

(“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Regulation R, Rule 701 (17 CFR 247.701) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Regulation R, Rule 701 requires a broker or dealer (as part of a written agreement between the bank and the broker or dealer) to notify the bank if the broker or dealer makes certain determinations regarding the financial status of the customer, a bank employee’s statutory disqualification status, and compliance with suitability or sophistication standards.

The Commission estimates there are 3,560 registered brokers or dealers that would, on average, notify 1,000 banks approximately two times annually about a determination regarding a customer’s high net worth or institutional status or suitability or sophistication standing as well as a bank employee’s statutory disqualification status. Based on these estimates, the Commission anticipates that Regulation R, Rule 701 would result in brokers or dealers making approximately 2,000 notifications to banks per year. The Commission further estimates (based on the level of difficulty and complexity of the applicable activities) that a broker or dealer would spend approximately 15 minutes per notice to a bank. Therefore, the estimated total annual third party disclosure burden for the requirements in Regulation R, Rule 701 is 500¹ hours for brokers or dealers.

The retention period for the recordkeeping requirement under Rule 17Ad-2(c), (d), and (h) is not less than two years following the date the notice is submitted. The recordkeeping requirement under this rule is mandatory to assist the Commission in monitoring transfer agents who fail to meet the minimum performance standards set by the Commission rule. This rule does not involve the collection of confidential information. Please note

that a transfer agent is not required to file under the rule unless it does not meet the minimum performance standards for turnaround, processing or forwarding items received for transfer during a month.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

The public may view background documentation for this information collection at the following website: www.reginfo.gov. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to (i) www.reginfo.gov/public/do/PRAMain and (ii) David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o Cynthia Roscoe, 100 F Street NE, Washington, DC 20549, or by sending an email to: PRA_Mailbox@sec.gov.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

FINRA is proposing amendments to Schedule A to the FINRA By-Laws to establish an administration and delivery fee for the Series 54 examination. The Municipal Securities Rulemaking Board ("MSRB") has established qualification classifications for municipal advisor professionals. The Commission approved amendments to MSRB Rule G-3 that established two new registration classifications for municipal advisors:⁶ (1) Municipal advisor

⁶ The term "municipal advisor" is defined to mean a person that: (i) Provides advice to or on behalf of a municipal entity or obligated person with respect to municipal financial products or the issuance of municipal securities, including advice with respect to the structure, timing, terms, and other similar matters concerning such financial products or issues; or (ii) undertakes a solicitation of a municipal entity. The definition includes financial advisors, guaranteed investment contract

representatives (*i.e.*, those individuals who engage in municipal advisory activities); and (2) municipal advisor principals (*i.e.*, those individuals who engage in the management, direction or supervision of the municipal advisory activities of the municipal advisor or its associated persons).⁷ Both municipal advisor representatives and municipal advisor principals are required to pass the Municipal Advisor Representative Examination ("Series 50 examination") to be qualified in accordance with MSRB rules.⁸

MSRB Rule G-3(e)(ii)(A) was amended to establish additional qualification requirements for municipal advisor principals, including the requirement to pass the Series 54 examination.⁹ Under the amended rule, municipal advisor principals are required to pass both the Series 50 examination and the Series 54 examination prior to becoming qualified as a municipal advisor principal.¹⁰

To provide persons who function as municipal advisor principals with sufficient time to satisfy the requirement to pass the new Series 54 examination,

brokers, third-party marketers, placement agents, solicitors, finders, and swap advisors that are engaged in municipal advisory activities, unless they are statutorily excluded. The definition does not include a municipal entity or an employee of a municipal entity. See 15 U.S.C. 78o-4(e)(4).

⁷ See Securities Exchange Act Release No. 74384 (February 26, 2015), 80 FR 11706 (March 4, 2015) (Notice of Filing of Amendment Nos. 1 & 2 and Order Granting Accelerated Approval of File No. SR-MSRB-2014-08).

⁸ See Securities Exchange Act Release No. 75865 (September 9, 2015), 80 FR 55407 (September 15, 2015) (Notice of Filing and Immediate Effectiveness of File No. SR-FINRA-2015-031).

⁹ See Securities Exchange Act Release No. 84630 (November 20, 2018), 83 FR 60927 (November 27, 2018) (Order Approving File No. SR-MSRB-2018-07).

¹⁰ *Supra* note 9.

the MSRB initially included a one-year grace period from the effective date of the Series 54 examination, during which a person functioning as a municipal advisor principal would be permitted to continue to engage in the management, direction or supervision of the municipal advisory activities of the municipal advisor and its associated persons so long as such person is qualified with the Series 50 examination.¹¹

The date by which individuals are required to become qualified with the Series 54 examination has been extended three times due to impacts related to the pandemic. In April 2020, the MSRB extended the date by which individuals were required to become qualified with the Series 54 examination from November 12, 2020 to March 31, 2021.¹² In December 2020, the MSRB further extended the time period from March 31, 2021 to November 12, 2021.¹³ In September 2021, the MSRB further extended the time period from November 12, 2021 to November 30, 2021.¹⁴

FINRA develops, maintains, and delivers all FINRA qualification examinations for individuals who are registered or seeking registration with FINRA. FINRA also administers and delivers examinations developed by the

MSRB and other self-regulatory organizations.¹⁵ The SEC has designated FINRA to administer and deliver the Series 54 examination for municipal advisors.¹⁶

FINRA currently administers examinations electronically through the PROCTOR® system¹⁷ at testing centers operated by vendors under contract with FINRA.¹⁸ For qualification examinations sponsored by a FINRA client and administered by FINRA, FINRA charges an administration and delivery fee that represents either a portion of or the entire examination fee. Consistent with this practice, FINRA charges an administration and delivery fee of \$115 for the Series 50 examination.¹⁹

The proposed administration and delivery fee for the Series 54 exam is also \$115.²⁰ The proposed administration and delivery fee will offset FINRA's costs associated with the administration and delivery of the Series 54 examination and, as discussed

¹⁵ In this regard, the Exchange Act provides that a registered securities association shall administer required qualification examinations for municipal securities brokers and municipal securities dealers who are members of the association. See 15 U.S.C. 78o-4(c)(7)(A)(i).

¹⁶ See Securities Exchange Act Release No. 75714 (August 17, 2015) 80 FR 50883 (August 21, 2015) (Designation of the Financial Industry Regulatory Authority to Administer Professional Qualification Tests for Associated Persons of Registered Municipal Advisors). Section 15B(c)(7)(A)(iii) of the Exchange Act requires that the SEC or its designee administer qualification examinations for municipal advisors. The SEC previously designated FINRA to examine FINRA members' activities as registered municipal advisors and evaluate compliance by such members with federal securities laws, SEC rules and regulations, and MSRB rules applicable to municipal advisors. See Securities Exchange Act Release No. 70462 (September 20, 2013), 78 FR 67468 (November 12, 2013) (S7-45-10) (Registration of Municipal Advisors).

¹⁷ PROCTOR is a computer system that is specifically designed for the administration and delivery of computer-based testing and training.

¹⁸ The MSRB has temporarily allowed the Series 54 examination to be taken online as an interim accommodation for individuals who need to become appropriately qualified as a municipal advisor principal before the compliance date. See *supra* note 14.

¹⁹ The administration and delivery fee represents a portion of the entire examination fee when a FINRA client has established an additional fee for an examination that it sponsors. The fee to take the Series 50 examination is \$265. Of this amount, \$115 is the FINRA administration and delivery fee, and \$150 is the development fee determined by the FINRA client, the MSRB. See MSRB Rule A-16. See *also supra* note 8.

²⁰ The fee to take the Series 54 examination is \$265. Of this amount, \$115 is the FINRA administration and delivery fee, and \$150 is the development fee determined by the FINRA client, the MSRB. See MSRB Rule A-16. See *also* Securities Exchange Act Release No. 85135 (February 14, 2019), 84 FR 5513, 5514 n.15 (February 21, 2019) (Notice of Filing and Immediate Effectiveness of File No. SR-MSRB-2019-02).

below, contribute to supporting FINRA's other operations.

FINRA has filed the proposed rule change for immediate effectiveness. The effective date and the implementation date will be the date of filing.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(5) of the Act,²¹ which requires, among other things, that FINRA rules provide for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system that FINRA operates or controls.

Reasonableness of the Proposed Fee

FINRA believes that the proposed administration and delivery fee for the Series 54 examination is reasonable. In establishing an administration and delivery fee of \$115 for the Series 54 examination, FINRA applied the same criteria as it does for establishing the fees for other examinations with similar characteristics related to test length and volume. In particular, the Series 54 examination fee is consistent with the fee charged for the Series 50 examination, which has the same number of questions (and thus requires the same testing time).

The proposed administration and delivery fee will be used to cover FINRA's costs associated with the administration and delivery of the Series 54 examination, including the fees that vendors charge FINRA for delivering qualification examinations through their test delivery networks and PROCTOR system maintenance and enhancement expenses. The proposed fee also will contribute to supporting FINRA's other operations. As FINRA has explained previously, it is not feasible to associate a direct affiliated revenue stream for each of its programs and thus numerous operations and services must be funded by other revenue sources, which include both general regulatory assessments and use-based fees.²²

The Proposed Fee Is Equitable and Not Unfairly Discriminatory

FINRA believes that the proposed administration and delivery fee for the Series 54 examination is equitable and not unfairly discriminatory. The proposed fee is a use-based fee and FINRA will charge the fee each time a municipal advisor representative accesses the content. Thus, the exam for

municipal advisor principals will be available on the same terms to every municipal advisor representative.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. FINRA believes that the establishment of the administration and delivery fee for the Series 54 examination will have a limited economic impact on the industry.

MSRB rules require every municipal advisor to have at least one municipal advisor principal.²³ There are approximately 500 registered municipal advisors.²⁴ The administration and delivery fees may be paid by the individuals taking the examination or their associated firms.

FINRA administers this examination as a service provider to the MSRB as designated by the SEC. In providing this service, FINRA is not exercising regulatory discretion and therefore is not itself imposing burdens on those individuals who may choose to sit for the examination. FINRA does exercise discretion in establishing the administration and delivery fee. Regardless of whether individuals pay the fee or some part of the fee is paid by firms, FINRA believes that the proposal is likely to have minimal effects on firms' costs or liquidity. The proposal will therefore have at most minimal competitive effects.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act²⁵ and paragraph (f)(2) of Rule 19b-4 thereunder.²⁶ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of

²³ MSRB Rule G-3(e)(iii).

Extension:

Rule 17Ad-13

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 17Ad-13 (17 CFR 240.17Ad-13), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17Ad-13 requires certain registered transfer agents to file annually with the Commission and the transfer agent's appropriate regulatory authority a report prepared by an independent accountant on the basis of a study and evaluation of the transfer agent's system of internal accounting controls for the transfer of record ownership and the safeguarding of related securities and funds. If the independent accountant's report specifies any material inadequacy in a transfer agent's system, the rule requires the transfer agent to notify the Commission and its appropriate regulatory agency in writing, within sixty calendar days after the transfer agent receives the independent accountant's report, of any corrective action taken or proposed to be taken by the transfer agent. In addition, Rule 17Ad-13 requires that transfer agents maintain the independent accountant's report and any other documents required by the rule for at least three years, the first year in an easily accessible place. These recordkeeping requirements assist the Commission and

other regulatory agencies with monitoring transfer agents and ensuring compliance with the rule. Small transfer agents and transfer agents that service only their own companies' securities are exempt from Rule 17Ad-13.

Approximately 100 professional independent transfer agents must file with the Commission one report prepared by an independent accountant pursuant to Rule 17Ad-13 each year. Commission staff estimates that, on average, the annual internal time burden for each transfer agent to submit the independent accountant's report to the Commission is minimal or zero. The time required for an independent accountant to conduct the study and evaluation of a transfer agent's system of internal accounting controls and complete the report varies depending on the size and nature of the transfer agent's operations. Commission staff estimates that, on average, each Rule 17Ad-13 report can be completed by the independent accountant in 120 hours. In light of Commission staff's review of previously filed Rule 17Ad-13 reports and Commission staff's conversations with transfer agents and accountants, Commission staff estimates that 120 hours are needed to perform the study and prepare the report on an annual basis. Commission staff estimates that the average hourly rate of an independent accountant is \$260, resulting in an annual external cost burden of \$31,200 for each of the approximately 100 professional independent transfer agents. The aggregate total annual external cost for the 100 respondents is approximately \$3,120,000.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have any practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
