

UP has certified that: (1) No local traffic has moved over the Line for at least two years; (2) no overhead traffic has moved over the Line for at least two years (and thus there is no need to reroute any overhead traffic); (3) no formal complaint filed by a user of rail service on the Line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the Line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of a complainant within the two-year period; and (4) the requirements at 49 CFR 1105.7(c) and 1105.8 (notice of environmental and historic report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received,² this exemption will be effective on July 30, 2021, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,³ formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2), and interim trail use/rail banking requests under 49 CFR 1152.29 must be filed by July 12, 2021.⁴ Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by July 20, 2021.

All pleadings, referring to Docket No. AB 33 (Sub-No. 345X), should be filed with the Surface Transportation Board

via e-filing on the Board's website. In addition, a copy of each pleading must be served on UP's representative, Jeremy M. Berman, 1400 Douglas St., #1580 Omaha, NE 68179.

If the verified notice contains false or misleading information, the exemption is void ab initio.

UP has filed a combined environmental and historic report that addresses the potential effects, if any, of the abandonment on the environment and historic resources. OEA will issue a Draft Environmental Assessment (Draft EA) by July 2, 2021. The Draft EA will be available to interested persons on the Board's website, by writing to OEA, or by calling OEA at (202) 245-0305. Assistance for the hearing impaired is available through the Federal Relay Service at (800) 877-8339. Comments on environmental and historic preservation matters must be filed within 15 days after the Draft EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), UP shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the Line. If consummation has not been effected by UP's filing of a notice of consummation by June 30, 2022, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available at www.stb.gov.

Decided: June 25, 2021.

By the Board, Scott M. Zimmerman, Acting Director, Office of Proceedings.

Clearance Clerk.

SUMMARY: The Federal Aviation Administration is requesting public comment on a request by Kenton County Airport Board, to release of land (4.44 acres) at Cincinnati/Northern

Kentucky International Airport from federal obligations.

DATES: Comments must be received on or before July 30, 2021.

ADDRESSES: Comments on this notice may be emailed to the FAA at the following email address: FAA/Memphis Airports District Office, Attn: Jamal Stovall, Community Planner, Jamal.Stovall@faa.gov.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to Ms. Candace S. McGraw, CEO, Kenton County Airport Board at the following address: 77 Comair Blvd., Erlanger, KY 41018.

FOR FURTHER INFORMATION CONTACT: Jamal Stovall, Community Planner, Federal Aviation Administration, Memphis Airports District Office, 2600, Thousand Oaks Boulevard, Suite 2250, Memphis, TN 38118-2482, Jamal.Stovall@faa.gov, (901) 322-8185. The application may be reviewed in person at this same location, by appointment.

SUPPLEMENTARY INFORMATION: The FAA proposes to rule and invites public comment on the request to release property for disposal at Cincinnati/Northern Kentucky International Airport, 2939 Terminal Drive, Hebron, KY 41048, under the provisions of 49 U.S.C. 47107(h)(2). The FAA determined that the request to release property at Cincinnati/Northern Kentucky International Airport (CVG) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release of these properties does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this notice.

The request consists of the following: The Kenton County Airport Board is proposing the release of airport property totaling 4.44 acres, more or less. The Kenton County Airport Board proposes to sell six parcels of airport land totaling 6.032 acres located on the northwest side of CVG along Petersburg Road, KY20 in Boone County, Kentucky. Three of the six parcels (referenced on the current Exhibit A as 8013 Lot 14, 8077 Lot 15, and 8088 Lots 17&18) were purchased with Airport Improvement Plan (AIP) funds and are subject to this release. The three aforementioned AIP funded parcels account for approximately 4.44 acres of the 6.032 acres being sold by the Board. The future use of the property is an access road for an industrial development to the north of the subject parcels. Portions of the parcels were previously

² Persons interested in submitting an OFA must first file a formal expression of intent to file an offer indicating the type of financial assistance they wish to provide (i.e., subsidy or purchase) and demonstrating that they are preliminarily financially responsible. See 49 CFR 1152.27(c)(2)(i).

³ The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

exchanged with the State of Kentucky as part of the relocation of Petersburg Road, KY 20 during the construction of Runway 18R/36L. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the land at Cincinnati/Northern Kentucky International Airport (CVG) being changed from aeronautical to non-aeronautical use and release the lands from the conditions of the Airport Improvement Program Grant Agreement Grant Assurances. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value for the property, which will be subsequently reinvested in another eligible airport improvement project for aviation facilities at CVG. The proposed use of this property is compatible with airport operations.

This request will release this property from federal obligations. This action is taken under the provisions of 49 U.S.C. 47107(h)(2).

Any person may inspect the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**.

In addition, any person may, upon request, inspect the request, notice and other documents germane to the request in person at the Cincinnati/Northern Kentucky International Airport.

Issued in Memphis, Tennessee, on June 24, 2021.

Assistant Manager, Memphis Airports District Office, Southern Region.
