DEPARTMENT OF COMMERCE

Census Bureau

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Data Collection Form for Reporting on Audits of States, Local Governments, Indian Tribes, Institutions of Higher Education, and Nonprofit Organizations

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on April 22, 2021, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: U.S. Census Bureau, Commerce.

Title: Data Collection Form for Reporting on Audits of States, Local Governments, Indian Tribes, Institutions of Higher Education, and Nonprofit Organizations.

OMB Control Number: 0607-0518.

Form Number(s): SF-SAC.

Type of Request: Regular submission, Request for an Extension, without Change, of a Currently Approved Collection.

Number of Respondents: 80,000 (40,000 auditees and 40,000 auditors).

Average Hours per Response: 100 hours for large auditees (approx. 400 respondents) and 21 hours for all other auditees (approx. 79,600 respondents).

Burden Hours: 1,711,600.

Needs and Uses: Each year, more than \$700 billion in federal assistance awards are expended by more than 100,000 non-federal entities (states, local governments, Indian tribes and tribal organizations, institutions of higher education, and nonprofit organizations) throughout the country. To improve business-like practices and provide greater accountability over federal awards, the Single Audit Act Amendments of 1996 (Pub. L. 104-156) and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR part 200, or Uniform Guidance) imposed certain audit reporting and recordkeeping requirements on non-federal entities/auditees that expend \$750,000 or more in federal awards per year, as well as on their auditors.

Non-federal entities are required by the Single Audit Act Amendments of 1996 and Uniform Guidance to have audits conducted of their federal awards and file the resulting reporting packages (Single Audit reports) and data collection forms (Form SF-SAC) with the Federal Audit Clearinghouse (FAC). The Form SF-SAC is Appendix X to 2 CFR part 200. The Office of Management and Budget (OMB) has designated the Census Bureau as the FAC to serve as the government-wide repository of record for Single Audit reports.

The Single Audit process is a primary method used by federal agencies and pass-through entities to provide oversight of federal awards and reduce risk of non-compliance and improper payments. This includes following up on audit findings and questioned costs.

Entities meeting the dollar threshold defined in OMB Uniform Guidance must submit the Form SF-SAC and their Single Audit reporting package to the FAC. The entity must complete the Single Audit submission every fiscal period they meet the reporting dollar threshold.

The information collection provides data about auditees, the federal awards they expend, and the results of their audits. This information is used by entities responsible for overseeing the funding and administration of Federal awards (e.g., Congress, Federal agencies,
