The ACAA Advisory Committee was created under the Federal Advisory Committee Act (“FACA”), in accordance with Section 439 of the FAA Reauthorization Act of 2018 (“FAA Act”), to identify and assess barriers to accessible air travel, determine the extent to which DOT’s programs and activities are addressing the barriers, recommend improvements, and advise the Secretary on implementing the Air Carrier Access Act. The charter of the

ACAA Advisory Committee sets forth policies for the operation of the advisory committee. The charter is available at <https://www.transportation.gov/individuals/aviation-consumer-protection/charter-air-carrier-access-act-advisory-committee>.

The first meeting of the ACAA Advisory Committee was held on March 10 and 11, 2020, in Washington, DC. The purpose of the first meeting was to gather information on the barriers encountered by passengers with disabilities in the following areas: Ticketing; pre-flight seat assignments; access to bulkhead seating; stowage of assistive devices; and guide and wheelchair assistance at airports and on aircraft. In each of these areas, the ACAA Advisory Committee heard from speakers who provided an overview of: The applicable rules, requirements, and complaint data; challenges faced by air travelers with disabilities; and airlines’ policies and procedures. In addition, the Department presented a working draft of the “Airline Passenger with Disabilities Bill of Rights” to the ACAA Advisory Committee for discussion.

At that first meeting, the ACAA Advisory Committee also discussed the benefits of establishing subcommittees to help the Committee with its work. Soon thereafter the Department established three subcommittees to address: (1) Ticketing practices and seating accommodations; (2) stowage of assistive devices; and (3) assistance at airports and on aircraft and related training of carrier personnel and contractors. The Subcommittees submitted reports with recommendations to the ACAA Advisory Committee members for their consideration. The reports are available for public review on the ACAA Advisory Committee’s docket, DOT-OST-2018-0204.

II. Summary of the Agenda

During the September 2, 8 and 9, 2021 meeting, the ACAA Advisory Committee will deliberate on the Subcommittees’ recommendations and continue its discussion of the draft Airline Passenger with Disabilities Bill of Rights. A more detailed agenda will be made available at least one week before the meeting at <https://www.transportation.gov/airconsumer/ACAACommittee>.

III. Public Participation

The meeting will be open to the public and attendance may be limited due to virtual meeting constraints. To register, please send an email to the Department as set forth in the **FOR FURTHER INFORMATION CONTACT** section.

The Department is committed to providing equal access to this meeting for all participants.
