

requirements are the responsibility of the housing provider that seeks to qualify for the HOPA exemption.

Estimation of the total numbers of hours needed to prepare the information collection, including the number of respondents, frequency of response, and hours of response: Housing providers claiming eligibility for the HOPA’s “55 or older” housing exemption must demonstrate ongoing compliance with the HOPA exemption requirements. The HOPA does not authorize HUD to require submission of this information by individual housing providers as a means of certifying that their housing

communities or facilities qualify for the exemption. Further, since the HOPA has no mandatory registration requirement, HUD cannot ascertain the actual number of housing facilities and communities that are currently collecting this information with the intention of qualifying for the HOPA exemption. Accordingly, HUD has estimated that approximately 1,000 housing facilities or communities would seek to qualify for the HOPA exemption. HUD has estimated that the occupancy/age verification data would require routine updating with each new housing transaction within the facility or

community, and that the number of such transactions per year might vary significantly depending on the size and nature of the facility or community. HUD also estimated the average number of housing transactions per year at ten (10) transactions per community. HUD concluded that the publication of policies and procedures is likely to be a one-time event, and in most cases will require no additional burden beyond what is done in the normal course of business. The estimated total annual burden hours are 5,500 hours [See Table below].

Type of collection activity	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Annual cost
One: Collect reliable age verification records for at least one occupant per dwelling unit to meet the HOPA’s minimum “80% occupancy” requirement	1,000	1	1,000	1	1,000	\$18.18	\$18.18
Two: Publication of & adherence to policies & procedures that demonstrate intent to operate “55 or older” housing	1,000	1	1,000	2	2,00	18.18	36,360
Three: Periodic updates of age verification records	1,000	1	1,000	2.50	2,500	18.18	45,450
Total Burden Hours & Costs	3,000	5,500	99,990
