Certain Oil Country Tubular Goods From the Socialist Republic of Vietnam: Preliminary Results of Antidumping Duty Administrative Review; 2019-2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that certain oil country tubular goods (OCTG) from the Socialist Republic of Vietnam were sold in the United States at less than normal value (NV) during the period of review (POR) September 1, 2019 through August 31, 2020.

Interested parties are invited to comment on these preliminary results.

DATES: Applicable October 7, 2021.

FOR FURTHER INFORMATION CONTACT: Fred Baker, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2924.

SUPPLEMENTARY INFORMATION:**Background**

On October 30, 2020, Commerce initiated an administrative review of the antidumping duty order on OCTG from

Vietnam.¹ The review covers SeAH Steel VINA Corporation (SeAH VINA) and its U.S. affiliate Pusan Pipe America, Inc. (Pusan Pipe) (collectively, SSV).² On May 27, 2021, Commerce extended the deadline for these preliminary results by 120 days, to September 30, 2021, in accordance with section 751 (a)(3)(A) of the Act, and 19 CFR 351.213(h)(2).³

For a full description of events that have occurred since the *Initiation Notice*, see the Preliminary Decision Memorandum.⁴ A list of topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>.

Scope of the Order

The merchandise covered by the order is certain OCTG. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce conducted this review in accordance with sections 751(a)(1)(B) and 751(a)(2)(A) of the Tariff Act of 1930, as amended (the Act). Constructed export prices have been calculated in accordance with section 772(b) of the Act. Because Vietnam is a non-market economy (NME) within the meaning of section 771(18) of the Act, NV has been calculated in accordance with section 773(c) of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 85 FR 68840 (October 30, 2020) (*Initiation Notice*).

² Pusan Pipe is the importer of record for all of SeAH VINA's shipments of subject merchandise to the United States during the POR. See SSV's Letter, "Administrative Review of the Antidumping Duty Order on Certain Oil Country Tubular Goods from Vietnam—Response to the Department's November 4 Questionnaire," dated December 4, 2020 at 1.

³ See Memorandum, "Oil Country Tubular Goods from the Socialist Republic of Vietnam: Extension of Deadline for Preliminary Results of Antidumping Duty Administrative Review," dated May 27, 2021.

⁴ See Memorandum, "Certain Oil Country Tubular Goods from the Socialist Republic of Vietnam: Decision Memorandum for the Preliminary Results of Antidumping Duty Administrative Review," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

Vietnam-Wide Entity

Commerce's policy regarding conditional review of the Vietnam-wide entity applies to this administrative review.⁵ Under this policy, the Vietnam-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the Vietnam-wide entity in this review, the entity is not under review and the entity's rate (*i.e.*, 111.47 percent)⁶ is not subject to change.

Preliminary Results of Review

Commerce preliminarily determines that the following weighted-average dumping margin exists for the period September 1, 2019, through August 31, 2020:

Exporter	Weighted-average margin (percent)
SeAH Steel VINA Corporation ⁷	4.67

Disclosure, Public Comment and Opportunity To Request a Hearing

Commerce will disclose the calculations used in our analysis to parties in this review within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). Interested parties may submit case briefs within 30 days after the date of publication of these preliminary results of review in the **Federal Register**.⁸ Rebuttals to case briefs, which must be limited to issues raised in the case briefs, may be filed within seven days

⁵ See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65963 (November 4, 2013).

⁶ See *Certain Oil Country Tubular Goods from India, the Republic of Korea, Taiwan, the Republic of Turkey, and the Socialist Republic of Vietnam: Antidumping Duty Orders; and Certain Oil Country Tubular Goods from the Socialist Republic of Vietnam: Amended Final Determination of Sales at Less Than Fair Value*, 79 FR 53691 (September 10, 2014); see also *Certain Oil Country Tubular Goods from India, the Republic of Korea, Taiwan, the Republic of Turkey, and the Socialist Republic of Vietnam: Notice of Correction to the Antidumping Duty Orders with Respect to Turkey and the Socialist Republic of Vietnam*, 79 FR 59740 (October 3, 2014).

⁷ Commerce initiated a review of both SeAH VINA and Pusan Pipe, but the record shows that Pusan Pipe is a U.S. importer of OCTG that is affiliated with SeAH VINA and does not produce OCTG. See SSV's Letter, "Administrative Review of the Antidumping Duty Order on Certain Oil Country Tubular Goods from Vietnam—Response to the Department's November 4 Questionnaire," dated December 4, 2020 at 1. Therefore, we have not calculated a rate for Pusan Pipe.

after the time limit for filing case briefs.⁹ Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this review are requested to submit with each argument: (a) A statement of the issue, (b) a brief summary of the argument, and (c) a table of authorities.¹⁰ Parties submitting briefs should do so pursuant to Commerce's electronic filing system, ACCESS.¹¹ Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information.¹²

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance within 30 days of the date of publication of this notice. Requests should contain the party's name, address and telephone number, the number of participants, whether any participant is a foreign national and a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined.¹³ Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹⁴ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a

statutory injunction has expired (*i.e.*, within 90 days of publication).

For assessment purposes, Commerce applied the assessment rate calculation method adopted in *Antidumping Final Modification*.¹⁵ For any individually examined respondent whose weighted average dumping margin is above *de minimis* (*i.e.*, 0.50 percent) in the final results of this review, Commerce will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of sales, in accordance with 19 CFR 351.212(b)(1). Where an importer- (or customer-) specific *ad valorem* rate is greater than *de minimis*, Commerce will instruct CBP to collect the appropriate duties at the time of liquidation.¹⁶ Where either a respondent's weighted average dumping margin is zero or *de minimis*, or an importer- (or customer-) specific *ad valorem* is zero or *de minimis*, Commerce will instruct CBP to liquidate appropriate entries without regard to antidumping duties.¹⁷

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from Vietnam entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For the companies listed above that have a separate rate, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously examined Vietnamese and non-Vietnamese exporters not listed above that at the time of entry are eligible for a separate rate based on a prior completed segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific cash deposit rate; (3) for all Vietnamese exporters of subject merchandise that have not been found to be entitled to a separate rate at the time of entry, the cash deposit rate will be that for the Vietnamese-wide entity; and (4) for all non-Vietnamese exporters of subject merchandise that at the time of entry are

not eligible for a separate rate, the cash deposit rate will be the rate applicable to the Vietnamese exporter that supplied that non-Vietnamese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Wooden Bedroom Furniture From the People's Republic of China: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review; 2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from interested parties, the Department of Commerce (Commerce) is conducting an administrative review of the antidumping duty (AD) order on wooden bedroom furniture (WBF) from the People's Republic of China (China) covering the period of review (POR) January 1, 2020, through December 31,

2020. Commerce has preliminarily determined that the sole mandatory respondent, Hui Zhou Tian Mei Investment Co., Ltd. (aka Hui Zhou Tian Mei Furniture Co., Ltd.) (Tian Mei), is not eligible for a separate rate and is part of the China-wide entity. Commerce is also rescinding this review with respect to all companies under review, except Tian Mei, because all requests to review these companies have been timely withdrawn. We invite interested parties to comment on these preliminary results of review.

DATES: Applicable October 7, 2021.

FOR FURTHER INFORMATION CONTACT: Krishna Hill, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4037.

SUPPLEMENTARY INFORMATION:

Background

On March 4, 2021, Commerce initiated an administrative review of the AD order on WBF from China.¹ With the exception of Amini Innovation Corp., which requested a review of Tian Mei, all other parties timely withdrew their review requests in their entirety.² On July 8, 2021, we issued an AD questionnaire to Tian Mei.³ On July 29, 2021, Tian Mei explained that “it cannot adequately provide {Commerce} with the information it has requested.”⁴

Scope of the Order

The product covered by the *Order* is wooden bedroom furniture, subject to certain exceptions.⁵ Imports of subject merchandise are classified under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 9403.50.9042, 9403.50.9045, 9403.50.9080, 9403.90.7005,

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213.

Separate Rate

In the *Initiation Notice*, we informed parties that all firms for which a NME review was initiated that wished to qualify for separate rate status must complete, as appropriate, either a separate rate application or a separate rate certification.⁷ We also informed parties that firms that submitted a separate rate application or a separate rate certification that are subsequently selected as mandatory respondents, would not be eligible for separate rate status unless they responded to all parts of the AD questionnaire that Commerce issued to them as mandatory respondents.⁸ After Tian Mei submitted a separate rate application, Commerce selected Tian Mei as the sole mandatory respondent in this review. As noted above, Tian Mei did not respond to Commerce's AD questionnaire. Consistent with Commerce's practice in such situations, as described in the *Initiation Notice*, and because Tian Mei ceased responding to Commerce's requests for information, Commerce has preliminarily determined that Tian Mei did not establish its eligibility for separate rate status, and is part of the China-wide entity.

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review.⁹ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the
