

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves implementation of regulations within 33 CFR part 100 applicable to organized marine events on the navigable waters of the United States that could negatively impact the safety of waterway users and shore side activities in the event area for 6 hours. It is categorically excluded from further review under paragraph L61 of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Memorandum for the Record supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

DEPARTMENT OF EDUCATION

34 CFR Part 600

[Docket ID ED–2018–OPE–0076]

RIN 1840–AD38

Distance Education and Innovation; Correction

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Correcting amendments.

SUMMARY: On September 2, 2020, the Department of Education (Department) published in the **Federal Register** a final

rule to amend the general, establishing eligibility, maintaining eligibility, and losing eligibility sections of the Institutional Eligibility regulations issued under the Higher Education Act of 1965, as amended (HEA), related to distance education and innovation, as well as the Student Assistance General Provisions regulations issued under the HEA (Distance Education and Innovation Rule). This document corrects the text in the regulations.

DATES: This correction is effective on September 3, 2021.

FOR FURTHER INFORMATION CONTACT:

Gregory Martin at (202) 453-7535 or Gregory.Martin@ed.gov.

If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call the Federal Relay Service (FRS), toll free, at 1-800-877-8339.

SUPPLEMENTARY INFORMATION: The Department's Distance Education and Innovation Rule, published in the **Federal Register** on September 2, 2020 (85 FR 54742), contained an error in the amendatory language that resulted in the deletion of 34 CFR 600.20(f), (g), and (h). This correction restores those paragraphs.

Waiver of Proposed Rulemaking and Negotiated Rulemaking

In accordance with the Administrative Procedure Act, 5 U.S.C. 553, the Department generally offers interested parties the opportunity to comment on proposed regulations. However, the actions in this document merely correct a technical error, and thus, the Department has determined that publication of a proposed rule is unnecessary under 5 U.S.C. 553(b)(B).

In addition, under section 492 of the HEA (20 U.S.C. 1098a), all regulations proposed by the Department for programs authorized under title IV of the HEA are subject to negotiated rulemaking requirements. Section 492(b)(2) of the HEA provides that negotiated rulemaking may be waived for good cause when doing so would be "impracticable, unnecessary, or contrary to the public interest." There is likewise good cause to waive the negotiated rulemaking requirement in this case, since, as explained above, notice and comment rulemaking is unnecessary.

Accessible Format: On request to the program contact person listed under **FOR FURTHER INFORMATION CONTACT**, individuals with disabilities can obtain this document in an accessible format. The Department will provide the requestor with an accessible format that may include Rich Text Format (RTF) or text format (txt), a thumb drive, an MP3

file, braille, large print, audiotape, or compact disc, or other accessible format.

Electronic Access to This Document: The official version of this document is the document published in the **Federal Register**. You may access the official edition of the **Federal Register** and the Code of Federal Regulations at www.govinfo.gov. At this site you can view this document, as well as all other documents of this Department published in the **Federal Register**, in text or Portable Document Format (PDF). Michelle Asha Cooper,

Acting Assistant Secretary for Postsecondary Education.

Accordingly, the Secretary corrects 34 CFR part 600 by making the following correcting amendment:

PART 600—INSTITUTIONAL ELIGIBILITY UNDER THE HIGHER EDUCATION ACT OF 1965, AS AMENDED

■ 1. The authority citation for part 600 continues to read as follows:

Authority: 20 U.S.C. 1001, 1002, 1003, 1088, 1091, 1094, 1099b, and 1099c, unless otherwise noted.

■ 2. Section 600.20 is amended by adding paragraphs (f) through (h) and a parenthetical OMB approval note to read as follows:

§ 600.20 Notice and application procedures for establishing, reestablishing, maintaining, or expanding institutional eligibility and certification.

* * * * *

(f) *Disbursement rules related to applications.* (1)(i) Except as provided under paragraph (f)(1)(ii) of this section and 34 CFR 668.26, if an institution submits an application under paragraph (b)(2)(i) of this section because its participation period is scheduled to expire, after that expiration date the institution may not disburse title IV, HEA program funds to students attending that institution until the

institution receives the Secretary's notification that the institution is again eligible to participate in those programs.

(ii) An institution described in paragraph (f)(1)(i) of this section may disburse title IV, HEA program funds to its students if the institution submits to the Secretary a materially complete renewal application in accordance with the provisions of 34 CFR 668.13(b)(2), and has not received a final decision from the Department on that application.

(2)(i) Except as provided under paragraph (f)(2)(ii) of this section and 34 CFR 668.26, if a private nonprofit, private for-profit, or public institution submits an application under paragraph (b)(2)(ii) or (iii) of this section because it has undergone or will undergo a change in ownership that results in a change of control or a change in status, the institution may not disburse title IV, HEA program funds to students attending that institution after the change of ownership or status until the institution receives the Secretary's notification that the institution is eligible to participate in those programs.

(ii) An institution described in paragraph (f)(2)(i) of this section may disburse title IV, HEA program funds to its students if the Secretary issues a provisional extension of certification under paragraph (g) of this section.

(3) If an institution must apply to the Secretary under paragraphs (c)(1) through (4) of this section, the institution may not disburse title IV, HEA program funds to students attending the subject location, program, or branch until the institution receives the Secretary's notification that the location, program, or branch is eligible to participate in the title IV, HEA programs.

(4) If an institution applies to the Secretary under paragraph (c)(5) of this section to convert an eligible location to a branch campus, the institution may continue to disburse title IV, HEA program funds to students attending that eligible location.

(5) If an institution does not apply to the Secretary to obtain the Secretary's approval of a new location, program, increased level of program offering, or branch, and the location, program, or branch does not qualify as an eligible location, program, or branch of that institution under this part and 34 CFR part 668, the institution is liable for all title IV, HEA program funds it disburses to students enrolled at that location or branch or in that program.

(g) *Application for provisional extension of certification.* (1) If a private nonprofit institution, a private for-profit institution, or a public institution

participating in the title IV, HEA programs undergoes a change in ownership that results in a change of control as described in § 600.31, the Secretary may continue the institution's participation in those programs on a provisional basis, if the institution under the new ownership submits a "materially complete application" that is received by the Secretary no later than 10 business days after the day the change occurs.

(2) For purposes of this section, a private nonprofit institution, a private for-profit institution, or a public institution submits a materially complete application if it submits a fully completed application form designated by the Secretary supported by—

(i) A copy of the institution's State license or equivalent document that—as of the day before the change in ownership—authorized or will authorize the institution to provide a program of postsecondary education in the State in which it is physically located;

(ii) A copy of the document from the institution's accrediting association that—as of the day before the change in ownership—granted or will grant the institution accreditation status, including approval of any non-degree programs it offers;

(iii) Audited financial statements of the institution's two most recently completed fiscal years that are prepared and audited in accordance with the requirements of 34 CFR 668.23; and

(iv) Audited financial statements of the institution's new owner's two most recently completed fiscal years that are prepared and audited in accordance with the requirements of 34 CFR 668.23, or equivalent information for that owner that is acceptable to the Secretary.

(h) *Terms of the extension.* (1) If the Secretary approves the institution's materially complete application, the Secretary provides the institution with a provisional Program Participation Agreement (PPA). The provisional PPA extends the terms and conditions of the program participation agreement that were in effect for the institution before its change of ownership.

(2) The provisional PPA expires on the earlier of—

(i) The date on which the Secretary signs a new program participation agreement;

(ii) The date on which the Secretary notifies the institution that its application is denied; or

(iii) The last day of the month following the month in which the change of ownership occurred, unless the provisions of paragraph (h)(3) of this section apply.

(3) If the provisional PPA will expire under the provisions of paragraph (h)(2)(iii) of this section, the Secretary extends the provisional PPA on a month-to-month basis after the expiration date described in paragraph (h)(2)(iii) of this section if, prior to that expiration date, the institution provides the Secretary with—

(i) A "same day" balance sheet showing the financial position of the institution, as of the date of the ownership change, that is prepared in accordance with Generally Accepted Accounting Principles (GAAP) published by the Financial Accounting Standards Board and audited in accordance with Generally Accepted Government Auditing Standards (GAGAS) published by the U.S. General Accounting Office;

(ii) If not already provided, approval of the change of ownership from the State in which the institution is located by the agency that authorizes the institution to legally provide postsecondary education in that State;

(iii) If not already provided, approval of the change of ownership from the institution's accrediting agency; and

(iv) A default management plan unless the institution is exempt from providing that plan under 34 CFR 668.14(b)(15).
