

recreation fee of \$12 per night per person is proposed for overnight permits for certain areas located in the Maroon Bells-Snowmass Wilderness during peak permit season. An analysis of nearby developed recreation sites with similar amenities shows the proposed fees are reasonable and typical of similar sites in the area. Scenic, high alpine passes connect 173 miles of Forest System trails featuring rich wildlife and botanic biodiversity, natural hot springs, and breathtaking fall colors. These characteristics make Maroon Bells-Snowmass Wilderness a unique wilderness recreation destination. The proposed fee would help cover the costs of specialized services including managing the permit system's sustainable distribution of visitors, site restoration, increased Forest Service ranger presence, trash and human waste removal, increased local and regional outreach, and improvements to trail access, trailhead signage, and information kiosks.

These new fees will be reviewed and approved by a Forest Service Regional Recreation Fee Board and the Forest Service Regional Forester prior to a final decision and implementation.

People wanting to reserve these permits will be able to do so through Recreation.gov, at www.recreation.gov or by calling 1-877-444-6777.

Dated: October 1, 2021.

Sandra Watts,

Acting Associate Deputy Chief, National Forest System.

BILLING CODE 3411-15-P

ACTION: Notice and opportunity for public comment.

SUMMARY: The Economic Development Administration (EDA) has received petitions for certification of eligibility to apply for Trade Adjustment Assistance from the firms listed below.

Accordingly, EDA has initiated investigations to determine whether increased imports into the United States of articles like or directly competitive with those produced by each of the firms contributed importantly to the total or partial separation of the firms' workers, or threat thereof, and to a decrease in sales or production of each petitioning firm.
