

display location. From 7:45 p.m. to 7:55 p.m. on October 9, 2021 the loaded fireworks barge will transit from the Dutra Group, Oly Yard 615 River Road, Rio Vista, CA to the launch site off of Rio Vista, CA in approximate position 38°09'15.53" N, 121°41'17.01" W (NAD 83), where it will remain until the conclusion of the fireworks display. During the 15-minute fireworks display, scheduled to begin at approximately 8:45 p.m. on October 9, 2021, and 30 minutes after the conclusion of the fireworks display, the safety zone will increase in size and encompass all navigable waters of the Sacramento River, from surface to bottom, within a circle formed by connecting all points 1000 feet out from the fireworks barge near Rio Vista, CA in approximate position 38°09'15.53" N, 121°41'17.01" W (NAD 83). This safety zone will be enforced from noon until 9:30 p.m. on October 9, 2021, or as announced via Broadcast Notice to Mariners.

In addition to this notification of enforcement in the **Federal Register**, the Coast Guard plans to provide notification of this enforcement period via the Local Notice to Mariners.

Under the provisions of 33 CFR 165.1191, unauthorized persons or vessels are prohibited from entering into, transiting through, or anchoring in the safety zone during all applicable effective dates and times, unless authorized to do so by the PATCOM or other Official Patrol defined as a federal, state, or local law enforcement agency on scene to assist the Coast Guard in enforcing the regulated area. Additionally, each person who receives notice of a lawful order or direction issued by the PATCOM or Official Patrol shall obey the order or direction. The PATCOM or Official Patrol may, upon request, allow the transit of commercial vessels through regulated areas when it is safe to do so.

If the Captain of the Port determines that the regulated area need not be enforced for the full duration stated in this notice, a Broadcast Notice to Mariners may be used to grant general permission to enter the regulated area.

Dated: September 23, 2021.

Taylor Q. Lam,

Captain, U.S. Coast Guard, Captain of the Port, Sector San Francisco.

Coast Guard

33 CFR Part 165

[Docket Number USCG-2021-0692]

RIN 1625-AA00

Safety Zone; Ocean Cup, Pacific Rum Run, Catalina Island, California

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a safety zone near Ship Rock, Catalina Island, in support of the Ocean Cup Pacific Rum Run. This action is necessary to protect the area near Ship Rock, Catalina Island, public vessels, and the high speed vessels participating in the event. This regulation would prohibit vessels from entering into, transiting through, or remaining within the designated area unless specifically authorized by the Captain of the Port, Los Angeles—Long Beach, or her designated representative. **DATES:** This rule is effective from 7 a.m. to 10 a.m. on October 1, 2021.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG-2021-0692 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email LCDR Maria Wiener, U.S. Coast Guard Sector Los Angeles—Long Beach; telephone (310) 521-3860, email D11-SMB-SectorLALB-WWM@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
DHS Department of Homeland Security
E.O. Executive order
FR Federal Register
LLNR Light List Number
NPRM Notice of proposed rulemaking
Pub. L. Public Law
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Pacific Rum Run race is the fifth race planned as part of the Ocean Cup Over the Horizon World Speed Record Series. The racecourse begins off Huntington Beach Pier, proceeds to Ship Rock and circumnavigates Catalina Island back to Ship Rock, and returns to

the finish at the Huntington Beach Pier. The Captain of the Port (COTP), Los Angeles—Long Beach has determined that potential hazards associated with event safety may arise due to the expected high concentration of vessels in the general area along with the high-speed race vessels. For these reasons the Coast Guard believes that a safety zone is necessary to ensure the safety of, and reduce the risk to, the public, and mariners around Catalina Island.

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. The Coast Guard did not receive final details for this event until August 25, 2021. There was insufficient time to undergo the full rulemaking process, including providing a reasonable comment period and considering those comments, because the Coast Guard must establish this temporary safety zone by September 30, 2021.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to address potentially hazardous conditions associated with high-speed maneuvers from aircraft and waterborne vessels for a search and rescue demonstration.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port (COTP), Los Angeles—Long Beach has determined that potential hazards associated with event safety may arise due to the expected high concentration of vessels in the general area along with the high-speed race vessels. The purpose of this rule is to ensure the safety of, and reduce the risk to, the public, and mariners around Catalina Island before, during, and after the scheduled event.

IV. Discussion of the Rule

This rule establishes a safety zone from 7 a.m. to 10 a.m. on October 1, 2021. The safety zone would encompass all navigable waters from the surface to the sea floor consisting of a line connecting the following coordinates: 33°27'38" N, 118°30'09" W, 33°27'51" N, 118°29'53" W, 33°27'34" N, 118°28'54", 33°27'12" N, 118°29'17" W. The duration of the zone is intended to ensure the safety of vessels and these navigable waters before, during, and after the scheduled race. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive Orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive Orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, and duration of the safety zone. Commercial vessel traffic will be able to safely transit through this safety zone, with coordination by the Captain of the Port or their designated representative. The Coast Guard and Vessel Traffic Service/Marine Exchange will coordinate and mitigate all inbound and outbound commercial traffic movements through the race course. Recreational traffic will be able to transit around this safety zone, which is near the Two Harbors, Catalina entrance.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small

businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator. If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of

power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone encompassing an area near Ship Rock, Catalina Island for the Ocean Cup Pacific Rum Run. It is categorically excluded from further review under paragraph 60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protestors. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to

coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.2.

■ 2. Add § 165.T11–065 to read as follows:

§ 165.T11–065 Safety Zone; Ocean Cup, The Pacific Rum Run, Catalina, California.

(a) *Location.* The following area is a safety zone: All navigable waters from the surface to the sea floor consisting of a line connecting the following coordinates: 33°27′38″ N, 118°30′09″ W, 33°27′51″ N, 118°29′53″ W 33°27′34″ N, 118°28′54″, 33°27′12″ N, 118°29′17″ W. All coordinates displayed are referenced by North American Datum of 1983, World Geodetic System, 1984.

(b) *Definitions.* For the purposes of this section, *designated representative* means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Los Angeles—Long Beach (COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) During the enforcement period, vessels and persons are prohibited from entering into, transiting through, or remaining within the safety zone described in paragraph (a) of this section unless authorized by the Captain of the Port or her designated representative.

(2) To seek permission to enter, hail Coast Guard Sector Los Angeles—Long Beach on VHF–FM Channel 16 or call at (310) 521–3801. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP’s designated representative.

(d) *Notification.* Coast Guard Sector Los Angeles—Long Beach will use all appropriate means to notify the public in advance of an event of the enforcement of this safety zone to

include publishing a Notice of Enforcement in the **Federal Register** and through the Local Notice to Mariners and Broadcast Notice to Mariners.

(e) *Enforcement period.* This safety zone will be enforced from 7 a.m. to 10 a.m. on October 1, 2021.

Dated: September 23, 2021.

R.E. Ore,

Captain, U.S. Coast Guard, Captain of the Port, Los Angeles Long Beach.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG–2021–0691]

RIN 1625–AA00

Safety Zone; Pacific Airshow Huntington Beach, California

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Temporary final rule.

SUMMARY: The U.S. Coast Guard is establishing a safety zone offshore of Huntington Beach, CA, in support of the Pacific Airshow. This action is necessary to provide for the safety of life on these navigable waters in the area of the Coast Guard air and water demonstration and to protect the high concentration of people attending the event. This regulation prohibits vessels from entering into, transiting through, or remaining within the designated area unless specifically authorized by the Captain of the Port, Sector Los Angeles—Long Beach (COTP), or a designated representative.

DATES: This rule is effective from 7 a.m. on September 30, 2021, through 5 p.m. on October 3, 2021.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG–2021–0691 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. The Coast Guard did not receive final details for this event until August 25, 2021. There was insufficient time to undergo the full rulemaking process, including providing a reasonable comment period and considering those comments, because the Coast Guard must establish this temporary safety zone by September 30, 2021.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to address potentially hazardous conditions associated with high-speed maneuvers from aircraft and waterborne vessels for a search and rescue demonstration.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U. S. C. 70034. The COTP has determined that potential hazards associated with this event. The sponsor will be conducting an air show in vicinity of the Huntington Beach Pier, for a period of four days. This air show will consist of numerous military and civilian aircraft performing aerobatic maneuvers at high speed within the lateral limits of an aerobatic box that would extend from the surface of the water to 15,000 feet above mean sea level (MSL). The event at Huntington Beach generates over 800 spectator craft in attendance each year. The COTP has determined that potential hazards associated with navigation safety may arise due to multiple low flying aircraft flight paths and stunt performances over the waters off Huntington Beach. This
