Needs and Uses: The Federal Communications Commission ("Commission") is requesting that the Office of Management and Budget (OMB) approve a three year extension of the information collection titled "Application for Voluntary Assignment of Transfers and Controls, 47 CFR 73.3540" under OMB Control Number 3060-1290.

On July 13, 2021, the Commission released an Order titled, "In the Matter of Mandatory Electronic Filing of Section 325(c) Applications, International Broadcast Applications, and Dominant Carrier Section 63.10(c) Quarterly Reports." The purpose of this Order is to require that any remaining applications and reports administered by the International Bureau and filed on paper or through an alternative filing process be filed only electronically through the Commission's International Bureau Filing System (IBFS).

In July 2021, OMB approved this information collection under OMB Control No 3060-1290 to implement mandatory electronic filing of International Broadcast station applications in the International Bureau

Filing System (IBFS). The versions of FCC Forms 314, 315, and 316 to be used by International Bureau licensees were renamed as FCC Form 314–IBFS, FCC Form 315–IBFS and FCC Form 316–IBFS. These forms will only be used by the International Broadcast stations in IBFS.

Under 47 CFR 73.3540, the filings of the FCC Forms 314–IBFS, 315–IBFS, and 316–IBFS are required when applying for consent for assignment of a broadcast station construction permit or license. In addition, the applicant must notify the Commission when an approved assignment or transfer of control of a broadcast station construction permit or license has been consummated.

The FCC Forms 314, 315, and 316 were previously shared between the Media Bureau and the International Bureau. The forms were used by the International Bureau for International Broadcast stations and by the Media Bureau for other broadcast licenses. These FCC Forms were previously approved by Office of Management and Budget (OMB) for use by Media Bureau licensees under OMB 3060–0031 and OMB 3060–0009. Due to an administrative error, however, the information collections in 47 CFR 73.3540 did not have a current OMB approval with a control number that explicitly includes International Broadcast stations in the collection.

The obligations in 47 CFR 73.3540 (Application for voluntary assignment or transfer of control) were initially promulgated as a Part 1 rule, 47 CFR 1.540, prior to PRA, and in 1979, the Commission redesignated that provision as 47 CFR 73.3540 in an effort to restructure and consolidate all broadcast rules into Part 73 rules (44 FR 38496)).

On April 1, 1981, the collections in 47 CFR 73.3540 for transfers of control and assignments of broadcast stations (OMB 3060–0009, OMB 3060–0031) were approved. These approved collections cover the use of FCC Forms 314, 315, and 316. Due to an administrative error, however, currently, these OMB approved information collections do not explicitly include International Broadcast stations' applications and their use of these FCC forms.

Specifically, the Commission modified its rules to mandate the electronic filing of, among other things, applications for International Broadcast Stations, including applications for voluntary assignments and transfers of control. These mandatory electronic filing requirements will reduce costs and administrative burdens, result in greater efficiencies, facilitate faster and more efficient communications, and

improve transparency to the public. The changes to section 73.3540 (c) and (d) state that “[f]or International Broadcast Stations, the application shall be filed electronically in the International Bureau Filing System (IBFS).” There are currently fewer than 20 International Broadcast stations subject to obligations in section 73.3540, and the International Bureau receives an average of one application involving voluntary transactions per year pursuant to section 73.3540.

§ 73.3540 Application for Voluntary Assignment or Transfer of Control

(b) Application should be filed with the FCC at least 45 days prior to the contemplated effective date of assignment or transfer of control.

(d) Application for consent to the transfer of control of a corporation holding a construction permit or license must be filed on FCC Form 315 “Transfer of Control” or FCC Form 316 “Short form” (see paragraph (f) of this section). For International Broadcast Stations, the application shall be filed electronically in the IBFS.
