Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties and/or countervailing duties has occurred, and the subsequent assessment of double antidumping duties and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

The period of review (POR) is February 15, 2019, through December 31, 2019. In addition, we are rescinding the review with respect to several companies. Interested

parties are invited to comment on these preliminary results of review.

DATES: Applicable June 25, 2021.

FOR FURTHER INFORMATION CONTACT: Dusten Hom or Theodore Pearson, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: 202–482–5075 or 202–482–2631, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 15, 2019, Commerce published in the **Federal Register** the countervailing duty (CVD) order on truck and bus tires from the China.¹ On April 8, 2020, Commerce published in the **Federal Register** an initiation notice for an administrative review of the *Order* on 46 producers/exporters for the POR.² For events that occurred since the *Initiation Notice*, see the Preliminary Decision Memorandum.³ On June 17, 2021, the President signed into law the Juneteenth National Independence Day Act, making June 19 a Federal holiday.⁴ Because the Federal holiday fell on a Saturday, it was observed on Friday, June 18, 2021. Where a deadline falls on a weekend or Federal holiday, the appropriate deadline is the next business day.⁵ Accordingly, the deadline for these preliminary results is on June 21, 2021.

Scope of the Order

The products covered by the *Order* are truck and bus tires from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a

review withdraw the request within 90 days of the date of publication of the notice of initiation. On April 14, 2020, Sailun⁶ withdrew its request for review of Sailun Group Co., Ltd.; Sailun (Shenyang) Tire Co., Ltd.; Sailun Group (Hong Kong) Co., Limited (previously known as Sailun Jinyu Group (Hong Kong) Co., Limited) and requested Commerce rescind the administrative review with respect to these companies. In the Respondent Selection Memorandum,⁷ we stated our intent to rescind the review of these Sailun companies because the withdrawal of review was timely filed and no other party requested a review of these companies. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the *Order* with respect to Sailun companies noted above.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.⁸ For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.

The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice.

Preliminary Rate for Non-Selected Companies Under Review

There are 41 companies for which a review was requested and not rescinded, and which were not selected as mandatory respondents or found to be cross-owned with a mandatory respondent. For these companies, because the rates calculated for the mandatory respondents, Qingdao Ge Rui Da Rubber Co., Ltd. (GRT) and Prinx Chengshan (Shandong) Tire Co., Ltd. (PCT), were above *de minimis* and not based entirely on facts available, we are applying to the non-selected companies the average of the net subsidy rates calculated for GRT and PCT, which we calculated using the publicly ranged sales data submitted by GRT and PCT.⁹ This methodology to establish the all-others subsidy rate is consistent with our practice and section 705(c)(5)(A) of the Act. For further information on the calculation of the non-selected respondent rate, refer to the section in the Preliminary Decision Memorandum entitled “Non-Selected Companies Under Review.” For a list of non-selected companies, see Appendix II.

Preliminary Results of the Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated a countervailable subsidy rate for each of the mandatory respondents, GRT and PCT, which includes their cross-owned affiliates, where applicable.

We preliminarily find the countervailable subsidy rates for the mandatory and non-selected respondents under review to be as follows:

⁹ With two respondents under examination, Commerce normally calculates (A) a weighted-average of the estimated subsidy rates calculated for the examined respondents; (B) a simple average of the estimated subsidy rates calculated for the examined respondents; and (C) a weighted-average of the estimated subsidy rates calculated for the examined respondents using each company's publicly-ranged U.S. sale quantities for the merchandise under consideration. Commerce then compares (B) and (C) to (A) and selects the rate closest to (A) as the most appropriate rate for all other producers and exporters. See, e.g., *Ball Bearings and Parts Thereof from France, Germany, Italy, Japan, and the United Kingdom: Final Results of Antidumping Duty Administrative Reviews, Final Results of Changed-Circumstances Review, and Revocation of an Order in Part*, 75 FR 53661, 53663 (September 1, 2010).

¹¹ Cross-owned affiliates are Cooper Tire (China) Investment Co. Ltd., Cooper (Kunshan) Tire Co., Ltd., and Qingdao Yiyuan Investment Co., Ltd.

Disclosure and Public Comment

We intend to disclose to interested parties the calculations performed for these preliminary results within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). Interested parties may submit case briefs no later than 30 days after the date of publication of these preliminary results of review.¹³ Rebuttals to case briefs may be filed no later than seven days after the case briefs are filed, and all rebuttal comments must be limited to comments raised in the case briefs.¹⁴ Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information until further notice.¹⁵

Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this review are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, parties will be notified of the date and time for the hearing to be determined.

Unless extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results

in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producer/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review. For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period February 15, 2019, through December 31, 2019, in accordance with 19 CFR 351.212(c)(1)(i). For the companies remaining in the review, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each of the respondents listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, CBP will continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: June 21, 2021.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs are addressed in the Issues and Decision Memorandum. A list of the issues addressed in the Issues and Decision Memorandum is provided in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>.

Changes Since the Preliminary Results

Based on the comments received, we made changes for these final results which are explained in the Issues and Decision Memorandum.⁵

Final Results of the Review

As a result of this review, Commerce determines the following weighted-average dumping margins exist for the mandatory respondents, Maquilacero S.A. de C.V. (Maquilacero) and Regiomontana de Perfiles y Tubos S. de R.L. de C.V. (Regiopytsa), for the period August 1, 2018, through July 31, 2019. In accordance with section 735(c)(5)(A) of the Tariff Act of 1930, as amended (the Act), Commerce calculated a weighted-average dumping margin for the firms not selected for individual examination using the weighted-average dumping margins calculated for the mandatory respondents, which are not zero, *de minimis*, or determined entirely on the basis of facts available.⁶

⁴ *Id.*

⁵ *Id.*

⁶ In the case of two mandatory respondents, our practice is to calculate: (A) A weighted average of the dumping margins calculated for the mandatory respondents; (B) a simple average of the dumping margins calculated for the mandatory respondents; and (C) a weighted average of the dumping margins calculated for the mandatory respondents using each company's publicly ranged values for the merchandise under consideration. We compare (B) and (C) to (A) and select the rate closest to (A) as the most appropriate rate for all other companies. See *Certain Crystalline Silicon Photovoltaic Products from Taiwan: Final Results of Antidumping Duty Administrative Review; 2014-2016*, 82 FR 31555, 31556 (July 7, 2017). We have applied that practice here. See Memorandum, "Antidumping Duty Administrative Review of
