

the required notifications “once every calendar year” has meant by the end of each calendar year. The MSRB does not propose to move away from the current rule text that states the required notifications must be made “once every calendar year,” because this language is consistent with the language governing the obligations of municipal advisors to provide the same required notifications to municipal advisory clients. The MSRB believes that proposed amendments will provide clarification and flexibility on the sequencing of the required notifications. Specifically, proposed Supplementary Material .01 allows a dealer to provide the notifications to the applicable customers at any given point in each calendar year, but also recognizes that there may be additional customer(s) that effect a purchase or sale of a municipal security or hold a municipal security after the notifications have been delivered that calendar year. Accordingly, Supplementary Material .01 allows such customers to receive the notifications within the following rolling 12-month period. The MSRB would revise existing compliance resources, including the FAQs, as necessary to be aligned with the proposed rule change.

Permitting Notifications by Clearing Firms Per Agreement

The MSRB sought comment on draft amendments that proposed to exclude a dealer that is a party to a carrying agreement, where the carrying dealer provides such required notifications, from the requirements under Rule G–10. Both SIFMA and BDA generally supported this provision but suggested clarifying language to reflect the agreement to undertake the obligation to provide the required notifications. The MSRB is clarifying the proposed rule language to reflect firms’ agreement about which party will undertake the Rule G–10 notifications obligation.

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must

receive them no later than October 19, 2021. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. *Request for Waiver of Overpayment Recovery and Request for Change in Overpayment Recovery Rate—20 CFR 404.502, 404.506-404.512, 416.550-416.558, 416.570-416.571—0960-0037.* When Social Security beneficiaries and Supplemental Security Income (SSI) recipients receive an overpayment, they must return the extra money. These beneficiaries and recipients can use Form SSA-632-BK, Request for Waiver of Overpayment Recovery, to request a waiver from repaying their overpayment. Beneficiaries and recipients can also use Form SSA-634, Request for Change in Overpayment Recovery Rate, to request a change to the monthly recovery rate of their overpayment. The respondents must provide financial information to help the agency determine how much the overpaid person can afford to repay each month. The respondents are individuals who are overpaid Social Security or SSI payments who are requesting: (1) A waiver of recovery of an overpayment, or (2) a lesser rate of withholding.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars)*	Average wait time in field office or for teleservice centers (minutes)**	Total annual opportunity cost (dollars)***
SSA-632—Request for Waiver of Overpayment Recovery (If completing entire paper form, including the AFI authorization)	400,000	1	120	800,000	* \$10.95	** 21	*** \$10,293,000
SSA-634—Request for Change in Overpayment Recovery Rate (Completing paper form)	100,000	1	45	75,000	* 10.95	** 21	*** 1,204,500
Totals	500,000			875,000			*** 11,497,500

* We based this figure on the average DI payments based on SSA's current FY 2021 data (<https://www.ssa.gov/legislation/2021FactSheet.pdf>).
 ** We based this figure on averaging both the average FY 2021 wait times for field offices and teleservice centers, based on SSA's current management information data.
 *** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. *There is no actual charge to respondents to complete the application.*

2. *Statement of Claimant or Other Person—20 CFR 404.702 and 416.570—0960-0045.* SSA uses Form SSA-795, Statement of Claimant or Other Person, in special situations where there is no authorized form or questionnaire, yet we require a signed statement from the applicant, claimant, or other individuals who have knowledge of facts, in connection with claims for Social Security benefits or SSI. The

information we request on the SSA-795 is of sufficient importance that we need both a signed statement and a penalty clause. SSA uses this information to process, in addition to claims for benefits, issues about continuing eligibility; ongoing benefit amounts; use of funds by a representative payee; fraud investigation; and other program-related matters. The most common respondents are applicants for, or recipients of,

Social Security or SSI. Respondents also include friends and relatives of the involved parties, coworkers, neighbors, or anyone else in a position to provide information pertinent to the issue(s).

Type of Request: Revision of an OMB-approved information collection.
