## SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA-2021-0025]

### Request for Information on Potential Disability Insurance and Supplemental Security Income Demonstrations

**AGENCY:** Social Security Administration.  
**ACTION:** Notice; request for information.

**SUMMARY:** We administer the Disability Insurance (DI) and Supplemental Security Income (SSI) programs to provide income support to people with disabilities. The Commissioner of Social Security is authorized to test new program rules to promote attachment to the labor force and increase the employment and self-sufficiency of individuals receiving or applying for DI or SSI benefits, including children and youth; and to coordinate planning between private and public welfare agencies to improve the administration and effectiveness of the DI, SSI, and related programs. This request for information (RFI) seeks public input on potential services, supports, or DI and SSI policy changes that could achieve these goals. The input we receive will inform our deliberations about possible future demonstrations and tests. We will also use the responses as reference material as we provide Congress technical advice regarding any potential renewal of the section 234 authorization.

**DATES:** To ensure that your comments are considered, we must receive them no later than November 16, 2021.

coordinate planning between private and public welfare agencies to improve the administration and effectiveness of the DI, SSI, and related programs. This RFI offers interested parties, including States, community-based and other non-profit organizations, philanthropic organizations, researchers, and members of the public, the opportunity to provide information and recommendations on effective approaches for achieving these goals.

#### Background

We conduct demonstration projects under two authorities. Section 234 of the Social Security Act (Act) allows the Commissioner to test changes to the DI program designed to promote attachment to the labor force.<sup>3</sup> Section 234(d)(2) of the Act provides that the authority to initiate projects under section 234 terminates on December 31, 2021, and the authority to carry out such projects terminates on December 31, 2022. Second, Section 1110(a) of the Act allows us to enter into contracts, grants, and agreements to study a variety of topics related to reducing dependency on SSI, coordinating of social services, or improving the administration of our programs, while section 1110(b) of the Act allows us to waive SSI program rules to carry out such demonstrations in the course of conducting projects that are likely to assist in promoting the objectives or facilitate the administration of title XVI of the Act.<sup>4</sup> Participants in demonstrations conducted under section 234 or section 1110(b) must be volunteers who provide informed written consent and are capable of withdrawing their agreement to participate at any time.<sup>5</sup> In addition, SSI demonstrations cannot result in a substantial reduction in any individual's income because he or she participated in a demonstration. These authorities also include additional reporting and scope restrictions. We produce an annual report to Congress on current and recently completed demonstrations<sup>6</sup> and maintain public web pages with demonstration reports.<sup>7 8</sup>

### Request for Information

Through this notice, we are soliciting suggestions for potential policy changes and services related to supporting DI beneficiaries, SSI recipients, and disability program applicants in their efforts to return to, remaining in, or enter the labor force. We are also soliciting suggestions for other potential demonstrations. Responses to this request may inform our decisions about future demonstrations and how to design such projects. This notice is for our internal planning purposes only and should not be construed as a solicitation or as an obligation on our part or on the part of any participating Federal agencies. For each proposed idea, please be as clear as possible about:

1. The specific policy goal (e.g., increased labor force participation);
2. The target population (e.g., youth, denied applicants, potential applicants, new beneficiaries, older applicants);
3. The specific statute, regulation, or other policy being suggested for change, if any;
4. The proposed service;
5. The specific reason why the policy change or service is expected to achieve the policy goal for the target population (if available, logic models, theories of change, or other aids and evidence supporting the proposed policy change or service should be included);
6. The specific partnerships (e.g., Department of Labor, State Departments of Education, private employers, legal aid agencies), if any, we should consider to implement the demonstration; and
7. Any changes to our demonstration authorities that would be necessary to test the policy change or service.

### SURFACE TRANSPORTATION BOARD

**[Docket No. AB 310 (Sub-No. 3X)]**

#### **Utah Railway Company— Discontinuance of Service Exemption—in Carbon and Emery Counties, Utah**

On August 30, 2021, Utah Railway Company (UTAH), a Class III rail carrier, filed a petition under 49 U.S.C. 10502 for exemption from the prior approval requirements of 49 U.S.C. 10903 to discontinue service over a railroad line between approximately milepost 0.25 near Helper, Utah, in Carbon County and approximately milepost 25.3 near Mohrland, Utah, in Emery County, a distance of approximately 25.05 miles (the Line). The Line traverses U.S. Postal Service Zip Codes 84526, 84501, 84527, and 84528. The Line includes stations at Martin, at milepost 0.8, and Wildcat, at milepost 6.2.

The petition indicates that the Line is stub-ended and only serves a single freight customer, Wildcat Midstream Limited Partnership (Wildcat Midstream).<sup>1</sup> (Pet. 5.) UTAH has agreed to lease the segment between milepost 0.2 and milepost 9.0 to Wildcat Midstream for Wildcat Midstream's use as a private industrial side track. (*Id.* at 3.) Pursuant to that plan, UTAH will continue to move rail cars for Wildcat Midstream over the leased track and will continue to provide common carrier switching service to the interstate rail network over the connecting track between milepost 0.2 and milepost 0.0. (*Id.*)

UTAH asserts that, because it is seeking discontinuance rather than an abandonment, the question of whether the Line contains any federally granted

<sup>1</sup> UTAH refers to the shipper as Wildcat Midstream Partners, LLC, but in a support letter attached to the petition the shipper calls itself Wildcat Midstream Limited Partnership. (Pet. 3, Ex. E.)

rights-of-way is inapplicable. (*Id.* at 2.) UTAH also states that any documentation related to title in its possession will be made available to those requesting it. (*Id.*)

As a condition to this exemption, any employee adversely affected by the discontinuance of service shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979).

By issuance of this notice, the Board is instituting an exemption proceeding pursuant to 49 U.S.C. 10502(b). A final decision will be issued by December 17, 2021.

Because this is a discontinuance proceeding and not an abandonment, interim trail use/rail banking and public use conditions are not appropriate. Because there will be environmental review during any subsequent abandonment, this discontinuance does not require an environmental review. See 49 CFR 1105.6(c)(5), 1105.8(b).

Any offer of financial assistance (OFA) for subsidy under 49 CFR 1152.27(b)(2) will be due no later than 120 days after the filing of the petition for exemption, or 10 days after service of a decision granting the petition for exemption, whichever occurs sooner.<sup>2</sup> Persons interested in submitting an OFA must first file a formal expression of intent to file an offer by September 27, 2021, indicating the intent to file an OFA for subsidy and demonstrating that they are preliminarily financially responsible. See 49 CFR 1152.27(c)(1)(i).

All filings in response to this notice must refer to Docket No. AB 310 (Sub-No. 3X) and should be filed with the Surface Transportation Board via e-filing on the Board's website. In addition, a copy of each pleading must be served on UTAH's representative, Justin J. Marks, Clark Hill PLC, 1001 Pennsylvania Ave. NW, Suite 1300 South, Washington, DC 20004. Replies to the petition are due on or before October 7, 2021.

Persons seeking further information concerning discontinuance procedures may contact the Board's Office of Public Assistance, Governmental Affairs, and Compliance at (202) 245-0238 or refer to the full abandonment and discontinuance regulations at 49 CFR part 1152. Questions concerning environmental issues may be directed to the Board's Office of Environmental Analysis at (202) 245-0294. Assistance for the hearing impaired is available

<sup>2</sup> The filing fee for OFAs can be found at 49 CFR 1002.2(f)(25).
