I. Background

Public Law 112–74, as amended by Public Law 113–235 and Public Law 114–113, authorizes the Director of BIE, or the Director’s designee, to enter into agreements with public and private persons and entities allowing them to lease the land or facilities of a Bureau-operated school in exchange for consideration (in the form of funds) that benefits the school. The head of the school determines the manner in which the consideration will be used to benefit the school, as long as the use is for school purposes otherwise authorized by law. Congress provided that any funds obtained under this authority will not affect or diminish appropriations for the operation and maintenance of Bureau-operated schools, and that no funds will be withheld from distribution to the budget of a school due to receipt of such funds.

This public law also allows personnel of Bureau-operated schools to participate in fundraising activity for the benefit of a Bureau-operated school in their official capacity, as part of their official duties.

To carry out these public law provisions, the Act requires the Secretary of the Interior to promulgate regulations. The Act provides that the regulations must include standards for the appropriate use of Bureau-operated school lands and facilities by third parties under a rental or lease agreement; provisions for the establishment and administration of mechanisms for the acceptance of consideration for the use and benefit of a school; accountability standards to ensure ethical conduct; and provisions for monitoring the amount and terms of
