AGENCY: Office on Violence Against Women, Department of Justice.

ACTION: 60-Day notice.

SUMMARY: The Department of Justice, Office on Violence Against Women (OVW) will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

DATES: Comments are encouraged and will be accepted for 60 days until October 22, 2021.

FOR FURTHER INFORMATION CONTACT: Written comments and/or suggestion regarding the items contained in this notice, especially the estimated public burden and associated response time, should be directed to Cathy Poston, Office on Violence Against Women, at 202-514-5430 or Catherine.poston@usdoj.gov.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* OVW Solicitation Template.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: 1122-0020. U.S. Department of Justice, OVW.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: The affected public includes applicants to OVW grant programs authorized under the Violence Against Women Act of 1994 as amended. These include States, territories, Tribes or units of local government, institutions of higher education including colleges and universities, tribal organizations, Federal, State, tribal, territorial or local courts or court-based programs, State sexual assault coalitions, State domestic violence coalitions; territorial domestic violence or sexual assault coalitions, tribal coalitions, community-based organizations, and non-profit, nongovernmental organizations. The purpose of the solicitation template is to provide a framework to develop program-specific announcements soliciting applications for funding. A program solicitation outlines the specifics of the funding program; describes the requirements for

eligibility; instructs an applicant on the necessary components of an application under a specific program (e.g., project activities and timeline, proposed budget); and provides registration dates, due dates, and instructions on how to apply within the designated application system. OVW is proposing revisions to the current OMB-approved solicitation template to reduce duplicative language, employ plain language, ensure consistency, outline all requirements clearly, and conform with 2 CFR part 200, Uniform Administrative Requirements, Cost Requirements, Cost Principles, and Audit Requirements for Federal Awards.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that information will be collected annually from the approximately 1,800 respondents (applicants to the OVW grant programs). The public reporting burden for this collection of information is estimated at up to 30 hours per application. The 30-hour estimate is based on the amount of time to prepare a narrative, budget and other materials for the application and, if required, to coordinate with and develop a memorandum of understanding with requisite project partners.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 54,000 hours.

If additional information is required contact: Melody Braswell, Deputy Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Two Constitution Square, 145 N Street NE, 3E, 405B, Washington, DC 20530.

ACTION: 30-Day notice; request for comments; submission to the Office of Management and Budget for review and approval.

SUMMARY: The Millennium Challenge Corporation (MCC) will submit the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice and invites the public to comment on the proposed collection. Public comments were previously requested via the **Federal Register** on April 22, 2021 during a 60-day comment period (86 FR 21358, April 22, 2021). This notice allows for an additional 30 days for public comment.

DATES: Comments are due by September 22, 2021.

ADDRESSES: This information collection request may be viewed at <https://www.reginfo.gov>. Follow the instructions to view Millennium Challenge Corporation collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website: <https://www.reginfo.gov/public/do/PRAMain>.

Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function and entering the title of the collection.

FOR FURTHER INFORMATION CONTACT: Requests for additional information regarding the collection listed in this notice, including requests for copies of the proposed collection instrument and supporting documentation, may be directed to Christopher Ice, Acting Chief Information Officer, MCC, pra@mcc.gov, (202) 521-2652.

SUPPLEMENTARY INFORMATION:

Title of Information Collection: MCC Restricted Data Use Application.

OMB Control Number: Not assigned.

Type of Review: A new information collection.

Affected Public: The likely respondents are expected to be researchers, including university and college faculty and students, who will use this data for statistical analysis.

Estimated Number of Respondents: Approximately 50 new respondents are expected annually to access MCC-funded restricted data.

Frequency: One application for each restricted data package for which access is requested by a respondent.

Estimated Average Burden per Response: 90 minutes.

Estimated Total Annual Burden: 4,500 hours total.

Respondents' Obligation: Voluntary reply.

Abstract: MCC is committed to providing public access to high-value data collected as part of the development, implementation, and evaluation of MCC-funded assistance programs, while being equally committed to protecting the confidentiality of individuals and organizations from which the data are collected. To achieve these twin aims, MCC publishes de-identified public use files of microdata on its website through the MCC Evaluation Catalog. In addition, MCC plans to make restricted data files available in cases where the de-identification efforts for public use files would significantly impair the analytic potential of the data, or where the data contain highly sensitive information that cannot be shared as a public-use file. However, access to restricted data will only be granted to users who meet eligibility criteria and agree to terms of access established by MCC, including agreeing to follow strict requirements for maintaining data confidentiality. The MCC Restricted Data Use Application collects information that will be used by MCC and its data steward, the University of Michigan's Interagency Consortium for Political and Social Research (ICPSR), to evaluate whether respondents qualify for access to MCC's restricted data. The application, which will be submitted electronically, requires the provision of specific information by the respondent, such as (i) the name, contact information, and CV/Resume/Biosketch for each person that will access the restricted data, (ii) a research proposal describing the need for the data and how it will be used, (iii) evidence of Institutional Review Board approval or exemption of the research proposal, and (iv) a signed restricted data use agreement.

(Authority: Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35))

Dated: August 18, 2021.

Acting VP/General Counsel and Corporate Secretary.
