DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity; Data Collection for the Integrating Financial Capability and Employment Services Project (New Collection)

AGENCY: Office of Planning, Research, and Evaluation, Administration for Children and Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Office of Planning, Research, and Evaluation (OPRE), Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS), is

proposing a data collection activity as part of the Integrating Financial Capability and Employment Services Project. The objective of this project is to better understand financial capability interventions offered in the context of delivering employment and training services for low-income adults. This descriptive study intends to use this information to build more evidence about the extent, forms, and practices of incorporating financial capability interventions into organizations delivering employment and training services for low-income adult populations, and to help establish a basis for future research and evaluation in this area. This project will focus on organizations delivering employment and training services that also offer financial capability services to low-income adults.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: Copies of the proposed collection of information can be obtained and comments may be forwarded by emailing OPREinfocollection@acf.hhs.gov. Alternatively, copies can also be obtained by writing to the Administration for Children and Families, Office of Planning, Research, and Evaluation, 330 C Street SW, Washington, DC 20201, Attn: OPRE Reports Clearance Officer. All requests, emailed or written, should be identified by the title of the information collection.

SUPPLEMENTARY INFORMATION:
Description: The objective of the Integrating Financial Capability and Employment Services Project is to better understand financial capability interventions offered in the context of delivering employment and training services for low-income adults. This

descriptive study intends to use the information collected to build more evidence about the extent, forms, and practices of incorporating financial capability interventions into organizations delivering employment and training services for low-income adult populations, and to help establish a basis for future research and evaluation in this area. This project will focus on organizations delivering employment and training services that also offer financial capability services to low-income adults and will include:

- An online survey of organizations to document important factors driving the decision to incorporate financial capability services as well as key inputs, activities, and outputs involved in offering such services;
- phone interviews of administrators of organizations to gather qualitative information on how organizations implement financial capability across a variety of program types;
- virtual site visits to four organizations to collect in-depth qualitative information from multiple perspectives on notable models;
- interviews with participants to provide context on participants' perspectives on these services;
- interviews with employers offering financial capability services to collect qualitative information on the types of financial capability services delivered in the employer context; and
- focus groups with administrators of organizations to identify challenges integrating financial capability services into employment and training services.

Respondents: Individuals that are currently receiving or have received financial capability services; administrators, managers, and staff of employment and training programs; managers and staff of programs that partner with employment and training programs; and leadership at private employers.

Administration for Children and Families

Submission for OMB Review; Evaluation of the Family Unification Program—Extension (OMB #0970-0514)

AGENCY: Office of Planning, Research, and Evaluation, Administration for Children and Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Administration for Children and Families (ACF) at the U.S. Department of Health and Human Services (HHS) requests an extension to continue data collection for the Evaluation of the Family Unification Program (FUP) (OMB #0970-0514). Information collection activities requested include interviews, focus group discussions, program data, and administrative data collection.

DATES: *Comments due within 30 days of publication.* OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular

information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

SUPPLEMENTARY INFORMATION:

Description: The ACF, Office of Planning, Research, and Evaluation (OPRE) requests public comment on a proposed extension to a currently approved information collection for the Evaluation of FUP. The approved instruments, supporting statements, and attachments are available at https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202009-0970-004. No changes are proposed.

Activities include site visits to each program to speak with program leaders, partners and key stakeholders, front-line staff, and participants as well as program and administrative data collection. The evaluation will contribute to understanding the effects of FUP on project participants' child welfare involvement. This evaluation is part of a larger project to help ACF build the evidence base in child welfare through rigorous evaluation of programs, practices, and policies. The Department of Housing and Urban Development (HUD) funds and administers FUP. The study will also contribute to HUD's understanding of how housing can serve as a platform for improving quality of life.

Respondents: Public housing authority staff, public child welfare agency staff, other services provider staff, and child welfare-involved families.
