#### **Mandatory Electronic Filing of Applications and Reports Administered by the International Bureau**

**AGENCY:** Federal Communications Commission.

**ACTION:** Final rule.

**SUMMARY:** In this document, the Commission requires that any remaining applications and reports administered by the International Bureau and filed on paper or through an alternative filing process be filed only electronically through the Commission's International Bureau Filing System. Specifically, the Commission modifies its rules to mandate the electronic filings of applications for permits to deliver programs to foreign stations, applications for International High Frequency Broadcast Stations, and quarterly reports filed by U.S.-authorized carriers that are affiliates of foreign carriers with market power on the foreign end of a U.S.-international route, and to remove a duplicate paper filing requirement for satellite cost-recovery declarations.

#### **Final Regulatory Flexibility Analysis**

Because these rule changes are being adopted without notice and comment, the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, does not apply to this Order.

#### **Paperwork Reduction Act**

This Order does not contain new or substantively modified information collections subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104-13, 44 U.S.C. 3501-3520. Specifically, the changes to existing

information collections, including mandatory electronic filing for Section 325(c) Applications, IHF Applications, and Dominant Carrier Section 63.10(c) Quarterly Reports are non-substantive. Because these changes are non-substantive, there is also no new or modified information collection burden for small business concerns with fewer than 25 employees pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, *see* 44 U.S.C. 3506(c)(4).

After the adoption and release of this Order, the Commission submitted the changes to the Office of Management and Budget (OMB) and received the OMB approvals. The Commission also received emergency approval from OMB for certain requirements that were inadvertently omitted from existing information collections. The relevant OMB Control numbers are 3060-0678, 3060-0686, 3060-1035, 3060-1133, and 3060-1290.

#### **Congressional Review Act**

The Commission will not send a copy of this Order to Congress and the Government Accountability Office pursuant to 5 U.S.C. 801(a)(1)(A), because the adopted rules are rules of agency organization, procedure, or practice that do not substantially affect the rights or obligations of non-agency parties.
