48 CFR Parts 802, 852, and 853

RIN 2900-AR30

VA Acquisition Regulation: Definitions, Solicitation Provisions and Contract Clauses, and Forms

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: This final rule amends the Veterans Affairs Acquisition Regulation (VAAR) to provide needed editorial changes. VA is publishing a technical amendment to make minor administrative corrections in the definitions, clauses, provisions and forms, and to remove duplicate or outdated definitions associated with the previously published rules.

DATES: This rule is effective on November 1, 2021.

FOR FURTHER INFORMATION CONTACT: Mr. Rafael N. Taylor, Senior Procurement Analyst, Procurement Policy and Warrant Management Services, 003A2A, 425 I Street NW, Washington, DC 20001, (202) 382-2787. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION:

Background

The purpose of this rule is to make minor final revisions and edits to three completed parts that are necessary to conform with FAR writing style, standard Government publication formats and drafting standards. VA is updating these parts to ensure standardization in titles with FAR drafting principles, as well as to update any VA organizational changes subsequent to the final rules. In particular, this rulemaking makes technical administrative amendments to part 802, Definitions; part 852, Solicitation Provisions and Contract Clauses; and part 853, Forms.

The three parts addressed in this action have been reviewed and revised as affected parts during the course of the VAAR rewrite project. This is, therefore, a technical, non-substantive change to the texts of these three parts to ensure conformity with those standards.

Discussion and Analysis

Technical corrections include the following:

a. For part 802:

(1) Section 802.101 is amended to revise the definition for the Chief Acquisition Officer; the definition for COTR has been removed; the definition for COR has been added to reflect the

current use of COR; the definitions for HCA and SPE have been revised to reflect the current organization structure of VA, and to update the website listed for Vendor Information Pages (VIP) has been updated.

(2) Section 802.101 is also amended to delete the following definitions: Deputy Senior Procurement Executive (DSPE) and Resident Engineer. The DSPE role is currently inactive at the VA and the current definition for “Resident Engineer” is inaccurate and unnecessary.

b. For part 852:

(1) Section 852.101 is redesignated as section 852.101-70 to conform with the VAAR numbering convention.

(2) Section 852.102 is amended to correct the word “chapter” because it was misspelled and to update website addresses in paragraphs (e) and (f) that have since changed.

(3) Subpart 852.2 is amended to capitalize all the major words in the section titles of the provisions and clauses.

(4) Section 852.216-75 is amended to delete the word “clause” in the title and to capitalize the major words in the title of the clause.

c. For part 853:

(1) Subpart 853.2 is amended to remove section 853.201 and section 853.201-1 as they include references to the “VA Contracting Officer Certification Program” which no longer exists.

(2) Subpart 853.2 is amended to remove section 853.215 and section 853.215-70 as they are no longer referenced within the VAAR.

(3) Amend Section 853.236 as well as sections 853.236-70, 853.236-71, and 853.236-72 to standardize the format and style convention.

(4) Amend subpart 853.2 to remove sections 853.271-1 and 853.271-2 as this coverage is no longer needed in the VAAR as the authority to perform the functions outlined in these sections are established by other provisions of law.

Notice and Comment

This rule makes administrative changes that do not require notice and comment procedures, consistent with 41 U.S.C. 1707, 48 CFR 1.301, and related authority. The changes will not have a significant effect on any party and will not have a significant cost or administrative impact on contractors or offerors.

Executive Orders 12866 and 13563

Executive Order 12866—Regulatory Planning and Review directs agencies to assess the costs and benefits of available regulatory alternatives and, if regulation

is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563—Improving Regulation and Regulatory Review emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility.

The Office of Management and Budget (OMB) has determined that this rule is not a significant regulatory action under Executive Order 12866. The Regulatory Impact Analysis associated with this rulemaking can be found as a supporting document at www.regulations.gov.

Regulatory Flexibility Act

The Secretary hereby certifies that this final rule would not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act (5 U.S.C. 601–612). This rulemaking does not change VA's policy regarding small businesses, does not have an economic impact to individual businesses, and there are no increased or decreased costs to small business entities. Therefore, pursuant to 5 U.S.C. 605(b), the initial and final regulatory flexibility analysis requirements of 5 U.S.C. 603 and 604 do not apply.

Paperwork Reduction Act

This final rule does not contain any information collection requirements that require approval by the Office of Management and Budget under the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Congressional Review Act

Pursuant to the Congressional Review Act (5 U.S.C. 801 *et seq.*), the Office of Information and Regulatory Affairs designated this rule as not a major rule, as defined by 5 U.S.C. 804(2).

BILLING CODE 8320–01–P

DEPARTMENT OF VETERANS AFFAIRS**48 CFR Parts 852 and 871****RIN 2900–AQ76****VA Acquisition Regulation: Loan Guaranty and Vocational Rehabilitation and Employment Programs**

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: The Department of Veterans Affairs (VA) is amending and updating its VA Acquisition Regulation (VAAR) in phased increments to revise or remove any policy superseded by changes in the Federal Acquisition Regulation (FAR), to remove procedural guidance internal to VA into the VA Acquisition Manual (VAAM), and to incorporate any new agency specific regulations or policies. This rulemaking revises VAAR coverage concerning Loan Guaranty and Vocational Rehabilitation and Employment Programs, as well as an affected part concerning Solicitation Provisions and Contract Clauses.

DATES: This rule is effective on November 1, 2021.

FOR FURTHER INFORMATION CONTACT: Mr. Rafael N. Taylor, Senior Procurement Analyst, Procurement Policy and Warrant Management Services, 003A2A, 425 I Street NW, Washington, DC 20001, (202) 382–2787. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION:**Background**

On June 30, 2020, VA published a proposed rule in the **Federal Register** (85 FR 39151) which announced VA's intent to amend regulations for VAAR Case RIN 2900–AQ76 (parts 852 and 871). VA provided a 60-day comment period for the public to respond to the proposed rule and submit comments. The comment period for the proposed rule ended on August 31, 2020, and VA received no comments. This rule adopts as a final rule, with two technical non-substantive changes to the proposed rule published in the **Federal Register** on June 30, 2020.

These changes seek to align the VAAR with the FAR and remove outdated and

duplicative requirements and reduce burden on contractors. The VAAM incorporates portions of the removed VAAR as well as other internal agency acquisition policy. VA will rewrite certain parts of the VAAR and VAAM, and as VAAR parts are rewritten, will publish them in the **Federal Register**.

Technical Non-Substantive Changes to the Proposed Rule

VA is removing proposed section 871.209, Records and reports. VA has determined this section is unnecessary and no information collection requirements are required under subpart 871.2. Any records and reports requirements related to Veterans training are captured under other existing Veterans Benefits Administration policy and information collection requirements unrelated to this text or are covered by standard record keeping requirements and retention periods as set forth in FAR subpart 4.7. Accordingly, VA has renumbered the remaining proposed sections to 871.209, Prohibition on advertising—training of Veterans (from 871.209), and 871.210, Contract clauses (from 871.211), a result of this removal.

VA has updated the Table of Contents in subpart 817.2 to reflect the above removals and renumbering.

Executive Orders 12866 and 13563

Executive Orders (E.O.s) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, when regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, and other advantages; distributive impacts; and equity). E.O. 13563 (Improving Regulation and Regulatory Review) emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and promoting flexibility. The Office of Information and Regulatory Affairs has determined that this rule is not a significant regulatory action under Executive Order 12866. The Regulatory Impact Analysis associated with this rulemaking can be found as a supporting document at www.regulations.gov.

Paperwork Reduction Act

This final rule contains no provisions constituting a collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3521) that require approval by the Office of Management and Budget (OMB).
