

*Burden Hours:* 81,000 + 36 hours for cognitive testing = 81,036.

*Needs and Uses:* Phase 1 of the Small Business Pulse Survey was launched on April 26, 2020 as an effort to produce and disseminate high-frequency, geographic- and industry-detailed experimental data about the economic conditions of small businesses as they experience the coronavirus pandemic. It is a rapid response endeavor that leverages the resources of the federal statistical system to address emergent data needs. Given the rapidly changing dynamics of this situation for American small businesses, the Small Business Pulse Survey has been successful in meeting an acute need for information on changes in revenues, business closings, employment and hours worked, disruptions to supply chains, and expectations for future operations. In addition, the Small Business Pulse Survey provided important estimates of federal program uptake to key survey stakeholders.

Due to the ongoing nature of the pandemic, the Census Bureau subsequently conducted Phases 2, 3, 4 and 5 of the Small Business Pulse Survey. The Office of Management and Budget authorized clearance of Phase 5 of the Small Business Pulse Survey on May 11, 2021. The Census Bureau now seeks approval to conduct Phase 6 of the Small Business Pulse Survey which will occur over 9 weeks starting August 16, 2021.

The continuation of the Small Business Pulse Survey is responsive to stakeholder requests for high frequency data that measure the effect of changing business conditions during the Coronavirus pandemic on small businesses. While the ongoing monthly and quarterly economic indicator programs provide estimates of dollar volume outputs for employer businesses of all size, the Small Business Pulse Survey captures the effects of the pandemic on operations and finances of small, single location employer businesses. As the pandemic continues, the Census Bureau is best poised to collect this information from a large and diverse sample of small businesses.

It is hard to predict when a shock will result in economic activity changing at a weekly, bi-weekly, or monthly frequency. Early in the pandemic, federal, state, and local policies were moving quickly so it made sense to have a weekly collection. The problem is that while we are in the moment, we cannot accurately forecast the likelihood of policy action. In addition, we are not able to forecast a change in the underlying cause of policy actions: The effect of the Coronavirus pandemic on

the economy. We cannot predict changes in the severity of the pandemic (e.g., will it worsen in flu season?) nor future developments that will alleviate the pandemic (e.g., vaccines or treatments). In a period of such high uncertainty, the impossibility of forecasting these inflection points underscores the benefits of having a weekly survey. For these reasons, the Census Bureau will proceed with a weekly collection.

SBPS Phase 6 content includes core concepts as previous phases, such as overall impact, business closures/openings, revenue and employment changes, and expectations while also including questions relevant to economic recovery and new business norms. Questions 11–14 are newly developed content for Phase 6 and are subjective rather than quantitative by design. The goal is for the respondent to provide their own context based on their discretion.

In the event of a pandemic recurrence scenario, the Census Bureau would shift to utilize previous and existing content for Phase 6. In anticipation that recovery questions will be utilized, we completed two rounds of cognitive testing, starting on May 3, 2021 and ending on May 25, 2021. OMB approved the Phase 6 cognitive testing on April 30, 2021. An additional flash round of cognitive testing was completed from Monday, June 21–Wednesday, June 23rd to satisfy a late content request from the International Trade Administration.

All results from the Small Business Pulse Survey will continue to be disseminated as U.S. Census Bureau Experimental Data Products (<https://portal.census.gov/pulse/data/>). This and additional information on the Small Business Pulse Survey are available to the public on *census.gov*.

*Affected Public:* Business or other for-profit organizations.

*Frequency:* Small business will be selected once to participate in a 6-minute survey.

*Respondent's Obligation:* Voluntary.  
*Legal Authority:* Title 13 U.S.C., Sections 131 and 182.

### Foreign-Trade Zones Board

[B–47–2021]

#### Foreign-Trade Zone 252—Amarillo, Texas; Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the City of Amarillo, Texas, grantee of FTZ 252, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the FTZ Board’s standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on June 22, 2021.

FTZ 252 was approved by the FTZ Board on August 28, 2001 (Board Order 1183, 66 FR 48116–48117, September 18, 2001). The current zone includes the following sites: *Site 1* (4,000 acres)—Amarillo International Airport and adjacent industrial park property, 10801 Airport Boulevard, Amarillo (Potter County); *Site 2* (6 acres)—Panhandle Container Service Center, 1201 South Johnson Street, Amarillo; *Site 3* (345 acres)—Hutchinson County Airport and Industrial Park, Borger; *Site 4* (68 acres)—Ferguson Business Park, 650 Wilson Avenue, Dumas (Moore County); *Site 5* (95 acres)—Industrial Park East, State Highway 60, Pampa (Gray County); *Site 6* (213 acres)—PEDCO Park, Tying Avenue, Pampa; *Site 7* (0.52 acres)—Donley site, ½ block from State Highway 87, Tulia (Swisher County); *Site 8* (6 acres)—RCD site, adjacent to the Burlington Northern Santa Fe Railroad in the 1000 block of NW 6th

Street, Tulia; *Site 9* (10 acres)—Anderson site, State Highway 87, Tulia; and, *Site 10* (3 acres)—Bivens site, Interstate 27 near the intersection of State Highway 86, Tulia.

The grantee's proposed service area under the ASF would be Armstrong, Oldham, Potter and Randall Counties, Texas, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The application indicates that the proposed service area is within and adjacent to the Amarillo Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone to include all of the existing sites as "magnet" sites. The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. No subzones/usage-driven sites are being requested at this time.

In accordance with the FTZ Board's regulations, Camille Evans and Christopher Wedderburn of the FTZ Staff are designated examiners to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary and sent to: [ftz@trade.gov](mailto:ftz@trade.gov). The closing period for their receipt is August 30, 2021. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to September 13, 2021.

A copy of the application will be available for public inspection in the "Reading Room" section of the FTZ Board's website, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz). For further information, contact Camille Evans at [Camille.Evans@trade.gov](mailto:Camille.Evans@trade.gov) or Christopher Wedderburn at [Chris.Wedderburn@trade.gov](mailto:Chris.Wedderburn@trade.gov).

Dated: June 24, 2021.

#### Certain Coated Paper Suitable for High-Quality Print Graphics Using Sheet-Fed Presses From the People's Republic of China: Rescission of Antidumping Duty Administrative Review; 2019-2020

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty order on certain coated paper suitable for high-quality print graphics using sheet-fed presses (coated paper) from the People's Republic of China (China) for the period November 1, 2019, through October 31, 2020, based on the withdrawal of the request for review.

**DATES:** Applicable June 29, 2021.

**FOR FURTHER INFORMATION CONTACT:** Alex Cipolla, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401

Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4956.

### SUPPLEMENTARY INFORMATION:

#### Background

On November 3, 2020, the Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty (AD) order on coated paper from China.<sup>1</sup> Commerce received a timely-filed request from Verso Corporation (Verso), a domestic interested party and the petitioner in the underlying investigation, for an administrative review of exports of subject merchandise to the United States during the period of review (POR) with respect to 15 companies, in accordance with section 751(a) of the Tariff Act of 1930, as amended, (the Act) and 19 CFR 351.213(b).<sup>2</sup> On January 6, 2021, pursuant to this request, and in accordance with 19 CFR 351.221(c)(1)(i), Commerce published a notice in the **Federal Register** initiating an administrative review of the AD order on coated paper from China.<sup>3</sup> On March 26, 2021, Verso withdrew its request for an administrative review with respect to all companies for which it requested a review.<sup>4</sup>

#### Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party or parties that requested the review withdraws its request within 90 days of the publication date of the notice of initiation of the requested review. Verso timely submitted a request to withdraw its request for an administrative review for all companies for which an administrative review was initiated and later clarified that its initial submission applied to all companies, although it omitted one by name. No other party requested an administrative review of
