**SUPPLEMENTARY INFORMATION:** The land (5.36-acres of the 11.1-acre parcel) was originally acquired from the federal government as surplus land, via quitclaim deed issued by the War Assets Administration on April 15, 1957. The County in two separate transactions purchased the remaining balance of 5.74-acres from private sellers. The land will be leased for non-aeronautical revenue generation. Such use of the land represents a compatible land use that will not interfere with the airport or its operation, thereby protecting the interests of civil aviation. The airport will be compensated for the fair market value of the use of the land.

In accordance with the Wendell H. Ford Aviation Investment and Reform Act for the 21st Century (AIR 21), Public Law 106-181 (Apr. 5, 2000; 114 Stat. 75), this notice must be published in the **Federal Register** 30 days before the DOT Secretary may waive any condition imposed on a federally obligated airport by surplus property conveyance deeds or grant agreements.
