[Docket No. AD10-12-012]

Increasing Market and Planning Efficiency Through Improved Software; Second Supplemental Notice of Technical Conference on Increasing Real-Time and Day-Ahead Market Efficiency Through Improved Software

As first announced in the Notice of Technical Conference issued in this proceeding on March 11, 2021,

¹ The Commission's Rules of Practice and Procedure provide that, if a filing deadline falls on a Saturday, Sunday, holiday, or other day when the Commission is not open for business, the filing deadline does not end until the close of business on the next business day. 18 CFR 385.2007(a)(2) (2020). Because the end of the one-year time period falls on a Saturday (March 12, 2022), the period is extended until the close of business on Monday, March 14, 2022.

Commission staff will convene a technical conference on June 22, 23, and 24, 2021 to discuss opportunities for increasing real-time and day-ahead market efficiency of the bulk power system through improved software. Attached to this Second Supplemental Notice is a final agenda for the technical conference and speakers' summaries of their presentations.

While the intent of the technical conference is not to focus on any specific matters before the Commission, some conference discussions might include topics at issue in proceedings that are currently pending before the Commission, including topics related to capacity valuation methodologies for renewable, hybrid, or storage resources. These proceedings include, but are not limited to:

	Docket Nos.
PJM Interconnection, L.L.C.	ER20-584-000.
PJM Interconnection, L.L.C.	EL19-100-000.
PJM Interconnection, L.L.C.	ER21-278-000 and ER21-278-001.

The conference will take place virtually via WebEx, with remote participation from both presenters and attendees. Further details on remote attendance and participation will be released prior to the conference. Attendees must register through the Commission's website on or before June 11, 2021.¹ WebEx connections may not be available to those who do not register.

The Commission will accept comments following the conference, with a deadline of July 30, 2021.

There is an "eSubscription" link on the Commission's website that enables subscribers to receive email notification when a document is added to a subscribed docket(s).
