

file monthly operations reports on TTB F 5120.17, approved under OMB No. 1513-0053. Brewers, depending on their annual tax liability, file operations reports either on a monthly basis using TTB F 5130.9 or on a quarterly basis using TTB F 5130.9 or TTB F 5130.26, both of which are approved under OMB No. 1513-0007.

As part of TTB's efforts to lower respondent burden, the Bureau is developing a combined tax return and simplified operations report and intends to pilot the use of it with alcohol excise taxpayers. Under this pilot, alcohol excise taxpayers will submit a letterhead application to join the pilot program as an alternative method to their filing the current tax return and operations reports under existing regulatory requirements. Once approved, taxpayers participating in the pilot program will file their combined alcohol excise return and simplified operations report under the due dates currently applicable to their excise tax returns.

The collected information will allow TTB to identify the excise taxpayer, the amount of taxes due, and the amount of payments made, as well as the amount of wine, distilled spirits, or beer the taxpayer produced, removed, transferred, and disposed of during the reporting period, which effects the amount of alcohol excise tax due.

**Current Actions:** This new information collection request consists of two collections—a letterhead application filed by wine, distilled spirits, and beer taxpayers to participate in this pilot program as an alternate method, and a combined excise tax return and simplified operations report form (on paper or its electronic equivalent) filed by the pilot program participants. The estimated number of participating respondents included in this request is intended to cover different phases of the pilot, with increasing numbers of participants in later phases. TTB intends this alternative method to reduce respondent burden by reducing the amount of information TTB collects on its currently separate excise tax returns and operations reports. TTB estimates that this pilot program will significantly reduce the overall burden hours for alcohol excise taxpayers when compared to the current burden for filing separate tax returns and filing the current operations reports.

**Type of Review:** New collection request.

**Affected Public:** Businesses or other for-profits.
