**Administration for Children and Families**

**Proposed Information Collection Activity; Unaccompanied Children (UC) Program Budget Workbook Template (New Collection)**

**AGENCY:** Office of Refugee Resettlement, Administration for Children and Families, HHS.

**ACTION:** Request for public comment.

**SUMMARY:** The Administration for Children and Families' (ACF) Office of Refugee Resettlement (ORR) is requesting clearance for the proposed new collection titled "UC Program Budget Workbook" to streamline budget details and justifications of applicants to funding opportunities.

**DATES:** *Comments due within 60 days of publication.* In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting

public comment on the specific aspects of the information collection described above.

**ADDRESSES:** Copies of the proposed collection of information can be obtained and comments may be forwarded by emailing [infocollection@acf.hhs.gov](mailto:infocollection@acf.hhs.gov). Alternatively, copies can also be obtained by writing to the Administration for Children and Families, Office of Planning, Research, and Evaluation (OPRE), 330 C Street SW, Washington, DC 20201, Attn: ACF Reports Clearance Officer. All requests, emailed or written, should be identified by the title of the information collection.

**SUPPLEMENTARY INFORMATION:**

*Description:* The UC Program Budget Workbook will streamline the budget detail and justification documentation for applicants to any upcoming Notice of Funding Opportunity (NOFO). This new information collection will provide guidance to the applicant as well as a fillable form to insert calculations and budget line items. With the assistance of this template, the review of applications will be expedited since documentation will be clearer and more unified. Additionally, this will facilitate the completion of applications that may not otherwise be completed due to lack of budget documentation guidance in past NOFOs.

*Respondents:* New and existing applicants to NOFOs for residential services for UC.

**ANNUAL BURDEN ESTIMATES**

Instrument	Total number of respondents	Total number of responses per respondent	Average burden hours per response	Total burden hours	Annual burden hours
UC Program Budget Form .....	120	3	90	32,400	10,800

*Estimated Total Annual Burden Hours:* 10,800.

*Comments:* The Department specifically requests comments on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

**Submission for OMB Review; Early Head Start Family and Child Experiences Survey 2022 (Baby FACES 2022)**

**AGENCY:** Office of Planning, Research, and Evaluation, Administration for Children and Families, HHS.

**ACTION:** Request for public comment.

**SUMMARY:** The Administration for Children and Families (ACF) at the U.S. Department of Health and Human Services (HHS) seeks approval to continue to collect descriptive

information for the Early Head Start Family and Child Experiences Survey 2022 (Baby FACES 2022). This information collection is to provide nationally representative data on Early Head Start (EHS) programs, centers, classrooms, staff, and families to guide program planning, technical assistance, and research. This data collection will complete the previously approved second round of data collection originally planned to take place in 2020 (OMB 0970–0354). The work began in early 2020 but had to be postponed after only 3 weeks due to the COVID–19 pandemic. No changes are proposed to the currently approved information collection materials.

**DATES:** *Comments due within 30 days of publication.* OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

**SUPPLEMENTARY INFORMATION:**  
*Description:* Baby FACES 2018 and 2022 build upon a prior study (Baby FACES 2009; OMB 0970–0354) that longitudinally followed two cohorts of children through their experience in the program. While the 2009 study provided a great deal of information about program participation over time and about services received by children and families, it did not allow for national level estimates of service quality or inferences about children who enter the program after 15 months of age. To fill these knowledge gaps and to answer additional questions about how programs function, the design for the

information collection in 2022 will refresh the nationally representative cross-sectional sample of programs, centers, home visitors, teachers, classrooms, children, and families that was used in Baby FACES 2018. Freshening the sample will allow new programs that came into being since 2018 a chance to enter the study. This design allows for nationally representative estimates at all levels at a point in time and includes the entire age span of enrolled children.

The goal of this work is to obtain updated information on EHS programs and understand better how program processes support relationships (e.g., between home visitors and parents, between parents and children, and between teachers and children) that are hypothesized to lead to improved child and family outcomes.

*Respondents:* EHS program directors, child care center directors, teachers and home visitors, and parents of enrolled children.

**ANNUAL BURDEN ESTIMATES**

Instrument	Number of respondents (total over request period)	Number of responses per respondent (total over request period)	Avg. burden per response (in hours)	Total burden (in hours)	Annual burden (in hours)
Classroom/home visitor sampling form (from EHS staff) ....	407	1	0.17	69	35
Child roster form (from EHS staff) .....	252	1	0.33	83	42
Parent consent form .....	2,495	1	0.17	424	212
Parent survey .....	2,084	1	0.53	1105	553
Parent Child Report .....	2,008	1	0.33	663	332
Staff survey (Teacher survey and Home Visitor survey) ....	1,317	1	0.5	659	330
Staff Child Report .....	1,046	2.13	0.25	557	279
Program director survey .....	120	1	0.5	60	30
Center director survey .....	294	1	0.5	147	74
Parent-child interaction .....	996	1	0.17	169	85

*Estimated Total Annual Burden Hours:* 1,972.

*Note:* In the **Federal Register** Notice providing a 60-day comment period on this information collection (86 FR 38490), while number of respondents, number of responses per respondent, and estimated response time were provided correctly for the Staff Child Report, there was a calculation error for total and annual estimated burden. The burden estimates in this current notice reflect accurate calculations.

*Authority:* Sec. 645A and 649 of the Improving Head Start for School Readiness Act of 2007.
