BILLING CODE 4510-FN-P

DEPARTMENT OF LABOR

Employment and Training Administration

Agency Information Collection Activities; Comment Request; Unemployment Compensation for Federal Employees Handbook No. 391

ACTION: Notice.

SUMMARY: The Department of Labor's (DOL) Employment and Training Administration (ETA) is soliciting comments concerning a proposed extension for the authority to conduct the information collection request (ICR) titled, *Unemployment Compensation for Federal Employees Handbook No. 391*. This comment request is part of continuing Departmental efforts to reduce paperwork and respondent burden in accordance with the

Paperwork Reduction Act of 1995 (PRA).

DATES: Consideration will be given to all written comments received by September 27, 2021.

ADDRESSES: A copy of this ICR with applicable supporting documentation, including a description of the likely respondents, proposed frequency of response, and estimated total burden, may be obtained free by contacting Jorge Colon by telephone at (202) 693-0173 (this is not a toll-free number), TTY 1-877-889-5627 (this is not a toll-free number), or by email at Colon.Jorge.D@dol.gov.

Submit written comments about, or requests for a copy of, this ICR by mail or courier to the U.S. Department of Labor, Employment and Training Administration, Office of Unemployment Insurance by email: Colon.Jorge.D@dol.gov.

FOR FURTHER INFORMATION CONTACT: Candace Edens by telephone at (202) 693-3195 (this is not a toll-free number) or by email at: Edens.Candace@dol.gov.

SUPPLEMENTARY INFORMATION: DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the Office of Management and Budget (OMB) for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

Title 5 U.S.C. 8506 states that "[E]ach agency of the United States and each wholly or partially owned instrumentality of the United States shall make available to State agencies which have agreements, or to the Secretary of Labor, as the case may be, such information concerning the Federal service and Federal wages of a Federal employee as the Secretary considers practicable and necessary for the determination of the entitlement of the Federal employee to compensation under this subchapter." The information shall include the findings of the employing agency concerning:

- (1) Whether or not the Federal employee has performed Federal service;
- (2) the periods of Federal service;
- (3) the amount of Federal wages; and
- (4) the reasons for termination of Federal service.

State Workforce Agencies (SWAs) administer the Unemployment Compensation for Federal Employees (UCFE) program in accordance with the same terms and provisions of the paying State's unemployment insurance law that apply to unemployed claimants who worked in the private sector. SWAs must be able to obtain certain information (wage and separation data) about each claimant filing claims for UCFE benefits to enable them to determine an individual's eligibility for benefits. DOL has prescribed forms to enable SWAs to obtain this necessary information from the individual's Federal employing agency. Each of these forms is essential to the UCFE claims process and the frequency of use varies depending upon the circumstances involved. The UCFE forms are: ETA-931, ETA-931A, ETA-933, ETA-934, and ETA-935. The law (5 U.S.C. 8501, *et seq.*), authorizes this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Comments must be written to receive consideration, and they will be summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention OMB control number 1205-0179.

Submitted comments will also be a matter of public record for this ICR and posted on the internet, without redaction. DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/information in any comments.

DOL is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the

proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, (e.g., permitting electronic submission of responses).

Employment and Training Administration

Notice of a Change in Status of the Extended Benefit (EB) Program for California, Nevada, and New York

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

This notice announces changes in benefit period eligibility under the EB program that have occurred since the publication of the last notice regarding the States' EB status:

- Based on the data released by the Bureau of Labor Statistics on July 16, 2021, the seasonally-adjusted total unemployment rate for California, Nevada, and New York fell below the 8.0 percent threshold necessary to remain "on" a High Unemployment

Period in EB. As such, beginning August 8, 2021, the maximum potential entitlement for claimants in EB in these states will decrease from 20 weeks to 13 weeks.

The trigger notice covering state eligibility for the EB program can be found at: http://ows.doleta.gov/unemploy/claims_arch.as.

Information for Claimants

The duration of benefits payable in the EB program, and the terms and conditions on which they are payable, are governed by the Federal-State Extended Unemployment Compensation Act of 1970, as amended, and the operating instructions issued to the states by the U.S. Department of Labor. In the case of a state beginning an EB period, the State Workforce Agency will furnish a written notice of potential entitlement to each individual who has exhausted all rights to regular benefits and is potentially eligible for EB (20 CFR 615.13(c)(1)).

Persons who believe they may be entitled to EB, or who wish to inquire about their rights under the program, should contact their State Workforce Agency.
