

the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If a respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review where applicable.

Regarding entries of subject merchandise during the period of review that were produced by Perfiles and Regiopytsa and for which they did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate of 3.76 percent, as established in the LTFV investigation, if there is no rate for the intermediate company(ies) involved in the transaction.¹⁷ For a full discussion of this matter, see *Assessment Policy Notice*.¹⁸

For those companies which were not individually examined, we will instruct CBP to assess antidumping duties at an *ad valorem* rate equal to each company's weighted-average dumping margin as determined in the final results of this review.

Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a). The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review where applicable.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The

cash deposit rate for each specific company listed above will be equal to the weighted-average dumping margin established in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rates will be zero; (2) for companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the producer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate of 3.76 percent.¹⁹

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: August 31, 2021.

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Commerce received timely-filed withdrawal requests with respect to the following companies: Giti Radial Tire (Anhui) Company Ltd.; Giti Tire Global Trading Pte. Ltd.; Giti Tire (Fujian) Company Ltd.; Giti Tire (Hualin) Company Ltd.; Haohua Orient International Trade Ltd.; Qingdao Lakesea Tyre Co., Ltd.; Riversun Industry Limited; Safe & Well (HK) International Trading Limited; Sailun Group (HongKong) Co., Limited., formerly known as Sailun Jinyu Group (Hong Kong) Co., Limited; Sailun Group Co., Ltd., formerly known as Sailun Jinyu Group Co., Ltd.; Sailun Tire Americas Inc., formerly known as SJI North America Inc.; Sailun Tire International Corp; Shandong Guofeng Rubber Plastics Co., Ltd.; Shandong Linglong Tyre Co., Ltd.; Shandong New Continent Tyre Co., Ltd.; Shandong Wanda Boto Tyre Co., Ltd.; Shouguang Firemax Tyre Co., Ltd.; Windforce Tyre Co., Limited; and Zhaqing Junhong Co., Ltd., pursuant to 19 CFR 351.213(d)(1). Because the withdrawal requests were timely filed, and no other parties requested a review of these companies, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the *Order* with respect to these 19 companies noted above.

Intent To Rescind Administrative Review, in Part

It is Commerce's practice is to rescind an administrative review of a CVD order, pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of

subject merchandise during the POR for which liquidation is suspended.⁵ Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate calculated for the review period.⁶ Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the calculated CVD assessment rate calculated for the review period.⁷

According to the CBP import data, eight companies subject to this review did not have reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁸ Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we intend to rescind this administrative review with respect to these eight companies, in accordance with 19 CFR 351.213(d)(3).

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an "authority" that confers a benefit to the recipient, and that the subsidy is specific.⁹ For a full description of the methodology underlying our conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.

Preliminary Rate for Non-Selected Companies Under Review

There are three companies for which a review was requested and not rescinded, and which were not selected for individual examination as mandatory respondents or found to be cross-owned with a mandatory respondent. The statute and Commerce's regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides the basis for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs Commerce, as a general rule, to calculate an all-others rate equal to the weighted average of the countervailable subsidy rates established for exporters and/or producers individually examined, excluding any rates that are zero, *de minimis*, or based entirely on facts available. In this review, only one mandatory respondent, Sumitomo Rubber (Hunan) Co., Ltd. (Sumitomo Rubber), had a rate which was not zero, *de minimis*, or based entirely on facts available. Thus, for the companies for which a review was requested that were not selected as mandatory company respondents and for which Commerce is not rescinding the review, Commerce is basing the subsidy rate on the rate calculated for Sumitomo Rubber.

Preliminary Results of the Review

We preliminarily determine the following net countervailable subsidy rates for the period January 1, 2019, through December 31, 2019:

Producer/exporter	Subsidy rate (percent)
Sumitomo Rubber (Hunan) Co., Ltd. and its cross-owned affiliates ¹⁰	25.49
Triangle Tyre Co., Ltd	124.92

Producer/exporter	Subsidy rate (percent)
Review-Specific Average Rate Applicable to the Following Companies ¹¹	
Jiangsu Hankook Tire Co., Ltd	25.49
Qingdao Landwinner Tyre Co., Ltd	25.49
Shandong Province Sanli Tire Manufacture Co., Ltd	25.49

Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this review are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. request for a hearing is made, parties will be notified of the date and time for the hearing to be determined.

Unless extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producer/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review. For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2019, through December 31, 2019, in accordance with 19 CFR 351.212(c)(1)(i). For the companies remaining in the review, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts calculated in the final results of this review for the respective companies listed above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit

requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: August 31, 2021.
