

Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,<sup>30</sup> which requires that the rules of an exchange be designed to promote just and equitable principles of trade, to remove impediments and to perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission also believes that the proposal is consistent with Sections 6(b)(1) and 6(b)(6) of the Act<sup>31</sup> which require that the rules of an exchange enforce compliance with, and provide appropriate discipline for, violations of Commission and Exchange rules. Finally, the Commission finds that the proposal is consistent with the public interest, the protection of investors, or otherwise in furtherance of the purposes of the Act, as required by Rule 19d-1(c)(2) under the Act,<sup>32</sup> which governs minor rule violation plans.

As stated above, the Exchange proposes to amend Rule 13.15(g) by: (1) Eliminating certain rule violations that the Exchange no longer believes to be minor in nature; (2) updating the fine schedule applicable to minor rule violations related to a Market-Maker's failure to meet Exchange quoting obligations; and (3) making other non-substantive changes.

The Commission believes that Rule 13.15 is an effective way to discipline a member for a minor violation of a rule. The Commission finds that the Exchange's proposal to eliminate rules that the Exchange no longer believes to be minor in nature from the MRVP and amending the fee schedule related to a Market-Maker's failure to meet the Exchange's quoting obligations is consistent with the Act because it may help the Exchange's ability to better carry out its oversight and enforcement responsibilities. Lastly, the Commission also believes that the Exchange's proposal to make non-substantive changes are consistent with the Act because they add clarity to the Exchange's rules.

In approving the propose rule change, the Commission in no way minimizes the importance of compliance with the Exchange's rules and all other rules subject to fines under Rule 13.15. The Commission believes that a violation of any self-regulatory organization's rules, as well as Commission rules, is a serious matter. However, Rule 13.15 provides a reasonable means of addressing rule

violations that may not rise to the level of requiring formal disciplinary proceedings, while providing greater flexibility in handling certain violations. The Commission expects that the Exchange will continue to conduct surveillance with due diligence and make a determination based on its findings, on a case-by-case basis, whether a fine of more or less than the recommended amount is appropriate for a violation under Rule 13.15 or whether a violation requires formal disciplinary action.

For the same reasons discussed above, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act,<sup>33</sup> for approving the proposed rule change prior to the thirtieth day after the date of publication of the notice of the filing thereof in the **Federal Register**. The proposal will assist the Exchange in preventing fraudulent and manipulative practices by allowing the Exchange to adequately enforce compliance with, and provide appropriate discipline for, violations of Exchange rules. Accordingly, the Commission believes that a full notice-and-comment period is not necessary before approving the proposal.

## V. Conclusion

*It is therefore ordered*, pursuant to Section 19(b)(2) of the Act<sup>34</sup> and Rule 19d-1(c)(2) thereunder,<sup>35</sup> that the proposed rule change (SR-CBOE-2021-045) be, and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>36</sup>

### Submission for OMB Review; Comment Request

*Upon Written Request, Copies Available*

From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

*Extension:*

Rule 17Ac2-1

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 17Ac2-1 (17 CFR 240.17Ac2-1), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 17Ac2-1, pursuant to Section 17A(c) of the Exchange Act, generally requires transfer agents for whom the Commission is the transfer agent’s Appropriate Regulatory Agency (“ARA”), to file an application for registration with the Commission on Form TA-1 and to amend their registrations under certain circumstances.

Specifically, Rule 17Ac2-1 requires transfer agents to file a Form TA-1 application for registration with the Commission where the Commission is their ARA. Such transfer agents must also amend their Form TA-1 if the existing information on their Form TA-1 becomes inaccurate, misleading, or incomplete within 60 days following the date the information became inaccurate, misleading or incomplete. Registration filings on Form TA-1 and amendments thereto must be filed with the Commission electronically, absent an exemption, on EDGAR pursuant to Regulation S-T (17 CFR 232).

The Commission annually receives approximately 199 filings on Form TA-1 from transfer agents required to register as such with the Commission. Included in this figure are approximately 167 amendments made annually by transfer agents to their Form TA-1 as required by Rule 17Ac2-1(c) to address information that has become inaccurate, misleading, or incomplete and approximately 32 new applications by transfer agents for registration on Form TA-1 as required by Rule 17Ac2-1(a). Based on past submissions, the staff estimates that on average approximately twelve hours are required for initial completion of Form TA-1 and that on average one and one-half hours are required for an amendment to Form TA-1 by each such firm. Thus, the subtotal burden for new applications for registration filed on Form TA-1 each year is approximately 384 hours (12 hours times 32 filers = 384) and the subtotal burden for amendments to Form TA-1 filed each year is approximately 251 hours (1.5 hours times 167 filers = 250.5 rounded up to 251). The cumulative total is approximately 635 burden hours per year (384 hours plus 251 hours).

Of the approximately 635 hours per year associated with Rule 17Ac2-1, the Commission staff estimates that (i) sixty percent (380.7 hours) are spent by compliance staff at an estimated hourly wage of \$283, for a total of \$107,738.10 per year (380.7 hours × \$283 per hour = \$107,738.10 per year); (ii) forty percent (253.8 hours) are spent by attorneys at an estimated hourly wage of \$380, for a total of \$96,444 per year (253.8 hours × \$380 per hour = \$96,444 per year); and (iii) the total internal cost of compliance associated with the Rule is thus approximately \$204,182.10 per year (\$107,738.10 in compliance staff costs + \$96,444 in attorney costs = \$204,182.10 per year).
