

Non-profits are milking our state and federal governments out of approximately \$100-\$150/acre per year of state and local taxes. By our accounts, because these Non-profits do not pay the local and state taxes, their burden is passed along to the local farmer, smaller communities and rural areas.

It is time for an investigation into these Non-profit organizations

Steel Industry

Previous administrations have stopped foreign imports which caused Us steel prices to skyrocket as major suppliers were only in our country. This lack of competition has doubled the steel price—leading to increased burden on farming operations. We need both. We support competition.

Finally, please stop allowing our country to be sold piece by piece to foreign entities. It seems of national interest that foreign ownership of our resources is unwise for economic and security reasons. Family-owned, hard-working Ag business are giving up the fight and giving in to the pressure of foreign ownership and the dollars it represents. We support legislation that would limit foreign investors ownership and control of American farmland and the inputs to support the industry around it.

From where we sit, it would be easy to believe that large corporations are allowed to merge with other conglomerates to the benefit of the individuals, governments and share-holders while Americans are unprotected even though Anti-Trust laws have been established but seemingly unenforced and ignored.

Please understand the need to open up imports and free trade! We as farmers have to compete with our products being exported to foreign markets, while our side has controlled input prices by tariffs being leveled by our government siding with big business. We see the economic impact of our government allowing monopolies without regard to Anti-Trust laws.

I invite more discussion on these matters. Feel free to call my cell [redacted]. I also want to personally invite you to be on the grounds of our small business and operations. I would welcome the conversation.

Thank you,
Mark Calmer

In addition, the

Consent Decree requires the GBZ Parties destroy any remaining defeat devices in their inventory or possession, surrender all intellectual property associated with defeat devices to EPA, and report periodically on their future involvement in the automotive industry. It also requires the GBZ Parties to pay a civil penalty of \$10,000, which was based on their financial situation.

DEPARTMENT OF LABOR

Employment and Training Administration

Notice of a Change in Status of the Extended Benefit (EB) Program for California, Connecticut, Illinois, Nevada, and Texas

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

This notice announces a change in benefit period eligibility under the EB program that has occurred since the publication of the last notice regarding the States’ EB status:

- Based on the data released by the Bureau of Labor Statistics on August 20, 2021, the seasonally-adjusted Total Unemployment Rate (TUR) for Connecticut fell below the 8.0 percent threshold necessary to remain “on” a High Unemployment Period in EB. Therefore beginning September 11, 2021, the maximum potential entitlement for claimants on EB in Connecticut will decrease from 20 weeks to 13 weeks. Also, the seasonally-adjusted TUR for Texas fell below the 6.5 percent threshold necessary to remain “on” EB, thus the EB payable period for Texas will end on September 11, 2021.

- In addition, language in state laws which conditioned the applicability of the TUR trigger on full Federal funding resulted in “off” indicators for California, Illinois, and Nevada for the week ending August 21, 2021. This will end any payable period associated with the TUR trigger for these states on September 11, 2021.

The trigger notice covering state eligibility for the EB program can be found at: http://ows.doleta.gov/unemploy/claims_arch.as.

Information for Claimants

The duration of benefits payable in the EB program, and the terms and conditions on which they are payable, are governed by the Federal-State Extended Unemployment Compensation Act of 1970, as amended, and the operating instructions issued to the states by the U.S. Department of Labor.

Persons who believe they may be entitled to EB, or who wish to inquire about their rights under the program, should contact their State Workforce Agency.
