Certain Walk-Behind Snow Throwers and Parts Thereof From the People's Republic of China: Postponement of Preliminary Determination in the Less-Than-Fair-Value Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable August 20, 2021.

FOR FURTHER INFORMATION CONTACT: Laurel LaCivita or Brendan Quinn, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4243 or (202) 482-5848, respectively.

SUPPLEMENTARY INFORMATION:

Background

On April 19, 2021, the Department of Commerce (Commerce) initiated a less-than-fair-value (LTFV) investigation of imports of certain walk-behind snow throwers and parts thereof (snow throwers) from the People's Republic of

China.¹ Currently, the preliminary determination is due no later than September 7, 2021.²

Postponement of Preliminary Determination

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) The petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On August 6, 2021, the petitioner³ submitted a timely request that Commerce postpone the preliminary determination in the LTFV investigation.⁴ The petitioner states that a postponement is necessary to provide Commerce with adequate time to collect and analyze questionnaire responses from the mandatory respondent, Zhejiang Zhouli Industrial Co., Ltd. (Zhejiang Zhouli), to review data to identify deficiencies, and to investigate fully the extent to which Zhejiang Zhouli has engaged in LTFV sales of the

² The current deadline for the preliminary determination falls on September 6, 2021. Commerce's practice dictates that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

³ The petitioner in this investigation is MTD Products Incorporated (MTD), a domestic producer of snow throwers.

subject merchandise based on a comprehensive preliminary record.⁵

For the reasons stated above and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determination by 50 days (*i.e.*, 190 days after the date on which this investigation was initiated). As a result, Commerce will issue its preliminary determination no later than October 26, 2021. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: August 16, 2021.

Certain Metal Lockers and Parts Thereof From the People's Republic of China: Antidumping and Countervailing Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on the affirmative final determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC), Commerce is issuing antidumping duty (AD) and countervailing duty (CVD) orders on certain metal lockers and

parts thereof (metal lockers) from the People's Republic of China (China).

DATES: Applicable August 20, 2021.

FOR FURTHER INFORMATION CONTACT: Laurel LaCivita or Patrick Barton at (202) 482-4243 or (202) 482-0012, respectively (AD), and Alex Cipolla or Charles Doss at (202) 482-4956 or (202) 482-4474, respectively (CVD); AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

In accordance with sections 705(d) and 735(d) of the Tariff Act of 1930, as amended (the Act), on July 7, 2021, Commerce published its affirmative final determinations in the CVD and less-than-fair-value (LTFV) investigations of metal lockers from China.¹ On August 13, 2021, the ITC notified Commerce of its final determinations, pursuant to sections 705(d) and 735(d) of the Act, that an industry in the United States is materially injured by reason of subsidized and LTFV imports of metal lockers from China, within the meaning of sections 705(b)(1)(A)(i) and 735(b)(1)(A)(i) of the Act.²

Scope of the Orders

The products covered by these orders are metal lockers from China. For a full description of the scope of these orders, *see* the Appendix to this notice.

AD Order

As stated above, on August 13, 2021, in accordance with section 735(d) of the Act, the ITC notified Commerce of its final determination that an industry in the United States is materially injured within the meaning of section 735(b)(1)(A)(i) of the Act by reason of imports of metal lockers from China that are sold in the United States at LTFV.³ Therefore, in accordance with sections 735(c)(2) and 736 of the Act, Commerce is issuing this AD order. Because the ITC determined that LTFV imports of metal lockers from China are materially injuring a U.S. industry, unliquidated entries of subject merchandise from China, entered or withdrawn from warehouse, for consumption, are subject to the assessment of antidumping duties.

Therefore, in accordance with section 736(a)(1) of the Act, Commerce intends to direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the merchandise for all relevant entries of metal lockers from China. Antidumping duties will be assessed on unliquidated entries of metal lockers from China entered, or withdrawn from warehouse, for consumption on or after February 11, 2021, the date of publication of the *AD Preliminary Determination*, but will not include entries occurring after the expiration of the provision measures period and before publication of the ITC's final injury determination, as further described below.⁴
