ACTION: Notice of a modified System of Records.

SUMMARY: The Federal Communications Commission (FCC, Commission, or Agency) has modified an existing system of records, FCC/OMD-32, FCC Telework Program, subject to the Privacy Act of 1974, as amended. This action is necessary to meet the requirements of the Privacy Act to publish in the **Federal Register** notice of the existence and character of records maintained by the Agency. The FCC uses the information to manage the telework program, including conducting audits and reports.

DATES: This system of records will become effective on July 8, 2021. Written comments on the routine uses are due by August 9, 2021. The routine uses will become effective on August 9,

2021, unless written comments are received that require a contrary determination.
