**SUPPLEMENTARY INFORMATION:** The Copyright Act, title 17 of the United States Code, grants to sound recordings copyright owners the exclusive right to publicly perform sound recordings by means of certain digital audio transmissions, subject to limitations. Specifically, the right is limited by the statutory license in section 114, which allows nonexempt noninteractive digital subscription services, eligible nonsubscription services, and preexisting satellite digital audio radio services to perform publicly sound recordings by means of digital audio transmissions. 17 U.S.C. 114(f). In addition, a statutory license in section 112 allows a service to make necessary ephemeral reproductions to facilitate digital transmission of the sound recording. 17 U.S.C. 112(e).

Licenses may operate under these licenses provided they pay the royalty fees and comply with the terms set by the Copyright Royalty Judges. The rates and terms for the section 112 and 114 licenses are codified in 37 CFR parts 380 and 382-84.

As one of the terms for these licenses, the Judges designated SoundExchange, Inc., (SoundExchange) as the Collective, *i.e.*, the organization charged with collecting the royalty payments and statements of account submitted by eligible nonexempt noninteractive digital subscription services such as Commercial Webcasters and with distributing the royalties to the copyright owners and performers entitled to receive them under the section 112 and 114 licenses. *See* 37 CFR 380.4(d).

As the Collective, SoundExchange may, only once a year, conduct an audit of a licensee for any or all of the prior three calendar years to verify royalty payments. SoundExchange must first file with the Judges a notice of intent to audit a licensee and deliver the notice to the licensee. *See* 37 CFR 380.6. On September 14, 2021, SoundExchange filed with the Judges a notice of intent to audit iHeartMedia for the years 2018-2020.

The Judges must publish notice in the **Federal Register** within 30 days of receipt of a notice announcing the Collective's intent to conduct an audit. *See* 37 CFR 380.6(c). This notice fulfills

the Judges' publication obligation with respect to SoundExchange's September 14, 2021 notice of intent to audit.

Dated: September 22, 2021.

Section 741.5 prescribes the method in which federally insured credit unions must submit this information to NCUA. NCUA Form 5300, Call Report, is used to file quarterly financial and statistical data through NCUA's online portal, CUOnline.

The financial and statistical information is essential to NCUA in

carrying out its responsibility for supervising federal credit unions. The information also enables NCUA to monitor all federally insured credit unions with National Credit Union Share Insurance Fund (NCUSIF) insured share accounts.

*Affected Public:* Private Sector: Not-for-profit institutions.

*Estimated No. of Respondents:* 5,031.

*Estimated No. of Responses per Respondent:* 4.

*Estimated Total Annual Responses:* 20,124.

*Estimated Burden Hours per Response:* 4.

*Estimated Total Annual Burden Hours:* 80,049.

*Reason for Change:* The Call Report is being restructured to streamline the schedules, retire obsolete account codes, and accommodate the Risk-Based Capital Ratio Calculation schedule. Revisions are attributed to adding schedules for Off-Balance Sheet Exposures and the Risk-Based Capital Ratio Calculation. Adjustments have been made to the number of respondents due to the decline in the number of federally insured credit unions, which has averaged approximately one percent per quarter.

*Request for Comments:* Comments submitted in response to this notice will be summarized and included in the request for Office of Management and Budget approval. All comments will become a matter of public record. The public is invited to submit comments concerning: (a) Whether the collection of information is necessary for the proper execution of the function of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of the information on the respondents, including the use of automated collection techniques or other forms of information technology.
