SUPPLEMENTARY INFORMATION:**Internal Revenue Service (IRS)**

Title: Waiver of 60-Day Rollover Requirement.

OMB Control Number: 1545-2269.

Type of Review: Reinstatement without change of a currently approved collection.

Description: Revenue Procedure 2020-46 modifies and updates Rev. Proc. 2016-47, 2016-37 I.R.B. 346. Section 3.02(2) of Rev. Proc. 2016-47 provides a list of permissible reasons for self-certification of eligibility for a waiver of the 60-day rollover requirement, and, in response to requests from stakeholders, this revenue procedure modifies that list by adding a new reason: A distribution was made to a state unclaimed property fund. As under Rev. Proc. 2016-47, a self-certification relates only to the reasons for missing the 60-day deadline, not to whether a distribution is otherwise eligible to be rolled over. An appendix contains a model letter that may be used for self-certification.

Upon receipt of a self-certification, a plan administrator or IRA trustee may accept the contribution and treat it as having satisfied the requirements for a waiver of the 60-day requirement. Currently, the only way for a taxpayer to obtain a waiver of the 60-day requirement with respect to an amount distributed to a state unclaimed property fund is to apply to the Internal Revenue Service (IRS) for a favorable ruling, which is issued by the Tax Exempt and Government Entities Division (TE/GE). The user fee for a ruling is \$10,000. The program outlined in this revenue procedure permits taxpayers to receive the benefits of a waiver without paying a user fee.

Revenue Procedure Number: 2020-46.

Affected Public: Individuals or Households.

Estimated Number of Respondents: 160.

Frequency of Response: On occasion.

Estimated Total Number of Annual Responses: 160.

Estimated Time per Response: 3 hours.

Estimated Total Annual Burden Hours: 480 hours.

Authority: 44 U.S.C. 3501 *et seq.*

Dated: September 2, 2021.

Title: FNMA Forms 1004, 1004C, 1025, 2055 and 1075.

OMB Control Number: 2900-0890.

Type of Review: Extension of a currently approved collection.

Abstract: This information collection package seeks approval of VA's requirement that appraisers utilize certain industry-standard forms in completing an appraisal. 38 U.S.C. 3731 authorizes the VA Secretary to establish a panel of appraisers, prescribe qualifications for such appraisers, and determine reasonable value of a property, construction, repairs or alterations based on an appraisal report provided by a panel appraiser for the purpose of guaranteeing a loan.

VA is requesting approval to authorize collection of these forms because accurate and thorough appraisal reporting is critical to the accuracy of underwriting for the mortgage process. Additionally, VA is looking to expand the list of authorized forms for use due to ongoing needs related to the pandemic. This collection of information provides a more thorough and complete appraisal of prospective VA-guaranteed properties ensuring that mortgages are acceptable for VA guarantee and thereby protect the interest of VA, taxpayers, and the Veterans Housing Benefit Program Fund. Policies and procedures for governing the VA appraisal program are set forth in Chapter 36, Title 38 of the CFR.

Affected Public: Individuals or Households.

Estimated Annual Burden: 10,833.

Estimated Average Burden per Respondent: 1 minute.
