

Street, Tulia; *Site 9* (10 acres)—Anderson site, State Highway 87, Tulia; and, *Site 10* (3 acres)—Bivens site, Interstate 27 near the intersection of State Highway 86, Tulia.

The grantee's proposed service area under the ASF would be Armstrong, Oldham, Potter and Randall Counties, Texas, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The application indicates that the proposed service area is within and adjacent to the Amarillo Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone to include all of the existing sites as "magnet" sites. The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. No subzones/usage-driven sites are being requested at this time.

In accordance with the FTZ Board's regulations, Camille Evans and Christopher Wedderburn of the FTZ Staff are designated examiners to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is August 30, 2021. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to September 13, 2021.

A copy of the application will be available for public inspection in the "Reading Room" section of the FTZ Board's website, which is accessible via www.trade.gov/ftz. For further information, contact Camille Evans at Camille.Evans@trade.gov or Christopher Wedderburn at Chris.Wedderburn@trade.gov.
