Title of Collection: ESEA Fiscal Waiver Requests.

OMB Control Number: 1810–0760.

Type of Review: A new information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 53.

Total Estimated Number of Annual Burden Hours: 53.

Abstract: Due to the continued extraordinary circumstances created by the COVID–19 pandemic and unprecedented obstacles students, educators, and schools are facing during the 2020–2021 school year, the U.S. Department of Education (the Department) is offering each State educational agency (SEA) the opportunity to request waivers that will afford additional fiscal flexibility for certain funds received under the Elementary and Secondary Education Act of 1965 (ESEA), pursuant to the Department's authority under section 8401 of the ESEA. Specifically, the Department is offering a waiver for an SEA to be able to approve a local educational agency (LEA) to carry over more than 15 percent of its fiscal year (FY) 2020 Title I, Part A funds (*i.e.*, the Title I, Part A funds that will become carryover funds on October 1, 2021), even if the LEA has received a waiver from its SEA to exceed this limitation for its FY 2018 or FY 2019 Title I, Part A funds. Second, we are also offering flexibility to each SEA to be able to

extend for itself and its subgrantees the period of availability of FY 2019 funds for programs included in the State's consolidated State plan to allow additional time to obligate those funds.

As the end of the current school year approaches and districts and schools continue to plan for the 2021–2022 school year, knowing whether their SEA is granted the invited waivers is essential to informing their planning because it provides more certainty about the availability of Federal funds for ESEA programs. Providing a streamlined process for SEA waiver requests will speed the process for both the SEA and the Department and help ensure State and local staff are able to maintain focus on the pressing needs of students. Any additional delay will have a negative impact on schools and students. In order to reduce the burden on States, the Department has created an optional template for States to collect the information required under ESEA section 8401 to request waivers of certain fiscal requirements. The optional template requests only information that is required under ESEA section 8401. The Department obtained OMB approval through emergency processing, and is now offering the public an opportunity to comment on this information collection.
