Advisory Committee Act, as amended, 5 U.S.C. App., and was most recently re-chartered on August 7, 2020. The TFAC serves as the principal advisory body to the Secretary of Commerce on policy matters relating to access to trade finance for U.S. exporters, including small- and medium-sized enterprises, and their foreign buyers. The TFAC is

the sole mechanism by which the Department of Commerce (the Department) convenes private sector stakeholders to identify and develop consensus-based solutions to trade finance challenges. The Council is comprised of a diverse group of stakeholders from the trade finance industry and the U.S. exporting community, as well as experts from academia and public policy organizations.

On Tuesday, July 13, 2021, the TFAC will hold the first meeting of its 2020-2022 charter term. During the meeting, members will discuss with officials from the Department of Commerce and other agencies current challenges and opportunities to increase access to export financing resources for U.S. exporters. They will also establish priorities, the subcommittees' structure, and milestones for the successful development of recommendations.

Meeting minutes will be available within 90 days of the meeting upon request or on the TFAC's website at <https://www.trade.gov/about-us/trade-finance-advisory-council-tfac>.
