SUPPLEMENTARY INFORMATION:

Background

On December 21, 2020, Commerce published the *Preliminary Results* of this administrative review and invited interested parties to comment.¹ This administrative review covers 41 producers and/or exporters of the subject merchandise. Commerce selected R.N. Gupta & Co. Ltd. (Gupta) and Norma (India) Limited (the Norma

Group) for individual examination. The producers/exporters not selected for individual examination are listed in the “Final Results of the Review” section of this notice.²

On January 21, 2021, the Norma Group submitted its case brief.³ On the same day, Weldbend Corporation and Boltex Manufacturing Co., L.P. (collectively, the petitioners), submitted a case brief related to Gupta.⁴ On January 27, 2021, the petitioners and Gupta submitted rebuttal briefs.⁵ No other party submitted case or rebuttal briefs.

On March 30, 2021, we extended the deadline for these final results, until June 18, 2021.⁶ Commerce conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order⁷

The scope of the *Order* covers finished carbon steel flanges. Finished carbon steel flanges are currently classified under subheadings 7307.91.5010 and 7307.91.5050 of the Harmonized Tariff Schedule of the United States (HTSUS). They may also be entered under HTSUS subheadings 7307.91.5030 and 7307.91.5070. While HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this order is dispositive.

For a full description of the scope of the *Order*, see the Issues and Decision Memorandum.⁸

Analysis of Comments Received

All issues raised by the parties in their case and rebuttal briefs are addressed in the Issues and Decision Memorandum. A list of the issues which parties raised, and to which we responded in the Issues and Decision Memorandum, follows in the appendix to this notice. The Issues and Decision

Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>.

Changes Since the Preliminary Results

Based on our analysis of the comments received, and for the reasons explained in the Issues and Decision Memorandum, Commerce made certain changes to the preliminary weighted-average dumping margin for Gupta.

Final Determination of No Shipments

In the *Preliminary Results*, we preliminarily determined that Silbo had no shipments of subject merchandise during the POR. We received no comments from interested parties regarding that preliminary determination, nor did we receive any record evidence that would call into question our preliminary determination of no shipments. Accordingly, for these final results, we continue to determine that Silbo had no shipments of subject merchandise during the POR. Consistent with Commerce’s practice,⁹ we intend to instruct U.S. Customs and Border Protection (CBP) to liquidate any existing entries of subject merchandise produced by Silbo, but exported by other parties, at the rate for the intermediate reseller, if available, or at the all-others rate.¹⁰

Final Results of Administrative Review

For these final results, we determine that the following weighted-average dumping margins exist for the period August 1, 2018, through July 31, 2019:

Exporter/manufacturer	Weighted-average dumping margin (percent)
R.N. Gupta & Co., Ltd	0.00

Rate for Non-Selected Respondents

For the companies that were not selected for individual review, we assigned a rate based on the rates for the respondents that were selected for individual examination.¹³ Consistent with the U.S. Court of Appeals for the Federal Circuit's decision in *Albemarle*, we are applying to the 33 companies not selected for individual examination the

¹¹ In the preliminary determination of sales at less-than-fair value (LTFV) investigation, Commerce determined that Norma (India), Limited, USK Exports Private Limited, Uma Shanker Khandelwal & Co., and Bansidhar Chiranjilal were a single entity (collectively "Norma Group"). See *Finished Carbon Steel Flanges from India: Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination*, 82 FR 9719 (February 8, 2017), and accompanying PDM at 4–5; unchanged in *Finished Carbon Steel Flanges from India: Final Determination of Sales at Less Than Fair Value*, 82 FR 29483 (June 29, 2017). In this administrative review, Norma Group has presented evidence that the factual basis on which Commerce made its prior determination has not changed. See Norma Group's July 23, 2020 Supplemental Questionnaire Response at 2–9. Therefore, in this administrative review, Commerce continues to collapse these four entities and treat them as a single entity.

¹² The name of this company was incorreccted spelled "CHQ Forge Pvt. Ltd." in the *Preliminary Results*. See *Initiation Notice*. We have corrected the spelling of this company's name for purposes of these final results.

zero percent rates calculated for the mandatory respondents, Gupta and the Norma Group.¹⁴ These are the only rates determined in this review for individual respondents and, thus, should be applied to the 33 firms not selected for individual examination under section 735(c)(5)(B) of the Act.

Disclosure

Commerce intends to disclose the calculations performed for these final results to parties in this proceeding within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rates

Upon completion of this administrative review, Commerce shall determine and CBP shall assess antidumping duties on all appropriate entries. Because the weighted-average dumping margins of Gupta, the Norma Group, and the 33 firms not selected for individual examination have been determined to be zero percent within the meaning of 19 CFR 351.106(c), we

¹³ See section 735(c)(5)(A) of the Act.

¹⁴ See *Albemarle Corp. v. United States*, 821 F.3d 1345 (Fed. Cir. 2016) (*Albemarle*).

will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. In accordance with Commerce's practice, for entries of subject merchandise during the POR for which Gupta and the Norma Group did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate if there is no company-specific rate for the intermediate company(ies) involved in the transaction.¹⁵

Consistent with its recent notice,¹⁶ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rates for the reviewed companies will be the rates established in the final results of this administrative review; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the producer is, the cash deposit rate will be the rate established for the most recent segment of this proceeding for the producer of the subject merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 8.91 percent,¹⁷ the all-others rate established in the LTFV investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Order (APO)

This notice also serves as a reminder to parties subject to APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance

¹⁷ In the *Preliminary Results*, Commerce inadvertently listed as the all-others rate the estimated weighted-average dumping margin from the antidumping duty order on carbon steel flanges from India. See *Finished Carbon Steel Flanges from India: Final Determination of Sales at Less Than Fair Value*, 82 FR 29483 (June 29, 2017); see also *Order*, 82 FR at 40136. We have revised our reference to the all-others rate to reflect the cash deposit rate, adjusted for subsidy offsets, as stated in the *Order*.

with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h) and 351.221(b)(5).
